

Discrimination is Against the Law

American Health Imaging complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex characteristics, including intersex traits; pregnancy or related conditions; sexual orientation; gender identity, and sex stereotypes. American Health Imaging does not exclude people or treat them less favorably because of race, color, national origin, age, disability, or sex.

American Health Imaging:

- Provides people with disabilities reasonable modifications and free appropriate auxiliary aids and services to communicate effectively with us, such as:
 - Qualified onsite interpreters, video remote interpreting services (VRI), and other computer-aided transcription services
 - Written information in other formats (large print, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
 - Qualified onsite interpreters, video remote interpreting services (VRI), and other computer-aided transcription services

If you need reasonable accommodations, appropriate auxiliary aids and services, or language assistance services, contact the Civil Rights Coordinator at compliance@usradiology.com.

If you believe that American Health Imaging, has failed to provide these services or discriminated in another way based on race, color, national origin, age, disability, or sex, you can file a grievance with:
