

Social Media Guide

for Schools to Communicate Upcoming Oral Health Visits

Public Health Units in Ontario are mandated to work with their local schools to offer Oral Health Screening for students as described in the School Notification letter.

In addition to distributing Caregiver Notifications, schools can share the messages below on their social media platforms or family communication channels if they wish.

Hey caregivers! Dental screenings were done today with certain classrooms by the health unit dental team. Check your child's backpack for their screening results.

If you have any questions or concerns, please contact your local health unit:

- Timiskaming Health Unit: 1-866-747-4305
- Porcupine Health Unit: 1-800-461-1818

No student should suffer with tooth pain. School dental screenings help connect eligible children with free dental services. For more information, contact your local health unit:

- Timiskaming Health Unit: 1-866-747-4305
- Porcupine Health Unit: 1-800-461-1818
