

The Chair of the IEEE Computer Society Technical Committee on Data Engineering (TCDE) is elected for a two-year period. The mandate of the current Chair, David Lomet, is coming to an end and it is time to elect a Chair for the next two years.

The TCDE Chair Nominating Committee, consisting of Masaru Kitsuregawa and Paul Larson has nominated two candidates for the position as Chair of TCDE: Malu Castellanos and Kyu-Young Whang. A call for nominations was published in the June issue of the Data Engineering Bulletin but no other nominations were received.
