

SENIOR PORTRAITS

PHOTOGRAPHY SESSION INFORMATION

To The Students and Families of The Class of 2025

Welcome! We are here to help you prepare for the upcoming year. In the next two months, you will be required to visit our studio to have your drape or tuxedo photo taken for the yearbook and the composite. Since your tuition now covers photographic services, there will be no charge to have your photo taken in the month of June or July. There will be a \$50 late fee for photo sessions scheduled in August. We will also be offering additional Senior photo sessions if you want more than just the school-required drape or tuxedo shots. The Lifestyle Session (retail \$125) allows for three additional outfits and props/people that may best illustrate your personality. We will shoot 80 -100 shots including outdoor locations. The Destination Session (retail \$225.00) allows for everything included in the Lifestyle Session, unlimited changes of clothes, and an additional location of your choosing in a 25-mile radius of our studio.

Here's how you do it:

1. Go to: <https://shop.studioillumination.com>
2. Click **"Appointments"** at the top of the page
3. Pick your desired appointment type and select **"Book Now"**
4. You have a \$50 credit to apply to any of the sessions via the coupon code: **HCCHS202550**.
Once you go to the checkout, look for the **"Redeem Coupon"** button and type the above coupon code to reduce your charges by \$50.

What To Do Before Your Session

Let's make this easy. We provide the drape or tuxedo shirt, jacket and tie. Guys, **bring a plain white undershirt and black pants if you have them**. Ladies, wear something strapless that can come off the shoulders. Remember to **bring your class ring**. Forgot to bring black pants? No worries! We can add the small amount of necessary material over any exposed leg or other colored pants seen in the photo. Moms and/or dads should be camera-ready too! You will receive a bonus digital file of your favorite shot of the two of you at no charge.

Where To Go

Our studios are located at **640 S. 4th Street** on the same block with the **Louisville Palace** and the **Brown Hotel**. Parking is available on the street or in the parking lots adjacent to these landmarks. Our office is on the second floor immediately off of the elevator in **Suite 220**. Check in with the front desk, we will gather your drape or tuxedo parts and your session will be underway within a few minutes. We typically only need 15-20 minutes to execute your session once you have been checked in.

If you have chosen the Lifestyle Session, We will start with your tuxedo and work our way to our **Studio Underground** and the many unique photo spaces surrounding our building.

How To View Your Photos

Usually, **2-3 business days after your shoot**, you will receive an email with a link to your private, personal gallery. It will show you all your options for purchasing files as you click on the images. New this year, whatever selection you make for the yearbook will be retouched and made available to you as a digital file at no charge. Please make that decision before school resumes in August. If you cannot decide which image(s) you like best, you can have them all on a USB drive for only \$100 for a Yearbook Session, \$150.00 for a Lifestyle Session or \$200.00 for a Destination Session.
