Website Accessibility Policy

Donnelly College (the “College”) is committed to ensuring accessibility of its website for students, parents, and members of the community with disabilities.

Website Accessibility

The Vice President of Business Affairs shall establish and maintain procedures whereby students, parents, and members of the public may present a complaint regarding a violation of the Americans with Disabilities Act (ADA), Section 504 and Title II related to the accessibility of any official College web presence which is developed by, maintained by, or offered through the College or third party vendors and open sources.

With regard to the College website and any official College web presence which is developed by, maintained by, or offered through third party vendors and open sources, the College is committed to compliance with the provisions of the Americans with Disabilities Act (ADA), Section 504 and Title II so that students, parents and members of the public with disabilities are able to independently acquire the same information, engage in the same interactions, and enjoy the same benefits and services within the same timeframe as those without disabilities, with substantially equivalent ease of use; and that they are not excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any College programs, services, and activities delivered online.

All existing web content produced by the College, and new, updated and existing web content provided by third-party developers, will conform to Web Content Accessibility Guidelines (WCAG) 2.0, Level AA conformance, or updated equivalents, by June 30, 2017. This applies to all new, updated, and existing web pages, as well as all web content produced or updated by the College or provided by third-party developers.
