The 21st District Spring Convention of the Texas American Legion is only twenty-four (24) days away.

We need your Post's presence and participation in San Angelo, for this weekend of dynamic training.

This annual conference will augment you and your posts ability, to achieve greater successes.

We have diligently prepared a vibrant symposium, encompassing a series of training and educational presentations, by several guest speakers.

Please make time in your busy scheduled to attend this forum, designed to encourage, and excite your representatives, in an educational yet colloquial manner.

Our multiple speaker presentations are reinforced with distributed materials effectively clarifying the content and are re-usable by you, back at your home posts.

Your generous and gracious efforts will be enhanced in support of the goals of The American Legion.
