## Chairman's Desk

It is my pleasure to congratulate you on your enrolling yourself as a student in our group of institution, which are well known for the discipline, quality education and personality development. Our students have excelled not only in academic activities by obtaining many university ranks but also have proved their mettle by taking part in curricular, co-curricular and extracurricular activities.

Presently, a knowledge explosion is being ushered in our midst especially in information technology, we are working with a vision of the future of India, to bring about progressive changes in Arts, Science, and Engineering & Technology which will bring progress and prosperity to our country. We are convinced that "Character is the crown and glory of life". We believe in quality education, progress through discipline, knowledge through devotion and satisfaction through service to the student community. We dedicated to meet the challenges of the new millennium in the field of medical and technical higher education so as to make our country a highly industrialized and healthy modern nation.

## Trust:

Moogambigai Charitable and Educational Trust was established in the year 1992 by the Honorable Chairman Sri A.C. Shanmugam, B.A., L.L.B. with the sole objective for starting institutions of higher education for exemplary stature to serve the people of Karnataka.

## VISION:

### Why do you prefer professional Education?

Because of

- Continuous pursuit of excellence
- Acquiring the state of the art-know how
- Imbibing excellent-in-the-job skills
- Activation of open and positive attitudes
- Making Universal ethical values at work ethics
- Keep continuously learning-life long.

To incorporate advanced professional nursing skills & collaborate with clients, families, significant others & health care providers in creating qualitative improvement in managing patient care.

## Motto:

**"Concentration brings perfection in all activities of life".**

**RajaRajeswari college of Nursing  
Kambipura, Mysore Road, Bangalore-74**

## Sharing inspiration:

RajaRajeswari college of Nursing has come up gloriously in a 1 lakh sq.ft of own land with its Own, well planned college building. The college was established in 2004 and initially GNM & Basic B.sc Nursing programme was formulated in training years as professional Nurses for meeting the health needs of the country. The college is adorned with full strength of highly qualified and experienced teaching faculty, who dedicate their time and effort in educating the students. It is one of the distinguished Nursing Institutions for developing competent Nurses who can provide Quality services to their client holistically, naturally & globally

This was done in an effort to uplift the status and standard of Nursing profession as recommended by the Indian Nursing council. The number of seats have been increased from 50 to 100 per year in order to meet the needs and expectations of the health care consumers and to combat the shortage of Nurses in the country as well as to improve the quality of nursing service globally.

## MISSION:

The mission of RRCON is aimed at integration of to implementing and providing quality nursing education, & services result in professional up gradation. It is also important to prepare the graduate nurses to function in the direct care of clients by providing protective, supportive & conducive environment. The program prepares student nurses from varied ethnic and cultural background with the knowledge & technical skills necessary to assure the role of a caring professional nurse.

The most vital event of post graduate program is to develop research for bright future through education. The college strives to implement innovative strategies delivering future oriented technologically advanced education. The college values its reputation of excellence & invites partnerships with other degree programs to facilitate higher education. Graduates of the college are encouraged to participate in lifelong learning pursue advanced degrees & become nursing leaders in all setting where health care is delivered.

To develop a world class institution in the field of Medical, Dental, Engineering, Management, paramedical and Emerging technologies with highly developed educational infrastructure, excellent faculty to provide a state-of -art in teaching and learning process and to effectively harness the human capabilities and their intellectual assets of sustainable competitive advantage.

## Infrastructure Facilities

### Class Rooms:

We have adequate, spacious, well ventilated class rooms attached with appropriate AV Aids.

### Clinical Placement:

The Students are given an opportunity to practice, in various units of Parent and Affiliated Hospitals for integration of learning concepts into practice.

### Science Lab for experimentation: Anatomy and Microbiology Lab:

Anatomy lab is designed for the exploration and dissection of various structures. The laboratory has a collection of human Skeleton, Specimens of different parts of the human body, models, manikins, simulations, audio-video CDs and Charts.

### Microbiology lab:

Has adequate number of different types of microscopes, slides and other equipments to facilitate learning.

### Nutrition Lab:

Is well furnished and equipped with cooking facilities where students learn preparation of various therapeutic and normal diets.

### MCH Lab:

MCH lab is designed for students to appreciate the concepts and principles of obstetric nursing. The MCH lab is equipped and furnished with birthing simulators, obstetric manikins, infant, manikins, instruments and models of all kinds.

### Community Health Lab:

The college provides both urban and rural community health nursing field experience for the students. The urban centre is attached to RajaRajeswari Medical College & Hospital. The rural centre is at village Ittamadu that is within a distance of 15 km from the college. It has residential facilities for accommodating 50 students and staff.

### Audio Visual Aids: Chinese Proverb:

" If I hear I forget  
If I see I know  
If I do I remember "

The college has the latest audio visual aids such as LCD projector, Computers, DVD player, CD player, T.V. Public address system. Camera, Printed materials and pamphlets and leaflets, Over head projectors, Slide projector, tape recorders audio video tapes, CDs, models, charts, manikins and real objects.

### Auditorium:

There is a newly constructed attractive auditorium with a seating capacity of 2000 seats. Well-designed stage with soft touch operated curtain system, modern high tech sound and light system.

### Library:

It is the pulse of the institution without a library the institution becomes unconscious. We have a beautiful library where students can devote their precious hours breathing education and assimilating knowledge referred. We have spacious library with comfortable seating capacity, adequate books, journals & periodicals which is easily accessible for students & faculty.

### Computer Lab:

We need to progress with age and technology. Computer education has become an integral part of our modern education system. Students are provided qualified instructors to guide the student in mastering in this field of education. It also enhances provision for internet access which keeps update with the changes and challenges in their professional and personal avenue. Facilities are available for students to browse information on the web during their project marks, case studies, and seminars and other presentations.

### Residence:

We strongly believe in healthy living practices. There is a well furnished hostel for the student and a qualified warden to take care of the students. Laundry, mess, recreation facilities are provided for students comfort.

### Canteen:

The canteen in the campus provides food items such as meals, snacks, sweets, beverages and other daily needy items.

### Transport:

We have 6 buses, 10 minibuses for convenient safe transport facility for students & staff members.
