Subject: Request to be considered a contributor to the work of the Global Alliance to Eliminate Lead Paint

My organization (Fendwall Paints & Chemical Products) endorses the goals and objectives of the Global Alliance to Eliminate Lead Paint and wishes to be considered a contributor to the work of the Global Alliance

The contribution that we would like to make to the work of Global Alliance is described below:

1. As a paint production company, Fendwall Paints will go into manufacturing of lead free industrial use paints while using an organic alternative (titaniumdioxide) to lead.
2. We will also create awareness through seminars and workshops while addressing major stakeholders in the paint industry of the dangerous effects of lead compound both to the environment and to our health.

Time frame of our contribution:

Through the entire period of our manufacturing and sale of paints, even after the vision 2020 is achieved, Fendwall Paints will continue the production of lead free paints until it goes completely into the manufacturing of eco-friendly paints.

I understand that this letter of intent is not legally binding and that a copy of this letter of commitment and the name (FENDWALL PAINTS & CHEMICAL PRODUCTS) will be publically listed on the Global Alliance web site.

Yours sincerely

Nnaji Peter Stella

CEO Fendwall Paints & Chemical Products
