2. Company/department:  Weeks (max. 8 Weeks)

Internship with interdisciplinary tasks within a company

The Advanced Internship has already been completed and recognised in my previous degree

programmme:

at the university:

I agree that the Internship Office of the Faculties of Mechanical Engineering and Electrical Engineering/Computer Science stores personal data as well as the e-mail address provided during registration. The data will be used exclusively for internal documentation. Further information can be found in the official privacy policy of the Gottfried Wilhelm Leibniz Universität Hannover.

I hereby confirm the authenticity of the certificates/documents submitted and declare that I have prepared the reports independently and without outside help. I acknowledge that a deliberate attempt at deception in accordance with § 18 Para. 1 of the examination regulations may result in the loss of the right to take the examination. By submitting the documents, I further agree that the Internship Office of the Faculty of Mechanical Engineering and the Faculty of Electrical Engineering and Computer Science may have the authenticity of the documents confirmed by the company named by me in cases of doubt and release the company from its duty of confidentiality with regard to such information.

I agree.
