

RHODE ISLAND DEPARTMENT OF TRANSPORTATION

APPROVED MATERIALS LIST

FOR TRANSPORTATION CONSTRUCTION PROJECTS

**Prepared by the
Materials Management Section**

April 2019

PREFACE

- All questions concerning this list should be directed to the Rhode Island Department of Transportation Materials Management at (401) 222-2524.
- This list is not to be construed as an endorsement or used for promotional purposes.
- This list is believed to be accurate as of the date of printing. Product specifications and URLs (Web links) change, however, often without notice. It is the Contractor's responsibility to verify that each product is suitable for the given application and complies with the requirements of the Standard Specifications for Road and Bridge Construction and/or the contract specifications, the time of its intended use.
- Products that fall within a product category being tested by the American Association of State Highway and Transportation Officials' (AASHTO) National Product Evaluation Program (NTPEP) will not be tested by the Rhode Island Department of Transportation (RIDOT). RIDOT approval for the same will be based on evaluation of the test results obtained through the NTPEP.
- Roadside hardware devices must conform to the National Cooperative Highway Research Program (NCHRP) Report 350 or the Manual for Assessing Safety Hardware (MASH), as applicable.
- Manufacturer's of precast concrete products must request material and plant approval through the RIDOT's Materials Management Procedure.
- The Rhode Island Department of Transportation makes no guarantee as to the availability of any of the products on the list. It is the Contractor's responsibility to check for product stock with sufficient lead-time to ensure that there are no project delays due to unavailability of materials.

Table of Contents

Release Agents	1
Joint / Crack Sealants	1
Modified Liquid for High Performance Cold Patch	1
Joint Filler / Preformed Sealer	1
Joint / Crack Seal	1
Cements	2
Chemical Admixtures	2
Air Entraining Admixtures	4
Mineral Admixtures	4
Curing Materials	4
Additives	5
Pipe	6
Pipe Joints	6
Miscellaneous Drainage	7
Geotextiles	7
Geogrids	8
Paving Fabrics	8
Filter Fabrics - Landscape	8
Miscellaneous Geosynthetics	8
High Strength Grout	9
Cement Based Grout	9
Epoxy Grout	9
Joint Fillers and Sealants	10
Form Release Agent	10
Epoxy Coating for Bar Reinforcement	11
Anchoring Systems	11
Waterproofing Membranes	13
Pneumatically Applied Mortar	13

Table of Contents

Patching Mortar	13
Bonding Adhesive	15
Adhesive Injection	16
Concrete Protective Sealers	17
Paints and Related Items	17
Roadway Joints	18
Bearings	18
Miscellaneous Bridge Items	18
Delineators	19
Miscellaneous Incidental	19
Support Systems	20
Channelizing Devices and Barricades	20
Retaining Walls	22
Loop Embedding Sealer	23
Breakaway Support Couplings	23
Signals/ Lighting	23
Pavement Marking	23
Miscellaneous Acc.	24
Sheeting	24
Mulch	25
Seed Stabilizers	25
Pavers-Bricks/Blocks	26
