HR 00137

Rep. Joyce Mason

States that the new Department of Early Childhood and its planning process should prioritize appropriate attention to the facilities needs of our State's mixed-delivery system of early care and education. Additionally states that the State should move expeditiously to award its remaining Early Childhood Construction Grant monies to qualified applicants, to assist providers of critical birth-to-five programs in meeting their growing building-and-repair demands. Finally states that the State should also move as quickly as feasible to replenish Early Childhood Construction Grant resources to help Illinois achieve the long-term vision of the bipartisan Funding Commission for making services "simpler, better, fairer" for young children, their families, and communities statewide.
