As Southeastern Conference women's soccer starts its 31st season in 2023, the conference has firmly established itself as one of the premier conferences in soccer.

While the sport has grown exponentially across the nation, the Southeastern part of the country has been a leader.

The SEC had a record-tying teams selected to participate in the 2022 NCAA Tournament. Seven of those teams earned national seeds.

Over the last six years, the SEC has earned 44 NCAA Tournament bids – an average of more than seven per year – with all 14 member institutions making at least two appearances during that span. Eight different SEC teams have advanced to the Round of 16 since 2013 and the league has placed teams in the NCAA quarterfinals in each of the last nine seasons.

Alabama won the 2022 SEC Championship with a 10-0-0 league record. South Carolina earned its third SEC Tournament championship with a 1-0 win over Alabama in Pensacola, Fla.

The SEC's balance has been shown in league play as six different teams – Alabama, Arkansas, Florida, South Carolina, Texas A&M and Vanderbilt – have won SEC regular season titles in the last 12 seasons. Also, seven different teams – Auburn, Florida, LSU, South Carolina, Tennessee, Texas A&M and Vanderbilt – have won SEC Tournament championships since 2011.

In 2022, Alabama's Wes Hart was named SEC Coach of the Year honor; Riley Mattingly Parker was voted SEC Scholar Athlete of the Year and SEC Forward of the Year; Alabama's Felicia Knox was selected as SEC Midfielder of the Year; Alabama's Reyna Reyes was voted SEC Defender of the Year; Ole Miss's Ashley Orkus was picked as the SEC Goalkeeper of the Year; and Alabama's Giana Paul was awarded SEC Freshman of the Year.

Seven SEC players earned All-America honors from the United Soccer Coaches, including first team selections Mattingly-Parker and Reyes. South Carolina's Jylissa Harris earned second team honors while Knox, Georgia's Abby Boyan, Tennessee's Taylor Huff, and Arkansas's Anna Podojil were third team picks.

SEC's players have garnered 73 All-America awards from the United Soccer Coaches since 2011. SEC players have earned 18 first team All-America honors during that time and three have earned multiple first team honors (South Carolina's Sabrina D'Angelo in 2013 and 2014; South Carolina's Savannah McCaskill in 2016 and 2017; and South Carolina's Fisk in 2018 and 2019).

Knox was named the 2022 College Sports Communicators Academic All-America Team Member of the Year in addition to being a first team selection. Joining her on the first team were Mattingly Parker, Mississippi State's Maddy Anderson, and Alabama's Gessica Skorka. Harris, Reyes, Georgia's Madison Haugen, Auburn's Anna Haddock, and Alabama's Kat Rogers were 2022 Third Team CSC Academic All-America selections. Harris, Reyes, an Mattingly-Parker were named the United Soccer Coaches First Team Scholar All-America. A record 48 SEC players earned CSC Academic All-District honors this past season.

The SEC led the nation during the 2022 regular season in attendance by averaging 1,145 fans per game and in total attendance (153,474). The SEC has had at least five teams rank in the Top 25 nationally in attendance in 10 of the last 11 years (not counting the COVID affected 2020 campaign). South Carolina and Texas A&M have both ranked in the top six in each of the last eight years.

The incremental growth, combined with increasing exposure on the national and regional scene, has SEC women's soccer looking to blossom to new heights in the year 2023 and beyond.

In 2022, the SEC boasted ...

- Two MAC Hermann Semifinalists
- Nine College Sports Communicators Academic All-America
- 48 College Sports Communicators Academic All-District picks
- Nine programs earning United Soccer Coaches' College Team Academic Awards
- Six United Soccer Coaches' All-Americas, including three first team selections
- 24 student-athletes on the United Soccer Coaches' All-Region teams
- Nine teams advancing to the NCAA Championships
- Two teams in the NCAA Quarterfinals and one team advancing to the NCAA Semifinals
- At least one team in the NCAA Quarterfinals for the ninth consecutive year
- Eight different schools have made Round of 16 appearances over the last 10 years

SEC TOURNAMENT

PENSACOLA, FLORIDA

There shall be a single-elimination tournament of the top ten teams played at the conclusion of the SEC regular-season schedule. The tournament champion shall be the SEC representative to the NCAA championship.

The top ten teams with the highest point total, regardless of divisions, will participate in the tournament, with the two division champions serving as the top two seeds. The following point system is utilized to determine regular season standings and seeding for the tournament: a win counts as three points, a tie as one, and a loss as zero points. If a game(s) is cancelled, neither team will receive a point and the standings will be determined by average points per game. The tournament shall be played in a Sunday-Tuesday-Thursday-Sunday format with Monday, Wednesday, Friday, and Saturday designated as off/practice days.

Tie-Breaker Procedures

The tournament will be seeded 1-10 based on the point system implemented to determine regular season standings. The two division champions shall be the top two seeds. If teams are tied, the following procedures, in order as follows, will be used to break the tie:

1. **Two-Team Tie:** The following procedure will be used in the following order until the tie is broken:

- Head-to-head competition between the tied teams.
- Points earned versus common opponents.
- Goal differential versus common opponents.
- Goals scored versus common opponents.
- Won-Lost record of the two teams versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Goal differential versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Goals scored versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Coin flip by the Commissioner.

2. **Three-Team Tie (or more):** The following procedure will be used until the tie is broken. If at any time this tie breaker results in only two remaining tied teams, then the two-team tiebreaker will be used beginning with Subsection A in that procedure and continuing from that point:

A. If all teams have played one another, then most points earned in those matches only.

B. If all teams have not played, but one team has defeated all teams in the tie break, then that team breaks the tie and shall be placed highest. Remaining teams will continue with the tie break procedure.

C. If all teams have not played one another and a team does not have all wins over the tied teams, then use Subsection B in the two-team tie break procedures and continue through the two team tie-break procedures until ties between all teams are broken (except Subsection H will read "if three or more teams are still tied, the Commissioner will conduct a draw").

Note: From 1993-99, the winner of the SEC Tournament was declared SEC Champion and beginning with 1995 received the SEC's NCAA automatic selection. The SEC went to a divisional format in soccer in 1995 and began awarding divisional champions. From 2000-03, the SEC Champion was determined by the team with the best winning percentage after the regular-season conference matches. Starting in 2004, the SEC Champion was determined by the team with the most points after the regular-season conference matches. Teams are awarded (3) points for a win, (1) point for a tie and (0) points for a loss in SEC matches.
