

JoinNow WiFi Registration for Windows 10

Before using the Zionsville Community Schools WiFi you must enroll your device using the "ZCS-Enrollment" network. You will be unable to browse the internet while connected to this network.

- 1. Connect to the "ZCS-Enrollment" wireless network
- 2. A browser window should pop up (if not, navigate to a website such as abc.com)
- 3. Click "Join Now" to start the download process
- 4. Open the file once the download is complete
- 5. If you get a screen that says "Smart Scan cannot be reached" click "Run"
- 6. A new dialog box with the SecureW2 logo will pop up
- 7. Enter your ZCS credentials (same used for canvas or ZCS portal) and click "Next"
- 8. Follow the prompts when asked about additional software installation
- 9. Verify that your device has connected to "ZCS-WIFI2"
