All our food and water products are approved by the U.S. Department of Homeland Security and the United States Coast Guard. They are non-thirst provoking, they withstand temperatures of 22° F to 149° F (- 6° C to 65° C), and they all have a 5 year shelf life, so you don't have to worry about spoilage. MOST IMPORTANTLY, they are all manufactured right here in the USA under strict quality control. Protect your family and feel secure in the quality of products you are purchasing.
