22 (a) Authority of Administrator

23 Notwithstanding any other provision of this chapter, upon receipt of evidence that the
24 past or present handling, storage, treatment, transportation or disposal of any solid
25 waste or hazardous waste may present an imminent and substantial endangerment to
26 health or the environment, the Administrator may bring suit on behalf of the United
27 States in the appropriate district court against any person (including any past or pre-
28 sent generator, past or present transporter, or past or present owner or operator of a

Application for ex parte Writ of Possession Executed under Oath.

1 treatment, storage, or disposal facility) who has contributed or who is contributing to
2 such handling, storage, treatment, transportation or disposal to restrain such person
3 from such handling, storage, treatment, transportation, or disposal, to order such per-
4 son to take such other action as may be necessary, or both. A transporter shall not be
5 deemed to have contributed or to be contributing to such handling, storage, treatment,
6 or disposal taking place after such solid waste or hazardous waste has left the posses-
7 sion or control of such transporter if the transportation of such waste was under a sole
8 contractual arrangement arising from a published tariff and acceptance for carriage
9 by common carrier by rail and such transporter has exercised due care in the past or
10 present handling, storage, treatment, transportation and disposal of such waste. The
11 Administrator shall provide notice to the affected State of any such suit. The Adminis-
12 trator may also, after notice to the affected State, take other action under this section
13 including, but not limited to, issuing such orders as may be necessary to protect public
14 health and the environment.

15 (b) Violations

16 Any person who willfully violates, or fails or refuses to comply with, any order of the
17 Administrator under subsection (a) of this section may, in an action brought in the ap-
18 propriate United States district court to enforce such order, be fined not more than
19 \$5,000 for each day in which such violation occurs or such failure to comply continues.

20 (c) Immediate notice

21 Upon receipt of information that there is hazardous waste at any site which has pre-
22 sented an imminent and substantial endangerment to human health or the environ-
23 ment, the Administrator shall provide immediate notice to the appropriate local gov-
24 ernment agencies. In addition, the Administrator shall require notice of such endan-
25 germent to be promptly posted at the site where the waste is located.

26 (d) Public participation in settlements

27 Whenever the United States or the Administrator proposes to covenant not to sue or to
28 forbear from suit or to settle any claim arising under this section, notice, and opportu-

1 nity for a public meeting in the affected area, and a reasonable opportunity to com-
2 ment on the proposed settlement prior to its final entry shall be afforded to the public.
3 The decision of the United States or the Administrator to enter into or not to enter
4 into such Consent Decree, covenant or agreement shall not constitute a final agency
5 action subject to judicial review under this chapter or chapter 7 of title 5.

6 **§ 706. Scope of review**

7 To the extent necessary to decision and when presented, the reviewing court shall decide all rele-
8 vant questions of law, interpret constitutional and statutory provisions, and determine the meaning
9 or applicability of the terms of an agency action. The reviewing court shall—

- 10 (1) compel agency action unlawfully withheld or unreasonably delayed; and
11 (2) hold unlawful and set aside agency action, findings, and conclusions found to be—

17 otherwise reviewed on the record of an agency hearing provided by statute; or
18 (F) unwarranted by the facts to the extent that the facts are subject to trial de novo by the reviewing
19 court.
