Mental Health for Families

In school, we regularly talk about the importance of keeping ourselves healthy. If you, as a parent/carer, are struggling with your own mental health, please consider looking at the information below.

- Mental Health Support | NottAlone - Services For Adults: Nott Alone has expanded to include information and service links for adults who are interested in finding out more about how to support their own mental health and emotional wellbeing. It is the same website as for children but you just add your age to get to the right information.
- Bottled Up Blokes – #TALKITOUT Specifically for men: this is a peer support group or football support session run within the community by volunteers. You may already be aware of it as one of the peer support groups, Bub Hubs, runs in Hucknall each Tuesday. There are also football sessions at Tibshelf and Bilborough – small-sided games and booking required via the website. The sessions look to be free, although the website asks for donations to keep them running.

Kindness Ambassadors

This week the kindness ambassadors have been making lovely Christmas cards for our neighbours around school. We will deliver these today to help spread a little Christmas kindness.

Book vending machine

All children were given a token this week to use in the vending machine as a Christmas gift from school. We hope everyone enjoys their chosen book!

We have been very fortunate to have received donations of new books from Usborne, TeacherActive and The Bookcase at Lowdham. All of these books have a label in to show they have been donated and they will be in the vending machine from January. Please have a look at the website for The Bookcase or pay them a visit – as a way of supporting smaller independent (and local!) businesses. Thank you. <https://www.thebookcase.co.uk>

Children In Need

Thank you for all the kind donations we raised £2130!! Children In Need have been in touch to say that they are experiencing some supplier issued which is affecting getting the 2024 run Pudsey medals to school. They expect this to be resolved in the new year. As soon as we have these, we will send them out with the children. Thank you.
