

# Non-urgent pediatric specialty consult request

**Note:** SSM Health Cardinal Glennon Children's Hospital's Access Center is staffed 24/7 by registered nurses with background in pediatric and neonatal specialties. For emergent needs, please call **888-229-2424**.

To request a non-urgent consult with one or more of our specialty services, please complete this form online, print, and fax to SSM Health Cardinal Glennon's Access Center at **314-678-2135**. Based on the preferred timeframe selected for the consult to be completed, a registered nurse will call the phone number provided with the requested specialty service on the line.

Requesting provider (first and last name): \_\_\_\_\_
