COMPANY PROFILE

Founded in 1974, Alibert Products Nig Ltd is now one of the largest family owned furniture manufacturers in West Africa. it has a production area of 20,000 square metres in Ikotun-Egbe and a sound 20,000 square metres factory located at IDU Abuja. From 2001-2007 we have had factory expansion from 10,000sqm to 40,000sqm to provide more warehousing and a better sectioning of departments for higher productivity to feed the growing demand for our products across Nigeria. Today, the company employs more than 1,000 people in Nigeria and Ghana; with 9 showrooms in these countries. We are the number one Furniture Manufacturers in WEST AFRICA and still the only one to export furniture products to West African Countries (Benin, Ghana, Ivory coast and Senegal). Our vision is to reach the whole of Africa...
