

# **Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution**

## **Report by the Director-General**

### **STATUS OF COLLECTION**

1. In order that WHO may deliver the approved programme budget, contributions from Member States must be received in full and on time. Under Financial Regulation 6.4, all Member States are required to pay their contribution as of 1 January of the year to which it relates.
2. Contributions for 2018 were received, either in full or in part, from 133 of the 196 Members and Associate Members (compared with 151 Members and Associate Members in 2017).<sup>1</sup> Details of amounts assessed and collected are shown in Annex 1.
3. Unpaid contributions as at 31 December 2018 amounted to US\$ 66.0 million and Sw.fr. 66.1 million (constituting a combined total of US\$ 132.9 million) with a further US\$ 20.3 million due under special arrangements authorized by the Health Assembly (compared with US\$ 175.5 million (combined total) and US\$ 26.4 million (due under special arrangements), respectively, at 31 December 2017). Details of payments made as at 31 December 2018 under special arrangements are shown in Annex 2.

### **MEMBERS' CONTRIBUTIONS RECEIVED IN ADVANCE**

4. As at 31 December 2018, some Members had made advance payments, either in full or in part, against their regular budget contributions for 2019 and future years. In total, contributions received in advance as at 31 December 2018 amounted to US\$ 47.5 million (US\$ 51.8 million at 31 December 2017). Advance payments are detailed in Annex 3.

### **MEMBERS IN ARREARS AND SPECIAL ARRANGEMENTS**

5. Article 7 of the Constitution states that, if a Member fails to meet its financial obligations to the Organization, the Health Assembly may suspend the voting privileges to which a Member is entitled. If, at the time of the opening of the Health Assembly, a Member is in arrears in an amount that equals or exceeds the amount of contributions due from it for the preceding two full years, the Health Assembly

takes a decision on suspension of the Member's voting privileges in accordance with resolution WHA41.7 (1988).

6. In accordance with previous Health Assembly resolutions, the voting privileges of the following six Member States continue to be suspended: Central African Republic, Comoros, Gambia, Guinea-Bissau, South Sudan and Ukraine. Details of the amounts outstanding are provided in Annex 4. The suspension is to continue at the Seventy-second World Health Assembly (in 2019) and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

7. In accordance with resolution WHA71.10 (2018), if, by the time of the opening of the Seventy-second World Health Assembly, Cameroon and Venezuela (Bolivarian Republic of) are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall also be suspended as from the opening. Details of the amounts outstanding are provided in Annex 4. The suspension will then continue at the Seventy-third World Health Assembly (in 2020) and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

8. Annex 2 lists the 11 Member States that currently have special arrangements for repayment of arrears approved previously by the Health Assembly. Payments amounting to US\$ 6.6 million were received in 2018 (compared with US\$ 4.1 million in 2017) in accordance with these special arrangements. Eight of the Member States concerned have respected their commitments under these arrangements. Three Member States, the Central African Republic, Dominican Republic and Ukraine, have not met their commitments. Of those three Member States, the Central African Republic and Ukraine have already had their voting privileges suspended. In the case of the Dominican Republic, unless further payment is made by the opening of the Seventy-second World Health Assembly, it will lose its voting privileges.

9. As at 2 April 2019, eight Member States, namely Congo, Egypt, Nauru, North Macedonia, Paraguay, Senegal, Sudan and Tonga, were in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as listed in Annex 4. One Associate Member, Puerto Rico, was also behind with its assessed contributions.

10. Pursuant to resolution WHA41.7, unless there are exceptional circumstances justifying a different measure, the Seventy-second World Health Assembly may wish to adopt a resolution deciding that the voting privileges of the eight Member States mentioned in paragraph 9 will be suspended as from the opening day of the Seventy-third World Health Assembly, if at that time the Member States concerned are still in arrears to an extent that would justify invoking Article 7 of the Constitution.

11. Member States in arrears of payment to the extent referred to above are encouraged to submit proposals to the Health Assembly for repaying such arrears over an extended period. Such proposals for special arrangements are considered by the Programme, Budget and Administration Committee of the Executive Board, which subsequently makes its recommendations to the Health Assembly. To date, no new proposals have been submitted for consideration in 2019.

## **ACTION BY THE HEALTH ASSEMBLY**

12. No action is required by the Health Assembly in respect of those Members whose voting privileges have already been suspended under previous Health Assembly resolutions.

13. The Health Assembly may wish to consider the following draft resolution in respect of Congo, Egypt, Nauru, North Macedonia, Paraguay, Senegal, Sudan and Tonga, in accordance with the principles stated in resolution WHA41.7:

The Seventy-second World Health Assembly,

Having considered the report on status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, and special arrangements for settlement of arrears;<sup>1</sup>

Noting that, at the time of opening of the Seventy-second World Health Assembly, the voting rights of Cameroon, the Central African Republic, Comoros, Gambia, Guinea-Bissau, South Sudan, Ukraine and Venezuela (Bolivarian Republic of) were suspended, such suspension shall continue until the arrears of the Member States concerned have been reduced, at the present or future Health Assemblies, to a level below the amount that would justify invoking Article 7 of the Constitution;

Noting that Congo, Dominican Republic, Egypt, Nauru, North Macedonia, Paraguay, Senegal, Sudan and Tonga were in arrears at the time of the opening of the Seventy-second World Health Assembly to such an extent that it was necessary for the Health Assembly to consider, in accordance with Article 7 of the Constitution, whether the voting privileges of those countries should be suspended – for Dominican Republic at the opening of the Seventy-second World Health Assembly in 2019, and for the remaining eight Member States at the opening of the Seventy-third World Health Assembly in 2020,

DECIDES:

(1) that, in accordance with the statement of principles set out in resolution WHA41.7 (1988), if, by the time of the opening of the Seventy-third World Health Assembly, Congo, Egypt, Nauru, North Macedonia, Paraguay, Senegal, Sudan and Tonga are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended as from the said opening; and, in accordance with resolution WHA59.9 (2006), if, by the time of the opening of the Seventy-second World Health Assembly, Dominican Republic is still in arrears in the payment of its rescheduled assessment, its voting privileges shall be suspended automatically;

(2) that any suspension that takes effect as set out in paragraph (1) above shall continue at the Seventy-third World Health Assembly and subsequent Health Assemblies, until the arrears of Congo, Dominican Republic, Egypt, Nauru, North Macedonia, Paraguay, Senegal, Sudan and Tonga have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution;

(3) that this decision shall be without prejudice to the right of any Member to request restoration of its voting privileges in accordance with Article 7 of the Constitution.
