

STATEMENT BY STEVEN SEAGAL CONCERNING
LAWSUIT FILED BY KAYDEN NGUYEN

The lawsuit filed by Kayden Nguyen against Steven Seagal is a ridiculous and absurd claim by a disgruntled ex-employee who was fired for using illegal narcotics. The claims in her lawsuit are a complete fabrication without a scintilla of truth. Steven Seagal's attorney Marty Singer stated that "I am extremely confident this meritless lawsuit will be dismissed. Ms. Nguyen filed her lawsuit without even notifying Steven Seagal or his representatives of her alleged claims because she was aware that claims could be asserted against her based on her own conduct. Her lawsuit is nothing more than a preemptive strike by a disgruntled ex-employee."
