COLLECTION SUMMARY

This collection is part of the Cradle of Coaches Collection. The John Pont Collection consists predominately of playbooks from his days as a coach, but also contains various publications and programs as well as audio-visual materials. While most of the items in the collections are originals, some are photocopies.

PROVENANCE OF THE COLLECTION

The collection was donated to the Walter Havighurst Special Collections by John Pont's widow, Sandy Pont.

BIOGRAPHICAL INFORMATION

John Pont was born on November 13, 1927 in Canton, Ohio to Bautista and Suzannah Pont. Growing up in Canton, John played football at Timken High School. After graduation he spent a few years in the military and then came to Miami University on the G.I. Bill.

He was a varsity starter at halfback from 1949-1951. In his three years starting for Miami, he led the nation in rushing (1949), was named All-MAC three times, and honorable mention All-American twice,

while playing for Woody Hayes and Ara Parseghian. John Pont's football number 42 was retired in 1951, and was the first of three numbers to be retired by Miami University (Bob Hitchens-40; and Ben Roethlisburger-7). He was also a member of the Sigma Chi Fraternity.

Upon graduating from Miami John served one tour as a Navy submariner. After his tour he played one year of football in Canada for the Toronto Balmy Beach Beachers in the Ontario Rugby Football Association. He won the Imperial Oil Trophy as league MVP for the 1952 season, his one and only season.

In 1953, then Miami head coach Ara Parseghian asked John to coach the freshman team for Miami. He served as an assistant from 1953 to 1955. After the 1955 season Ara left Miami to be the head coach of Northwestern University. John Pont was named the new Head Coach for Miami and became the youngest head coach in the country at 27.

In his years at Miami (1956-1962) John Pont won 43 games and lost 22, with 2 ties for a win percentage of 66.2. Miami won two MAC championships under John Pont in 1957 and 1958. They were also chosen to play in the Tangerine Bowl after the 1962 season.

After seven successful seasons at Miami, John left to be the head coach of Yale University. He coached there for two seasons, 1963 and 1964, and went 12-5-1. In 1965 he was named the head coach of the Big Ten's Indiana Hoosiers where he coached for eight years (1965-1972). In 1967 Coach Pont led the Hoosiers to their first and only Rose Bowl appearance and their last Big Ten Championship. That year he won the AFCA Coach of the Year Award.

In 1973 John left Indiana for Northwestern University. He was the head coach for the Wildcats from 1973 to 1977. In 1975 the athletic director resigned and Coach Pont was named the new athletic director in addition to his coaching duties. After performing both duties for a few years, he resigned as head coach in 1977 and was solely the athletic director. He performed this duty until 1980.

In 1984 he got back into coaching at Hamilton High School in Hamilton, Ohio, where he was the head coach from 1984 to 1989. In 1990 The College of Mount St. Joseph, in Cincinnati, was looking to start a football program and hired John to be the inaugural head coach. He coached at Mount St. Joseph until 1992. During those years he also worked for the semi-pro team ROCBULL in Japan's X-League.

John Pont, the player, the coach and administrator finally retired in 2004. His career record was 107-141-4 and he was inducted into the MAC, Miami and Indiana Hall of Fames. In his later years he lived in Oxford, Ohio with his wife Sandy and their three kids; John, Jennifer and Jeff. In a typical workman fashion John volunteered at local Talawanda high school. He died on July 1, 2008 in Oxford.

SCOPE AND CONTENTS OF THE COLLECTION

This collection covers almost the entirety of John Pont's football career, player and coach. Within the collection are playbooks from the different places John played and coached, as well as publications, programs and audio/video material.

From his days at Miami as a player/student we have a playbook and a few course packets. From there we have playbooks from all of the teams he coached, starting with his time at Miami as an assistant, then head coach. From there he went to Yale, Indiana, Northwestern. After over a decade away from

coaching John returned to coach at Mount St. Joseph College in Cincinnati. We also have two items from the time he spent in Japan.

In addition to playbooks we have various publications that John owned. Included in these were various programs from Miami, AFCA annual meetings, and Miami DOPEs. There were also game clips from his days as a player, and obituaries from his passing.

The collection is sorted by time, university and type of object. The first three series are from his days as a player and coach: 1) items from his days as a student/player; 2) Playbooks from his years as a coach; 3) items from Japan. From there the items are sorted by what they are: publications, a/v material, obituaries, etc.
