JoinNow WiFi Registration for iOS Users

Before using the Zionsville Community Schools WiFi you must enroll your device using the "ZCS-Enrollment" network. You will be unable to browse the internet while connected to this network.

- 1. Connect to the "ZCS-Enrollment" wireless network and a window will appear
 - a. If a windows does not appear, open a browser and go to a website such as abc.com
- 2. Click "Continue" then click "Open"
- 3. Enter your ZCS credentials (same login used for Canvas) and then click "JoinNow"
- 4. Click "Allow" then "Close"
- 5. Go to "Settings" > "General" > "Profiles" > "Allow Wifi connectivity..." > "Install"
- 6. Enter your passcode used to unlock your device if required
- You will then see a warning about installing, continue by clicking on "Install" again and click "Done"
 a. If you receive an "SCEP Server error" simply try installing the profile again
- 8. Go back to "Settings" > "General" > "About" > "Certificate Trust Settings"
- 9. Slide the slider to trust "Zionsville Community Schools" and click "Continue"
