ABC'S SELF DISCIPLINE POLICY AND COMPULSORY TRAVEL DECLARATION

You will all have read through the media the rapid spread of the Corona virus in Europe.

As a consequence, many countries have closed their borders.

In keeping with the desire to maintain a healthy environment for all members, their families and guests, from **midnight on Monday 16th March 2020**.

We will require all members entering the Club or before coming to the Club, to sign a self-declaration form, that neither they nor any of their family or guests have left Hong Kong within the past 14 days.

Any members or family or guests who have been out of Hong Kong in the past 14 days must not visit the Club until 14 days after their return to Hong Kong.

Philippe de Manny

General Manager

Ps: The declaration form will be available on line and digitally fillable as well as in every outlets and at the reception.
