The flowers of that planet do not wither, its greenery never fades. Its skies are never disturbed.

All results from the power of the Yggdrasil that has grown from the mighty earth, and so this planet is known as a paradise.

The name of this planet is.....

Will the second capsule slumber in the garden of paradise?!

GRINGARD!!

Whoa! Our destination's that great of a place?!

I'll be lookin' forward to it, then!

Yes, well this is a legend we're talking about. We can safely assume that it won't be exactly like that.

Anyway, planet Rakso was the worst!

I've had enough of the hot planets already!

Big Convoy, I heard the next planet is a garden paradise?!

. . . .

That's right.

PLANET GRINGARD

*WHSHHHHHH

YOU BASTARD! YOU CALL THIS A GARDEN PARADISE?!

Well, isn't this paradise to a penguin like you?

The surface is made up of closely packed icebergs extending more than 20,000 meters above sea level.

Average temperature is negative 40 degrees celsius.

Your mission is to find and retrieve the Angolmois capsule, same as last time...

But this time...

...I'm making Stampy the mission leader!

WHAT ?!

Waitaminnit! I'm the leader!!

No, I'm supposed to be the leader!

Sir, he's right. I'm not... I just can't.

MOBILIZE NOW, SOLDIERS!

U W A A !!

*THUD!

I don't get it, why is Stampy...

I'm ALWAYS the leader...

. . . . . .

!

TAP

You're much more suitable than that fool penguin or coward giraffe.

Corada... . . . .

Hey, wait!

What's Big Convoy doing?

That bastard, he's just gonna sit back and relax again!

Making us do the work while he takes a nap...

Slaggin' sonuva...!

Navi, when I give the signal, pull up quickly.

WHIRR

KA-CHAR

Just as I expected...

*ShuuUUUuuuu...

Lord Magmatron, the preparations for warp-out and simultaneous attack are ready.

Their arrival has been taken care of as well.

Sorry,

Eh?

A funny
trait for a
bird...

I'm a bird
that doesn't
fly!

Not that
I'm proud
of it or
anything!

YO!
You really
think there's a
capsule in a
place like this?

Well, leader!?

There's no doubt!

It's in the vicinity
of the mountain
peak!

Let's
Hurry!

HOP

HOP

HOP

Ah. Now I see
why Stampy
was chosen to
be leader...

Even though
I'm usually
so clumsy...

It looks like
I'll be able
to get some
work done
today.

Probably because I
grew up in a place
that got a lot of
snow, like this
planet.

WAH!

Excellent, Big Convoy.

*CLAKK

I see you haven't gotten rusty!

If you're not going to kill me, maybe I should think about retiring.

Very well... In that case, I shall make this frozen planet your grave.

Like yourself, this world was born and shall perish a frigid wasteland.

What of my creation do you...!?

TRANS-FORM!

I- I'm too afraid...

PFH

*tremble...

Dammit Stampy,

TRANS-FORM!

...but how can I possibly fight on this kind of terrain...?

Hey, just quit whining and do it!

If you're going to fight amongst yourselves, then I shall start the battle!

DOUBLE MISSILES

*THT-CHAK

TRANS-FORM!

Dammit Stampy,

If you're going to fight amongst yourselves, then I shall start the battle!

DOUBLE MISSILES

*THT-CHAK

Eh?**NO!**
Don't use your guns!

The shock from the explosions could cause an avalanche!!

He doesn't know what he's talking about...

Heh heh heh... The little bunny knows all too well.

Unless they wish to get buried in the snow, using their weapons would be a poor choice indeed.

What a shame they don't have beautiful wings like mine...

How I pity them.

*CHAK

Especially a bird that can't fly, like you!!

OWI

OWI

OWI

*TAK

Whatever the path they choose, their fate will be to fall to their deaths!!

An easy 5 million gold...

PTOOE

I shall pierce your heart with the Ancient Avian Blade of the Dragon World!

EN GARDE!

Don't worry, this will only take a moment. I'll be gentle... Oh, that just sounds icky.

I'm done for!

MOM!

If I die, I'll never see my mother again!

Stampy, dearest... we of the rabbit race don't have sharp fangs or brute strength to fight with. Instead, God has given us sharp ears for listening, agile bodies, and strong hind legs that can jump faster and higher than anyone else...

MOM..!!

This is how I will use the gifts that God has bestowed upon me!

God, please help me to leap high!!

He's gone...

If something happens, don't try to do the impossible, just do your best to run away and survive!

*JUMP

STAMPY MOONSAULT SLASH!!

*RRRUMMMBLE

You know about my past...!?

What are you fighting for, Big Convoy!?

Like you said, I don't have anyone...

...so I can only believe in...

!

*CHK

Hn hn... Well, perhaps

You no longer believe in Cybertron justice...

You have no family to protect..

KLAK

*SHA-DOOOOM

*ドドドド

Why do I, really...?

Big Convoy? Is something wrong?

No...

I wonder why the snow stopped falling so suddenly....

BIG CON-VOOOY!

*SHZOOOM

*DA-DUUUN!

We did it!
We did it
using only our
own powers!

How do ya like
that, Big Convoy!!

It seems that the Angolmois capsule was suppressing the Yggdrasil's power.

The boys turned this planet back into a paradise...

They performed well... considering it's them...

TO BE CONT.
