Resorts

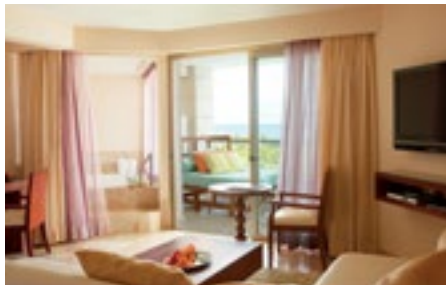

WE LIVE FOR EXCELLENCE

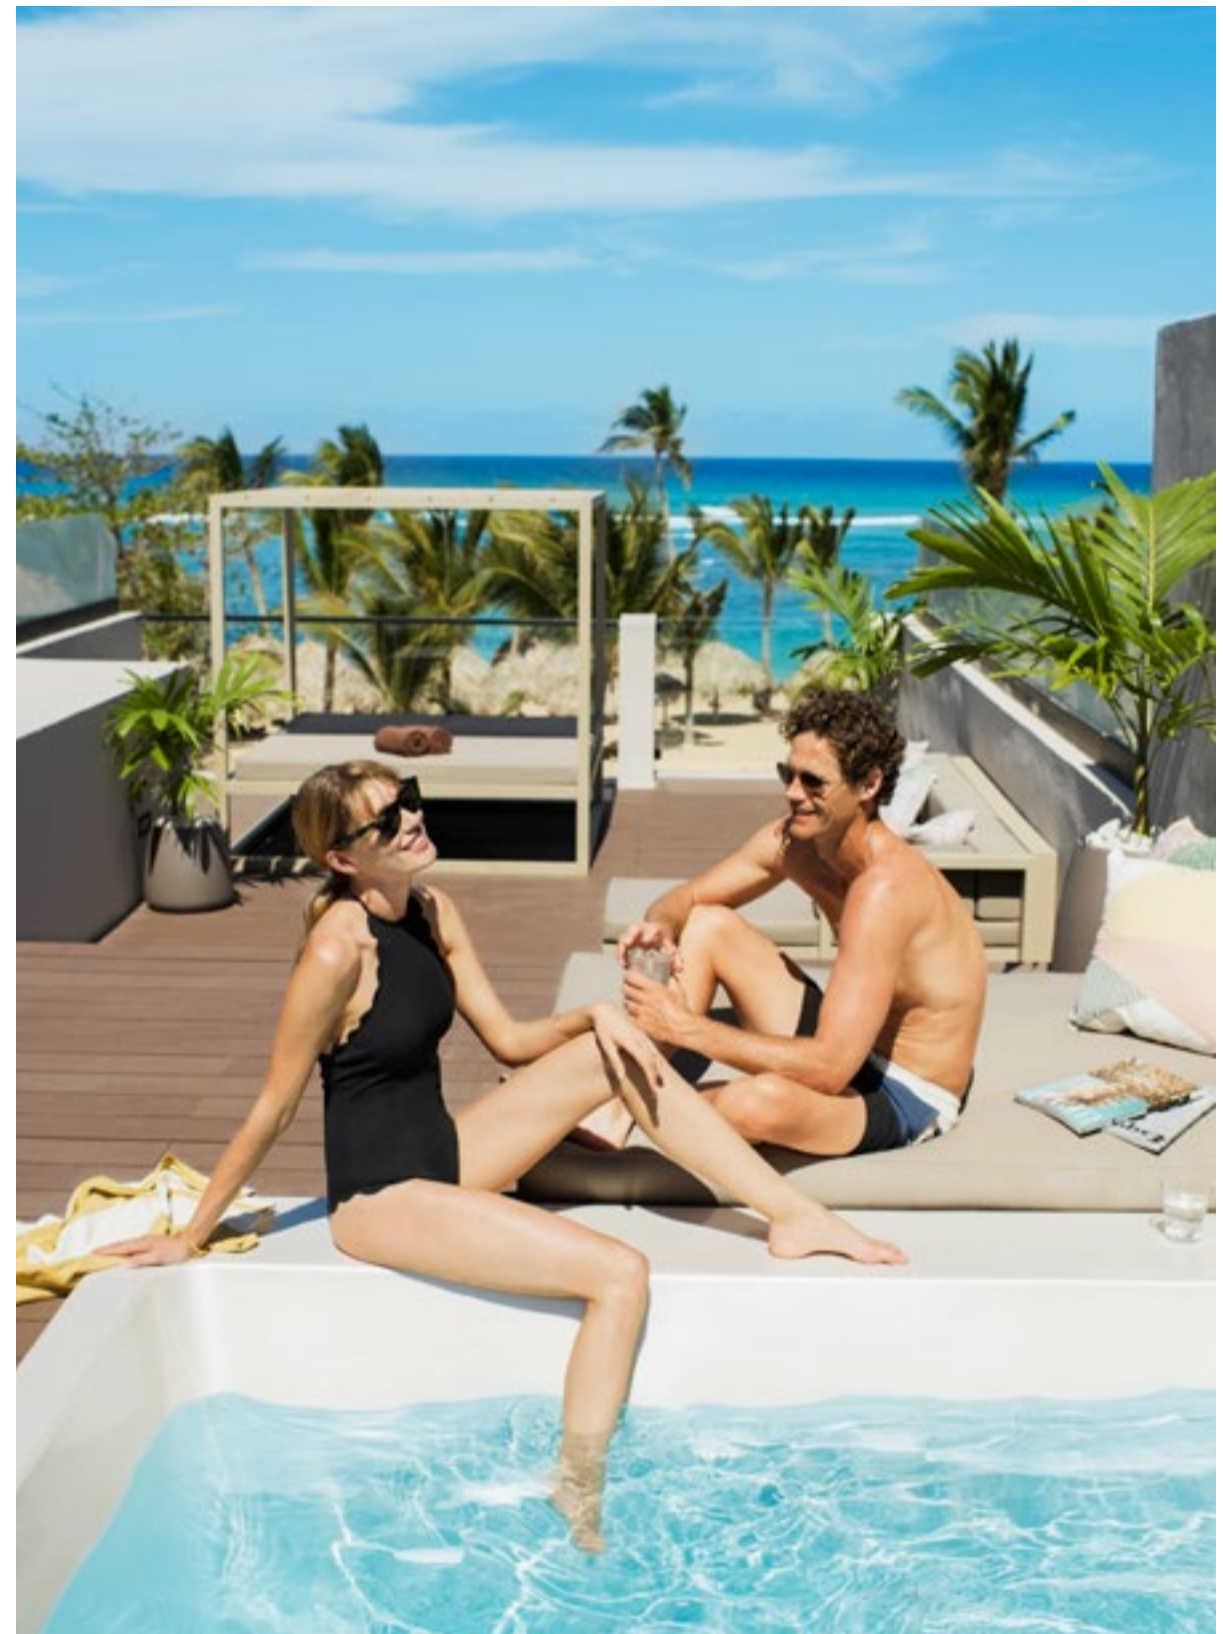

What's it all for, without the moments that take us out of ourselves, away from our everyday lives? The places that transport us to a world created entirely for us? Together, and each on its own, Excellence Resorts are that other world. Where you matter, where everything is included, and where you can return to what life is really all about.

Romance. Rejuvenation. Sensuality. Serenity. Inspiration. Celebration. Everything you're living for—in a collection of resorts, both unique and unified, for adults only, to give you undiluted pleasure, every minute of your Excellence experience.

I. SUITES
PRIVACY IS LUXURY

Without stepping out the door, you are already experiencing all-inclusive luxury. Every suite is custom-designed to fill with light, catch the seabreeze, seclude you, yet link you directly to the resort life around you. Space abounds. Comfort is everywhere. Design rules. Amenities exceed every expectation. 24/7 full-service is amazing. From suites in the heart of things, to rooftop suites overlooking everything, suites with breathtaking ocean views or a swim-up suite—remember, you can always settle in or move up.

II. THE EXCELLENCE CLUB A SENSE OF BELONGING

At every resort, the Excellence Club unlocks multiple extra luxuries, as well as events, gatherings, special privileges and that special space where you can really unwind, at any time. Everything from casual mingling to special events and whiskey-flights, all are included with the Club. And beyond having exclusive access to Excellence Club facilities, enjoy additional amenities, including set-aside suites, that give you that rarest feeling of all: being exactly where you belong.

III. ROMANCE
LOVE EVERY MOMENT

Is it a date on the calendar when your heart was won? Or a celebration or commemoration to share with others? Something you plan for one lantern-lit night on the beach, or a whole series of moments that rekindle the fire? Excellence Resorts are all designed and staffed to facilitate perfection, to be the invisible presence that makes everything appear as if by magic. The magic of romance. It's our favorite thing we do. And we do it beautifully.

IV. WEDDING

THE MOST IMPORTANT DAY & NIGHT

The perfect Excellence wedding is when the planning is beyond detailed, yet spontaneous memories last a lifetime. At Excellence Resorts, nature is the ultimate wedding partner. Pristine sands, swaying palms, star-filled skies. Yet behind every element, flowers to food, music and ceremony, your own Excellence Wedding Planner is yours 24/7. However intimate or social you want your wedding to be, we work to a 'dream' standard, where all is unforgettable, and all is Excellence for you.

V. DINING
GLOBAL TASTES

Dining is an experience for all the senses, and, at Excellence Resorts, the variety is a journey in itself. International flavors, innovative chefs, dressy or casual, Excellence dining experiences take you to new destinations at each sitting. Meanwhile, every drink, every snack, every impromptu meal is prepared and presented with the flair people used to write postcards about. And who knows, maybe you'll want it all to come to you in your suite. That is our pleasure.

VI. GROUPS & MEETINGS
RECHARGE, RESET, REIMAGINE

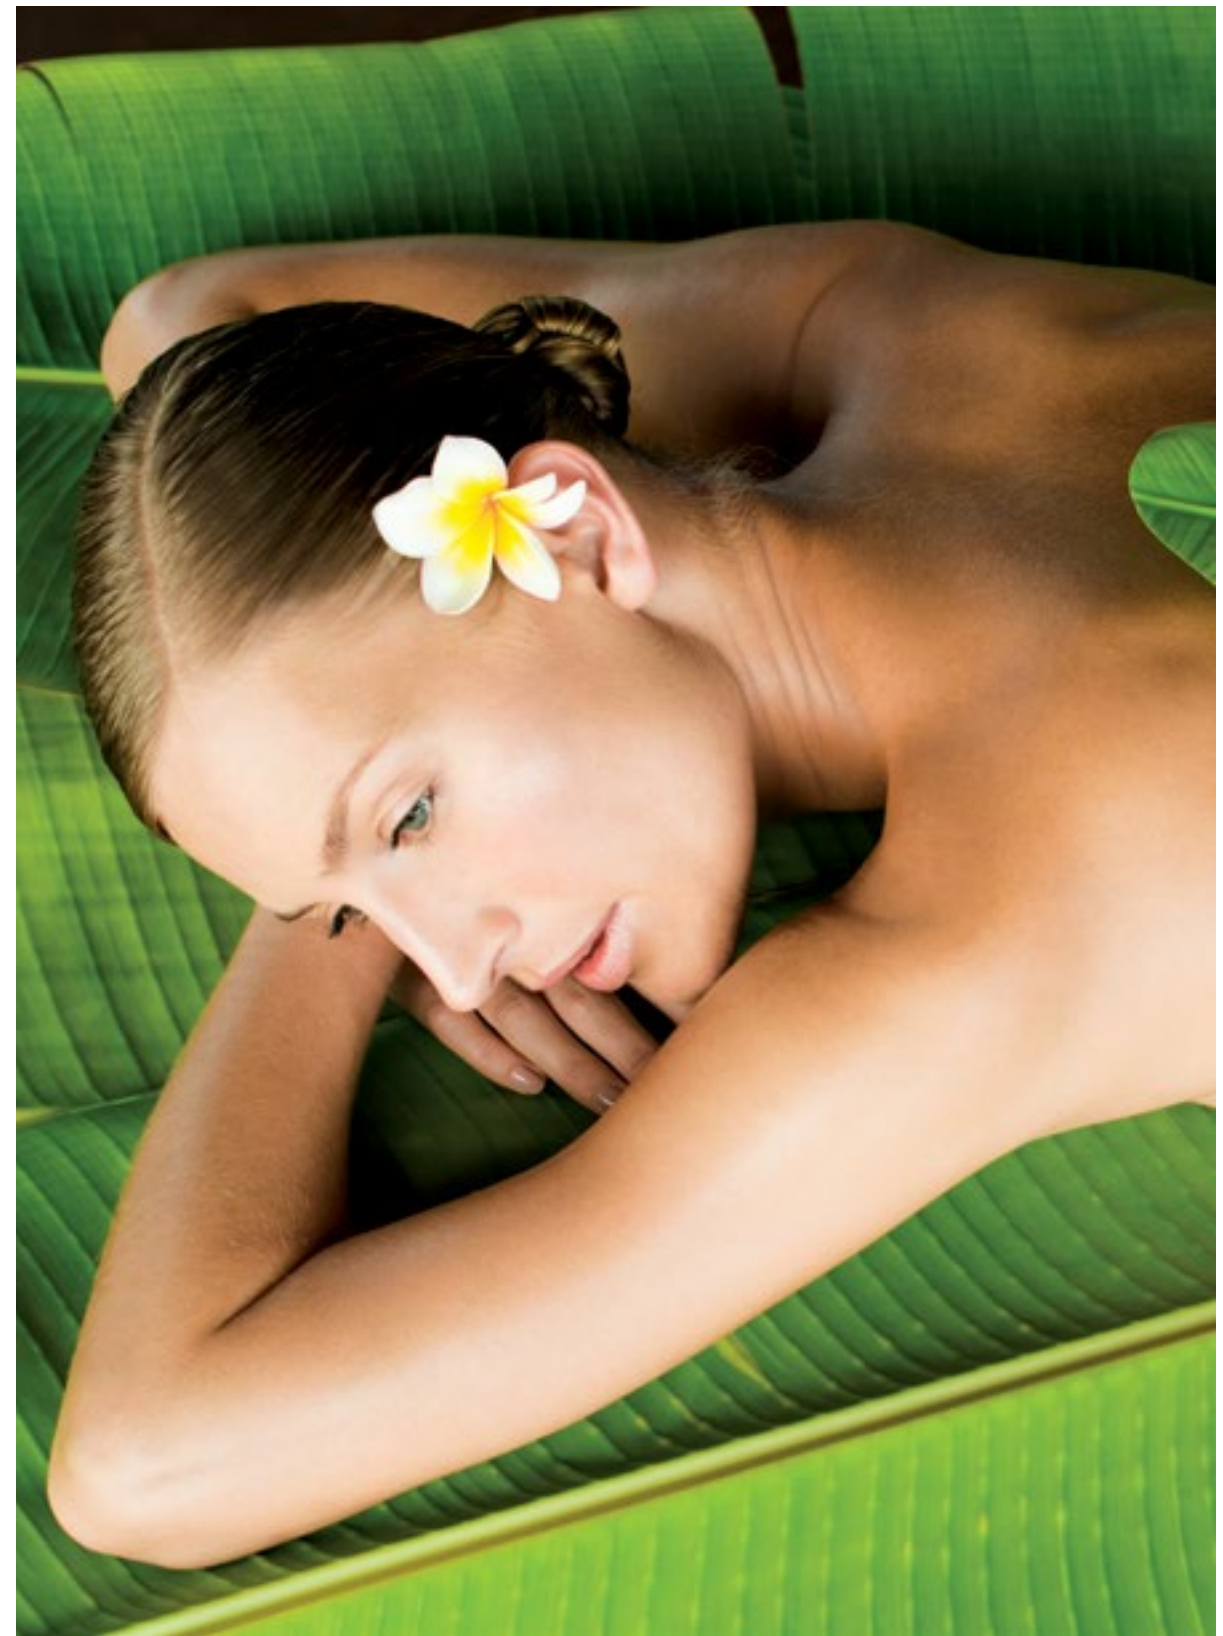

Imagine: 'blue sky' thinking with a sky that's actually so blue that anything seems possible. That is only the beginning of group gatherings at Excellence Resorts. We can configure an executive retreat or a larger, incentive celebration, with spaces and ideas that flex to any need. On staff, and on call, your group will have a seasoned planner, plus experts in the latest technology and the most reliable hospitality anywhere.

VII. MIILÉ SPA
EXCELLENCE BODY & MIND

Surrounded by the sea, it is only natural that Excellence Resorts would feature a spa born of the water and dedicated to the planet's natural rhythms. The Miilé Spa is always a revelation. It flows in unique hydrotherapies, treatments you will only find here, and gifted therapists who release your body, and your mind, from the everyday. We go beyond pampering, to unleash your innate creativity. And we customize it all to who you really are... and who you hope to become.
