

**LOVELL J. HONISS SCHOOL  
DUMONT, NEW JERSEY  
LUNCHROOM  
GRADES K-5**

July 2023

Dear Parents/Guardians,

We want to make the lunch hour pleasant, safe and relaxing for all. Large numbers of children remaining in school for lunch presents us with the difficulties of a crowded and noisy lunchroom for an hour and five minutes.

While every effort is made to make the lunch hour not only a safe but pleasant experience, the option of a relaxed quiet time at home may be more beneficial to your child's total school experience.

In order to keep attendance records, we are asking that you complete the attached form and return it to the main office no later than **August 15, 2023.**

Please understand that on any day you wish to have your child eat other than where indicated on this form, a note must be sent to school that morning.

Thank you for your cooperation.

Sincerely yours,

Dr. Karen V. Bennett  
Principal
