World's Largest Youth Network

Together
Towards Tomorrow...

NEHRU YUVA KENDRA SANGATHAN AN INTRODUCTION

Youth are a major human resource for development and thus, key agents of social change, economic development and technological innovation. This is a vital, vibrant and dynamic human resource having bearing on the future state of not only India, but also the entire world. There is, therefore, a need for youth involvement in a country, in its development programmes, as well as in activities based on the youth's specific needs, desires and aspirations.

Nehru Yuva Kendra Sangathan (NYKS) facilitates the mobilization of rural youth, in the age group of 15 to 29 years, towards this end. The largest grass-root level voluntary organization of its kind in the world, NYKS was established to harness and channelize the power of youth on the principles of volunteerism, self-help and participation.

Nehru Yuva Kendra Sangathan has 623 district offices to manage youth programmes and activities at district level, 29 State Office for

monitoring and coordinating the activities at the state level. NYKS also has village based youth clubs affiliated to it.

The principal objective of NYKS is to mobilize, motivate, organize rural youth of the country and enhance their capacities to develop democratic institutional mechanisms in the form of village based Youth Clubs. It is to further develop and empower them to become productive and responsible citizens, assume local leadership to act as active partners in the process of community development and nation building activities with the spirit of equity, secularism and voluntarism.

The purpose behind these clubs at the grass-root level is to form village-level action groups of youth that may come together for their own overall development and work with concern for the poor.

Nehru Yuva Kendra Sangathan strength lies in 10,081 National Youth volunteers and the vast network of Youth Clubs and Mahila Mandals at the grass-roots level. Through NYKSW, these village-based organizations have become local pressure groups as well as catalytic agents for socio-economic, cultural, political and environmental transformation. Many of these groups have in fact become Functional Action groups with rural sustainability and self-reliance as their hallmark.

When viewed in these terms, the role of Nehru Yuva Kendra Sangathan could be defined as that of not merely an organization, but that of a mass movement.

Genesis

The Nehru Yuva Kendra were established in 1972 with the objective of providing the rural youth with the opportunity to grow and achieve goals, The organization and mobilization of the youth

for developmental work in the villages, with emphasis on Value, Vision and Voluntary action.

The goals of NYKS are:

- To develop the values and skills of rural youth so that they become productive, responsible citizens of modern India.
- To involve them in nation building activities.
- To work toward promoting an environment where all-irrespective of caste, colour, sex or religion- find equal opportunity to serve the nation.
- To pursue self-sufficiency in resources.
- To utilize the networks of NYKS for the development and promotion of programmes in the priority sector of employment generation, literacy and family welfare.
- To empower women through increased outreach and coverage of education, better health care and diverse income generating activities.

As a leading youth organization, NYKS functions as a non-governmental implementing body for the major quantum of mobilization and developmental activities in the sphere of non-student rural youth.

FROM AN ORGANISATION TO A MASS MOVEMENT

Scope and Structure

Considering that almost three-fourths of the Indian population is rural, the development of the nation as a whole depends on their progress

and development. The needs of the rural people, especially the youth, vary radically from their urban counterparts. It is in this context that the NYKS was formed to harness the power and empower the rural youth towards self-development and service to the society.

The youth as a group come forward to combat various local problems which ultimately should lead to rural sustainability, self-reliance and consequently, national development.

Reaching Out to the Youth

NYKS promotes leadership, character development, community service, self-reliance, secularism, democracy and patriotism as the essential features for national development. The organization conducts various programmes aimed at mobilizing the youth in this direction, thus building a sense of national identity and integration, based on eschewing fear and violence.

Infrastructure at the District level

For the implementation of different programmes and activities, NYKS has a trained cadre of District Youth Coordinators, National Youth Corps (NYC) Volunteers, Youth Leaders and Social Workers throughout the country. These Youth Groups

come forward to tackle various local problems, which ultimately affect national development. Rural sustainability and self-reliance have become the hallmark of every active Youth Club/Mahila Mandal and they aspire to become Functional Action Groups.

Responsiveness to the Needs of the target group

In order to fulfill the needs, desires and aspirations of non-student rural youth (target group), various programmes and activities have been organized through a trained cadre of Youth Coordinators, NYKS, Youth Leaders and Social Workers throughout the country. Moreover, different developmental agencies and department at various levels are also involved so that the benefit of various development schemes and programmes reach the needy and deprived sections of the society.

The Structure

The NYKS has a four-tier structure. At the helm of NYKS is a Board of Governors. The Union Minister of Youth Affairs and Sports is the ex-officio Chairperson of the Board of Governors. Director General is the executive head and is responsible for managing day-to-day affairs and activities of the Sangathan. There are 29 state level Offices headed by State Directors, who are responsible for ensuring that the policies and programmes of the Sangathan are properly implemented in the field in each State.

A Youth Coordinator heads each District level office called Nehru Yuva Kendra (NYK). His role is to spearhead the Youth movement in the field. He is assisted by the Accounts Clerk-cum-Typist, a MTS and 8-10 National Youth Volunteers, who are deployed for a period of one to two years as per

the scheme of the Ministry of Youth Affairs and Sports. The district level office with their NYVs is the most important tier of the structure where ideas are transformed into reality.

Under the Chairmanship of the District Magistrate/Collector, every district of the State has a District Advisory Committee on the Youth Programme (DACYP). The DACYP guides, supports and monitors the activities of the NYKs. It deliberates on the Annual Action Plan guidelines and approves it. The DACYP further monitoring the activities and provide necessary support to the NYK in fulfilling the laid targets. The constitution of DACYP confirms the representation of major institutions and department involved in district development so as to facilitate functional linkages and harnessing resources for effective implementation of programmes.

Core Strength of NYKS

The core strength of NYKS is a net work of 3.06 Lakh village level Youth Clubs across India with an enrolment of about 87 lakhs rural youth volunteers. It has become one of the largest Youth organizations in the world. These Youth Clubs and Mahila Mandals are engaged in the areas like education, training, awareness generation, leadership and personality development for addressing social issues, community development and social welfare activities.

The Government of India through its rural youth based flagship organization the Nehru Yuva Kendra Sangathan achieve the set objectives through Core Programmes which are uniformly distributed amongst the district kendras in the country; implement Schemes of Ministry of Youth Affairs & Sports; undertake Special Programmes and Projects in coordination and support of other development Agencies, Ministries and Departments of Centre and State Governments

and UNO meant for youth development and empowerment.

A paradigm shift in the utilization of the vast network of NYKS and its field units has commenced. One such role which NYKS has recently taken as a major initiative has been synergy and convergence of efforts with the Government of India as well as State Governments. Youth Clubs and NYV volunteers now provide ample opportunities and a suitable platform for outreaching various programs and schemes of the Government of India and the State Governments.

The youth associated with Nehru Yuva Kendras are not only socially aware, motivated but are also inclined towards social development work through voluntary efforts. Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of the Nehru Yuva Kendra Sangathan for the year ended 31 March 2017

We have audited the attached Balance Sheet of the Nehru Yuva Kendra Sangathan (NYKS), as at 31 March 2017, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20 (1) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2020-21. NYKS had country-wide network of 623 District level Nehru Yuva Kendras, out of which, comments of 14 Kendras and 4 Zonal offices are included in this report. These financial statements are the responsibility of the NYKS's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observation on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that:
 - i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit, except mentioned in comment nos. A.1.1.1(b) and C.5.10 of the Audit Report.
 - ii. The Balance Sheet, Income & Expenditure/Receipts & Payments Accounts dealt with by this report have not been drawn up in the Uniform format of accounts approved by the Ministry of Finance.
 - iii. In our opinion, proper books of accounts and other relevant records have been maintained by NYKS, in so far as it appears from our examination of such books except for the audit comments mentioned at A.1.1.1 to 1.1.3, A.2.1.1 to 2.1.5, C.5.1, C.5.5 and para 2 (iii) and 2(vi) of Annexure to Audit Report.
 - iv. We further report that:

A. Balance sheet

A.1 Liabilities

A.1.1 Earmarked Fund (Schedule-2, 3 and 4)

A.1.1.1 (a) In Schedule-3: Earmarked Funds (Special Programs MYAS) and Schedule-4: Earmarked Funds (Sponsored Programs) forming part of Balance Sheet as at 31.3.2017, there were negative opening and closing balances under the programmes as detailed in **Annexure-A**. The aggregate of negative balances worked out to Rs.194.35 lakh under 17 programmes of NYKS.

The details are indicative of the facts that NYKS had incurred excess expenditure over the grants received and the amounts are receivable. However, the same were not shown as receivable but shown as negative figures under liability, which needs to be corrected.

A.1.1.1 (b) Closing balances of Earmarked Funds (Special Programme) and Earmarked Funds (Sponsored Programme) shown under Schedule-3 and Schedule-4 respectively could not be verified, as the basic records such as Utilisation certificate, Performance cum achievement reports and subsidiary accounts of special and sponsored programme as stipulated in sanction order etc, in support of closing balances were not shown to audit.

A.1.1.2 There was expenditure incurred/ transferred/ refunded under the programmes which were showing negative opening balances and received no grant for additional expenditure during the year resulting in increase of negative balances. The aggregate of these negative balances worked out to ₹299.04 lakh under 13 programmes of NYKS. The details are given in **Annexure-B**.

A.1.1.3 There was expenditure incurred/ transferred in several cases (shown in **Annexure-C**) in excess of funds available/grant received resulting in negative closing balance. The aggregate of these negative balances worked out to Rs. 402.59 lakh under 6 programmes.

Necessary adjustments/reconciliation in respect of negative balances should be made in accounts.

In light of above comments, it is not possible to form an opinion on the correctness of the figure shown as negative balance. These discrepancies were also reported in the previous years, no sincere remedial action were taken.

A.1.1.4 The programmes mentioned in **Annexure-D** had positive opening balances but no interest income was depicted in the schedules against the programmes. Non-depiction of interest income towards these programmes had resulted into understatement of liability by the amount of interest earned on the opening balances of these programmes and overstatement of interest income of NYKS for the year 2016-17. The monetary value of these 30 programmes works out to ₹33.56 crore.

A.1.1.5 As per the Income & Expenditure account, the excess of income over expenditure was to be transferred to the 'Corpus/capital fund'. However, the excess of income over expenditure was transferred to the 'Earmarked Fund-MYAS (Sch. 2)'. This is not in consonance with the Uniform format

of accounts and thus, the entire balance of Rs.78.13 crore is incorrectly shown under 'Earmarked Fund'. This has resulted in overstatement of Earmarked Fund and understatement of Capital Fund by the like amount. This was also reported in the previous year's report, however, no remedial action was taken by NYKS.

A.2 Assets

A.2.1 Current assets Loan and Advances - (Schedule-7)

A.2.1.1 Loans, Advances and Other Assets of NYKS showed a negative balance of Rs. 35,94,549 under head Long Term Advances (Computer/Vehicle/Scooter) and negative balance of Rs. 3,42,681 under head Scooter advance, Rs. 62,486 under head computer advance. These negative figures need to be reconciled.

A.2.1.2 Under the head Advances some negative balances were clubbed with outstanding advances of other PAOs. The details are given below:

Sl. No.	Head	PAO	Amount (In Rupees)
1.	Staff and Others	Bangaluru	(1,950.00)
2.	Petty Cash Advances	Lucknow	(2,97,489.50)
3.	Other Advances	Alipur	(1,12,262.00)
4.	House Building Advances	Bangaluru	(2,90,916.00)
5.	Medical Advance	Lucknow	(1,30,768.00)
6.	LTC Advance	NYKS HQs	(1,13,448.00)
7.	Advances with Kendras pending UCs	Alipur	(69,94,209.15)

The negative balances under advances need to be reconciled.

A.2.1.3 Under head Others deposits Rs.10,00,000/- were shown as deposits in NYKS headquarters accounts were actually investment in shares of National Yuva Co-operative society Ltd. (NYCS Ltd.) and should have been classified under Long Term investments of NYKS.

A.2.1.4 At NYKS Headquarters, audit noted that exactly the same amount of advance appeared in the accounts in several similar heads of accounts during 2015-16 as well as 2016-17.

Account Head	Delhi (Hqrs) (in Rupees)
Advances to Zonal offices pending reconciliation	(-)1659315
Advances with Zonal offices	59600296
Advances to PAOs/Zones pending reconciliation	(-)66632091
Petty Cash Advance	1875041
Advances with Zonal offices – Carry Forward	44756898
Advances with Kendras	(-)46,82,282

As funding and expenditure are a continuous process, apparently no effort was made by NYKS to reconcile these advances.

A.2.1.5 Under the head 'Loan and Advances' (Schedule-7), Rs.13.65 crore were shown as advances with Kendras, pending utilization certificates and advances with PAO/zones pending reconciliation.

A.2.1.6 Nine saving bank accounts having bank balance of Rs.4.74 crore in respect of schemes like National Reconstructive Corp (NRC), Youth Services-IV, Swaran Gram Sadak Yojana (SGSY), Kashmiri Rural Youth Cultural Exchange Programme (KRYCEP), Cultural Exchange (CULTEX), Adolescent, UNDP Project, Red Ribbon Express (RRE) and Foreign Contribution (FC) were lying dormant as on 31.03.2017 due to the same being non-operative. Seven bank accounts have been lying dormant since 2011-12 whereas two were dormant since 2012-13 as the schemes were non-operative.

B. Income and Expenditure Account:

B.1 As per bank statements of Red Ribbon Express (RRE) scheme, an interest of Rs. 2.68 lakh was earned on bank account of RRE but it was depicted under interest on saving Accounts. This resulted in understatement of Earmarked Fund (RRE) and overstatement of interest income of NYKS for the year 2016-17.

C. General:

C.1 Investment of pension fund, provident fund and superannuation fund was not made as per the pattern of investment prescribed by Ministry of Finance. All the investment amounting to ₹59.62 crore (100%) was made under fixed deposits/term deposits. This was pointed out in the previous audit report, however no action was taken by NYKS.

C.2 NYKS did not make the provisions for retirement benefits. The provision based on actuarial basis needs to be made for retirement benefits as required by uniform format of accounts and AS-15 of ICAI.

C.3 The accounts of NYKS show continuous availability of unadjusted surplus funds under the head Earmarked Fund (Sch. 2) lying with PAOs. Examination of these funds from previous years' accounts show lack of effort on part of NYKS for utilizing/adjusting the same. This has led to accumulation of funds and surplus funds of Rs. 74.19 crore remained blocked up to 31.3.2017. (The amount was Rs. 46.15 crore at the end of 31.3.2016). This issue was also reported in the previous year's report, however, no remedial action was taken.

C.4 During 2016-17, a fire broke out in the office premises of NYKS and the loss thereof was mentioned in the physical verification report as on 31.03.2017. Examination of annual accounts disclosed that neither the loss due to fire was quantified by NYKS nor the same taken in annual accounts of 2016-17.

C.5 NYKS had a countrywide network of 623 district level Nehru Yuva Kendras (NYKs) each headed by a District Youth Coordinator (DYC). The audit comments relating to 14 Kendras, 4 Zonal Directorate and 1 State Directorate of NYKS are given below:

C.5.1 Cash Book was not properly maintained in NYKs at Jalandhar, Ludhiana (Punjab), Kalahandi,

Bhawanipatna (Orissa) and irregularities noticed in maintenance of cash book at Rangat (Middle Andaman) and Chandigarh (Punjab).

C.5.2 Physical verification of stores/assets was not conducted at Ludhiana, Jalandhar, Chandigarh (Punjab), Mangan (Sikkim), Zonal Director-Rohinipuram, Raipur (Chhattisgarh) and Chandigarh units in NYKS.

C.5.3 Non reconciliation of deposits of Rs. 0.14 lakh at NYK Jalandhar (Punjab), Rs. 9.49 lakh at NYK Ludhiana (Punjab), Rs. 1.26 lakh at Zonal Director-Chandigarh, and non-reconciliation of bank statement at NYK Jalandhar & Zonal Director- Chandigarh (Punjab), Keylong Lahoul & Spiti (Himachal Pradesh).

C.5.4 Stale cheque of ₹ 0.66 lakh was pending at NYK Jalandhar (Punjab) and of Rs.0.14 lakh at Kullu (Himachal Pradesh)

- (ii) During 2016-17, a fire broke out in the office premises of NYKS and the loss thereof was mentioned in the physical verification report as on 31.03.2017. Examination of annual accounts disclosed that neither the loss due to fire was quantified by NYKS nor the same taken in annual accounts of 2016-17.
- (iii) Register of valuables (GAR 5), advances and contracts were not maintained. Further, register of fixed assets, TA & LTC Bill, Medical claim and grant in aid registers were not properly maintained.

Comments on observation of DGA(CE) in the audit report on accounts of NYKS for 2016-17

SN	Comments on Audit observations
A. 1.1.1 (a)	<p>NYKS has a structure going down to the 623 District level offices, 29 State Level Offices and its national headquarters at Delhi. Against total sanction of 2273 posts, 50% posts are vacant. No new staff was deployed in last two decades.</p> <p>For settlement of Negative balances, scheme-wise accounts of these schemes for last 15 years are to be reconciled with the positives entries of advances from HQ to PAOs in respective years booked under other head.</p> <p>Despite of acute shortage of manpower, observation of audit is being complied. Reconciliation of advances at field offices was taken up and quantum of advances was gradually reduced from Rs 23.23 crore in 2014-15 to Rs 16.82 cr. in 2015-16 and Rs 14.72 crore in 2016-17.</p> <p>Process of recruitment of new staff for district and state level offices has been started in 2018. It is expected that by the end of the financial year 2019-20, NYKS will function with full strength and thereby will be able to reconcile the negative balances and make necessary rectification</p>
A. 1.1.1 (b)	<p>Copies of Balance Sheets of six PAOs and HQ alongwith compilation sheets wherein opening balances, addition, expenditure and refund made in each such scheme were provided to the audit team during the course of audit in reply of audit memos. All Clarifications sought by the Audit were also given.</p> <p>It was also informed to the audit that NYKS is having 623 district offices and 28 State Offices beside its HQ. For financial control, six of its State Offices have been designated as Pay & Accounts Offices (PAO).</p> <p>Each district office submit its financial report to their respective PAO where these figures are consolidated and Balance sheet of with Income & Expenditure Account, Receipt and Payment Account alongwith all relevant schedules as per Common Format of Accounts Prescribed by C&AG/ MOF are drawn.</p> <p>Accounts of all District, State and PAO offices of NYKS are audited by State AG as normal procedure.</p> <p>On the basis of Balance Sheets of Six PAOs and HQ, consolidated accounts of NYKS are drawn.</p> <p>As such, required details were provided to the audit.</p>

<p>A.1.1.2</p> <p>The following position was explained vide reply of Audit memo no. 5 dated 08.03.2019 that the negative opening balances has been carried forwarded from previous year.</p> <p>No new expenditure was incurred under the schemes.</p> <p>During reconciliation of advances at PAO level, few un-adjusted UCs were detected and adjusted against schemes having negative balances.</p> <p>Adjustments against these prior periods UCs have been incorporated in accounts. However, no new expenditure is booked.</p> <p>As reported in reply of point A.1.1.(a) serious efforts have been made for settlement of these negative balances however due to paucity of manpower at PAOs/ field offices it could not be reached to finality.</p>	<p>Process of reconciliation of advances over field offices was carried out by PAOs in compliance of observation of Audit.</p> <p>During reconciliation of advances few un-adjusted UCs were detected and adjusted against relevant schemes. Adjustments against these prior periods UCs have been incorporated in accounts. However, no new expenditure is booked. The action was taken in compliance of the observation of Audit.</p>
<p>A.1.1.4</p> <p>As per policy, all the field offices have only one bank account and interest earned in such saving bank account has been taken under schedule 11 of the Income & Expenditure Account as per instructions contained in Uniform Format of Accounts for Autonomous bodies. The interest income transferred to schedule 2 of the Balance Sheet.</p> <p>Separate scheme-wise accounts of some of the schemes have been opened in HQ, interest earned in such accounts have been reported to concerned scheme. Interest on NSV/RSY balances has been shown under NYC column as the scheme is merged with NYC. Similarly, scheme-wise interest is shown in HQ books where designated scheme-wise bank accounts are maintained.</p> <p>It is further to submit that part of the opening balances pertains to advances against which expenditure have already incurred but could not be accounted due to non submission of UCs. UCs for such advances are being identified and adjusted during reconciliation exercise. Therefore, complete amount of opening balance is not in cash to earn interest.</p>	

A.1.1.5	<p>Depiction of transfer of excess of income over expenditure under NYKS scheme to Earmarked / Endowment Fund MYA&S instead of Corpus/ Capital Fund is in consonance with the Uniform Format of Accounts for the Autonomous Bodies' as NYKS has not been provided with any Corpus Fund by the Administrative Ministry.</p> <p>As per schedule of instructions attached to the 'Uniform Format of Accounts for the Autonomous Bodies' the Corpus/ Capital Fund is describes as per following, "Corpus / Capital Fund is akin to Capital, Share Capital or Owners Fund. It comprises amount received by way of contribution specifically to the Corpus, as increased/ decreased by the net operating results shown in the Income and Expenditure Account (other than surplus, if any, transferred to any Reserves or Earmarked Funds).</p> <p>The instructions also describes Earmarked / Endowment Funds, "Amount received as grants or assistance, or retained by the entity to be utilized for specific or earmarked purposes and remaining to be expended/ utilized for the specific purpose for which these are intended, are required under this head. The Plan funds received from the Central and /or State Government are to be shown as distinct category of Fund." It is further clarified in the instructions that, "The following shall not be reckoned as part of Earmarked funds</p> <p>a) Grants / fund which have the characteristics of promoters' contribution which are of the nature of additions/ accretion to the Corpus Fund."</p> <p>The grants provided to NYKS are not specifically for creation of Corpus.</p> <p>The Plan/ Non Plan grants provided to NYKS by the Administrative Ministry under 'NYKS Scheme' are for specific and earmarked purpose on stipulated terms and conditions. It has condition to either spent or refund with interest.</p> <p>Therefore, surplus/ deficit of it transferred to Earmarked Fund (MYA&S) is in consonance with the Uniform Format of Accounts for the Autonomous Bodies'.</p>
A.2.1.1	<p>Long term advances including HBA, Car, Scooter/ Motorcycle, Computer advances are sanctioned by the HQ and disbursed by PAOs.</p> <p>Recovery of principal amount of advances and interest is made by PAOs from monthly salary of concerned employees and remitted to HQ.</p> <p>Negative balance of Rs 35.94 lakh for LTA Rs 0.62 lakh computer advance and Rs 3.42 lakh scooter advances includes amount of interest recovered on such long term advances..</p>

A.2.1.2	<p>Employees of NYKS are transferable in 623 district and 29 state level offices. Their transfer and posting may involve change in the jurisdiction of one PAO to another.</p> <p>Advances drawn while working with one PAO are adjusted in another PAO which leads to positive balance in PAO where advances were drawn and negative balance in PAO where advances are adjusted. These positive and negative figures are compiled and net effect of advances is shown in annual accounts statement.</p> <p>Negative balance of HBA at PAO Bangalore also includes amount of HBA interest recovered from salary of employees but not remitted to HQ.</p>
A.2.1.3	The deposit is realized 2017-18.
A.2.1.4	Figure appearing in HQ accounts pertains to un-reconciled advances between HQ & PAO. This will be adjusted against the outcome of reconciliation of negative balances appearing in PAOs balance sheet. This could not be done due to acute shortage of manpower.
A.2.1.4	<p>NYKS has a structure going down to the 623 District level offices, 29 State Level Offices and its national headquarters at Delhi. Against total sanction of 2273 posts, 50% posts are vacant. No new staff was deployed in last two decades.</p> <p>Despite of acute shortage of manpower, observation of audit is being complied. Reconciliation of advances at field offices was taken up and quantum of advances was gradually reduced from Rs 23.23 crore in 2014-15 to Rs 16.82 cr. in 2015-16 and Rs 13.65 crore in 2016-17. The process is still continuing with the target to bring down the advances to the minimum.</p> <p>Process of recruitment of new staff for district and state level offices has been started in 2018. It is expected that by the end of the financial year 2019-20, NYKS will function with full strength and thereby will be able to reconcile the advances and bring down the quantum of un-adjusted advances to the minimum.</p>
A.2.1.6	<p>These accounts are opened in HQ during previous years for specific schemes. No grants were received under these schemes for years and no expenditure is incurred under the schemes as these are non operative.</p> <p>Decision for closing / resuming the operation will be taken after final settlement of balances under these schemes in concurrence with the respective Ministry/ Department/ Agency.</p>
B.1	Noted for rectification

C.1	<p>Investment of funds in term deposit schemes of nationalized banks is also permissible in the pattern of investment prescribed by the Ministry of Finance.</p> <p>It is provided in the para 6 of the notification by the Ministry of Finance dated 14.08.2008 that the investment of the funds of the Trust is the fiduciary responsibility of the Trustees and needs to be exercised with appropriate due diligence. Considering the small fund available and liquidity requirement in near future, it was not appropriate to invest the same in Government Securities and Bonds which are long term investment (8 yrs. and above).</p> <p>Keeping into consideration of above and small capital available with NYKS investment of funds in long term securities is not feasible.</p> <p>Actuarial valuation of retirement dues, as on 31.03.2015 was made. This includes valuation of liability towards pension, gratuity and leave encashment.</p> <p>Concurrence of the Administrative Ministry was sought to show liability under retirement benefits as per actuarial valuation. The concurrence of the Ministry is awaited. However, its reference was made in notes of accounts.</p> <p>The balance of Rs 74.19 crore under Earmarked Fund – MYA&S (NYKS Scheme) includes Rs 46.90 crore towards interest and misc income earned during 2008-09 to 2016-17.</p> <p>NYKS had requested the administrative Ministry for revalidation of amount of accumulated interest. As per the directions of the Ministry of Youth Affairs & Sports vide letter dated 25.04.2019 NYKS has remitted the accumulated interest and miscellaneous income to Consolidated fund of India in July 2019.</p>
