Oskaloosa City Monthly Meeting, Iowa

(Established 1892)

Record books: Membership, 1892-1894
 Minutes, 1866-1894
 1892-1894
 Hinshaw notebook 177

History:

Oskaloosa City MM was est in 1892, and was located on High Ave. East. In 1894 it was merged with the Oskaloosa MM. The records were directed to be trans to Oskaloosa QM. The meetings were held in the old YM House, later in the College Chapel--from 1903-1913, during which time it was called College Chapel Meeting. The new meeting house was built in 1913-1914 and since that time all meetings have been held there.

The Oskaloosa Friends' burying ground adjoins the old YM grounds on the north and is still used.

Oskaloosa City PM was organized into a MM by Oskaloosa QM held 2-27-1892 according to a new discipline adopted by YM by which all PM's were to be made a MM or discontinued. Oskaloosa City MM to be opened and held in Oskaloosa City Meeting House the last fifth day in each month.

- 11-25-1865 Oskaloosa City PM established by Spring Creek QM & MM.
- 12-24-1865 Oskaloosa City PM opened with Henry P Ninde, clerk for the day.
- 6-25-1873 Oskaloosa City PM incorporated under laws of State of Iowa.
- 3-25-1874 Req for new MM composed of Oskaloosa PM, Oskaloosa City PM & Mahaska PM.
- 3-31-1892 Oskaloosa City MM organized by Oskaloosa QM 11-28-1891, opened with Seth P Hawkins, clerk for the day.
- 11-29-1894 Oskaloosa City MM united with Oskaloosa MM by Oskaloosa QM and called Oskaloosa MM

THE UNIVERSITY OF CHICAGO
DEPARTMENT OF CHEMISTRY
530 SOUTH EAST ASIAN AVENUE
CHICAGO, ILLINOIS 60607

TO THE HONORABLE CHAIRMAN
OF THE BOARD OF TRUSTEES
OF THE UNIVERSITY OF CHICAGO
530 SOUTH EAST ASIAN AVENUE
CHICAGO, ILLINOIS 60607

Dear Sirs:

I am pleased to inform you that the
Department of Chemistry has
received a grant from the
National Science Foundation
for the purchase of a
spectrophotometer.

The grant is for the amount of
\$10,000.00 and will be used
to purchase a spectrophotometer
of the type recommended by
the Department of Chemistry.
I am sure that this purchase
will be of great benefit to
the Department and to the
University of Chicago.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be clearly documented and supported by appropriate evidence. This includes receipts, invoices, and other relevant documents that can be used to verify the accuracy of the records.

The second part of the document outlines the various methods used to collect and analyze data. It describes how different types of information are gathered, processed, and then used to draw conclusions. This involves a systematic approach to data collection, ensuring that all relevant information is captured and analyzed thoroughly.

The third part of the document focuses on the interpretation of the results. It explains how the data is analyzed to identify trends, patterns, and anomalies. This step is crucial for understanding the underlying causes of the observed phenomena and for making informed decisions based on the findings.

The fourth part of the document discusses the implications of the research. It explores how the findings can be applied in practice and what they mean for the field of study. This involves a critical evaluation of the results and a discussion of their broader significance.

The fifth part of the document provides a summary of the key findings and conclusions. It highlights the most important results and offers recommendations for future research. This section serves as a concise overview of the entire study and its contributions.

The sixth part of the document contains a list of references and a bibliography. It provides a comprehensive list of the sources used in the research, allowing readers to locate the original works and verify the information presented in the document.

The seventh part of the document includes a list of appendices and supplementary materials. These materials provide additional information and data that support the main text but are too detailed to include in the main body of the document.

The eighth part of the document contains a list of figures and tables. These visual aids are used to present complex data in a clear and concise manner, making it easier for readers to understand the results of the research.

The ninth part of the document includes a list of footnotes and endnotes. These notes provide additional information and clarification on specific points mentioned in the text, ensuring that the reader has a complete understanding of the document.

The tenth part of the document contains a list of acknowledgments and a thank you note. This section is used to express appreciation to the individuals and organizations that provided support and assistance during the course of the research.

Stockport Monthly Meeting, Iowa

(Established 1911)

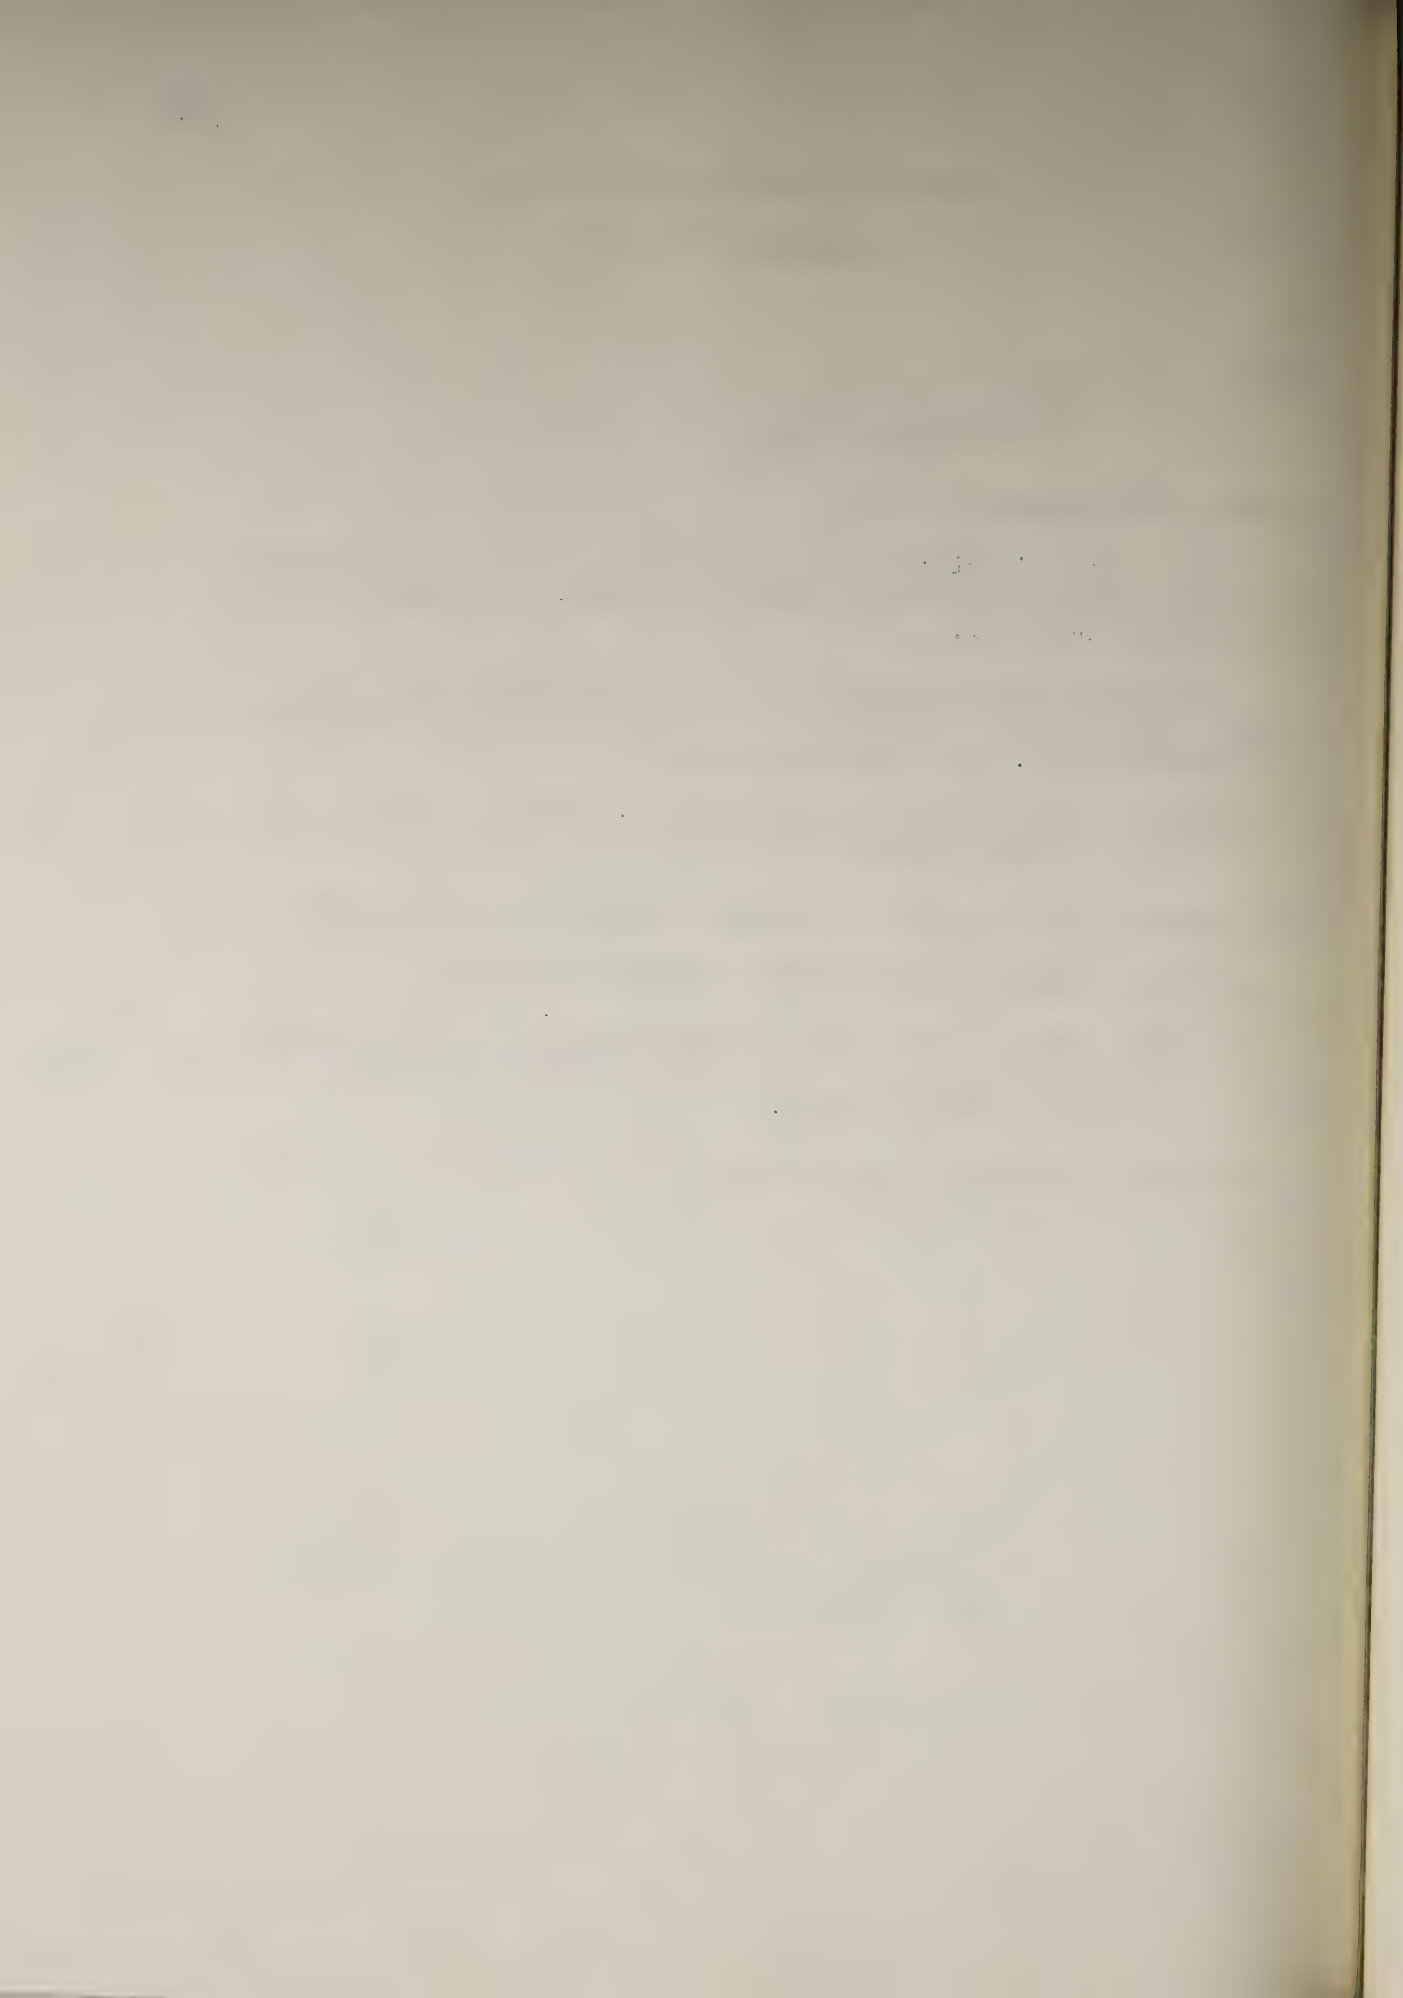

Record books: Membership
 Minutes, 1911-1932
 Hinshaw notebook, 233

History of Stockport (IA) MM:

This MM was in with Hickory Grove for some time, holding their meetings first at one place, than at the other. Stockport used to be in with Chestnut Hill.

"Stockport MM of Friends Ch was organized 12-7-1911." As their "fields of work were so different" Stockport and H Grove separated into two separate MM's, 2-2-1922, but in unity.

- 2-23-1915 Clerks apptd at Hickory Grove: C J Bowles (minister) & Amanda Coltrane
- 11- 6-1914 Clerks apptd: C J Bowles (minister) & Hettie Pickel
- 2-23-1915 Elders: William Grove and Amanda Coltrane
- 7- 7-1921 Hickory Grove req a separate MM, the MM to be divided at the close of the year, and both Hickory Grove and Stockport to be separate MM's.
- 2-23-1915 Overseers: Charles Carter, Hettie Pickel, Roy Gracy & Evaline Gregory

1. Introduction

The purpose of this study is to investigate the effects of

the proposed changes on the system.

The study is organized as follows: Section 2 describes the

background of the system.

Section 3 discusses the methodology used in the study.

Section 4 presents the results of the study.

Section 5 concludes the study.

2. Background

The system is a complex system that has been in use for

many years. It has been found that the system is

outdated and inefficient.

The proposed changes are intended to modernize the

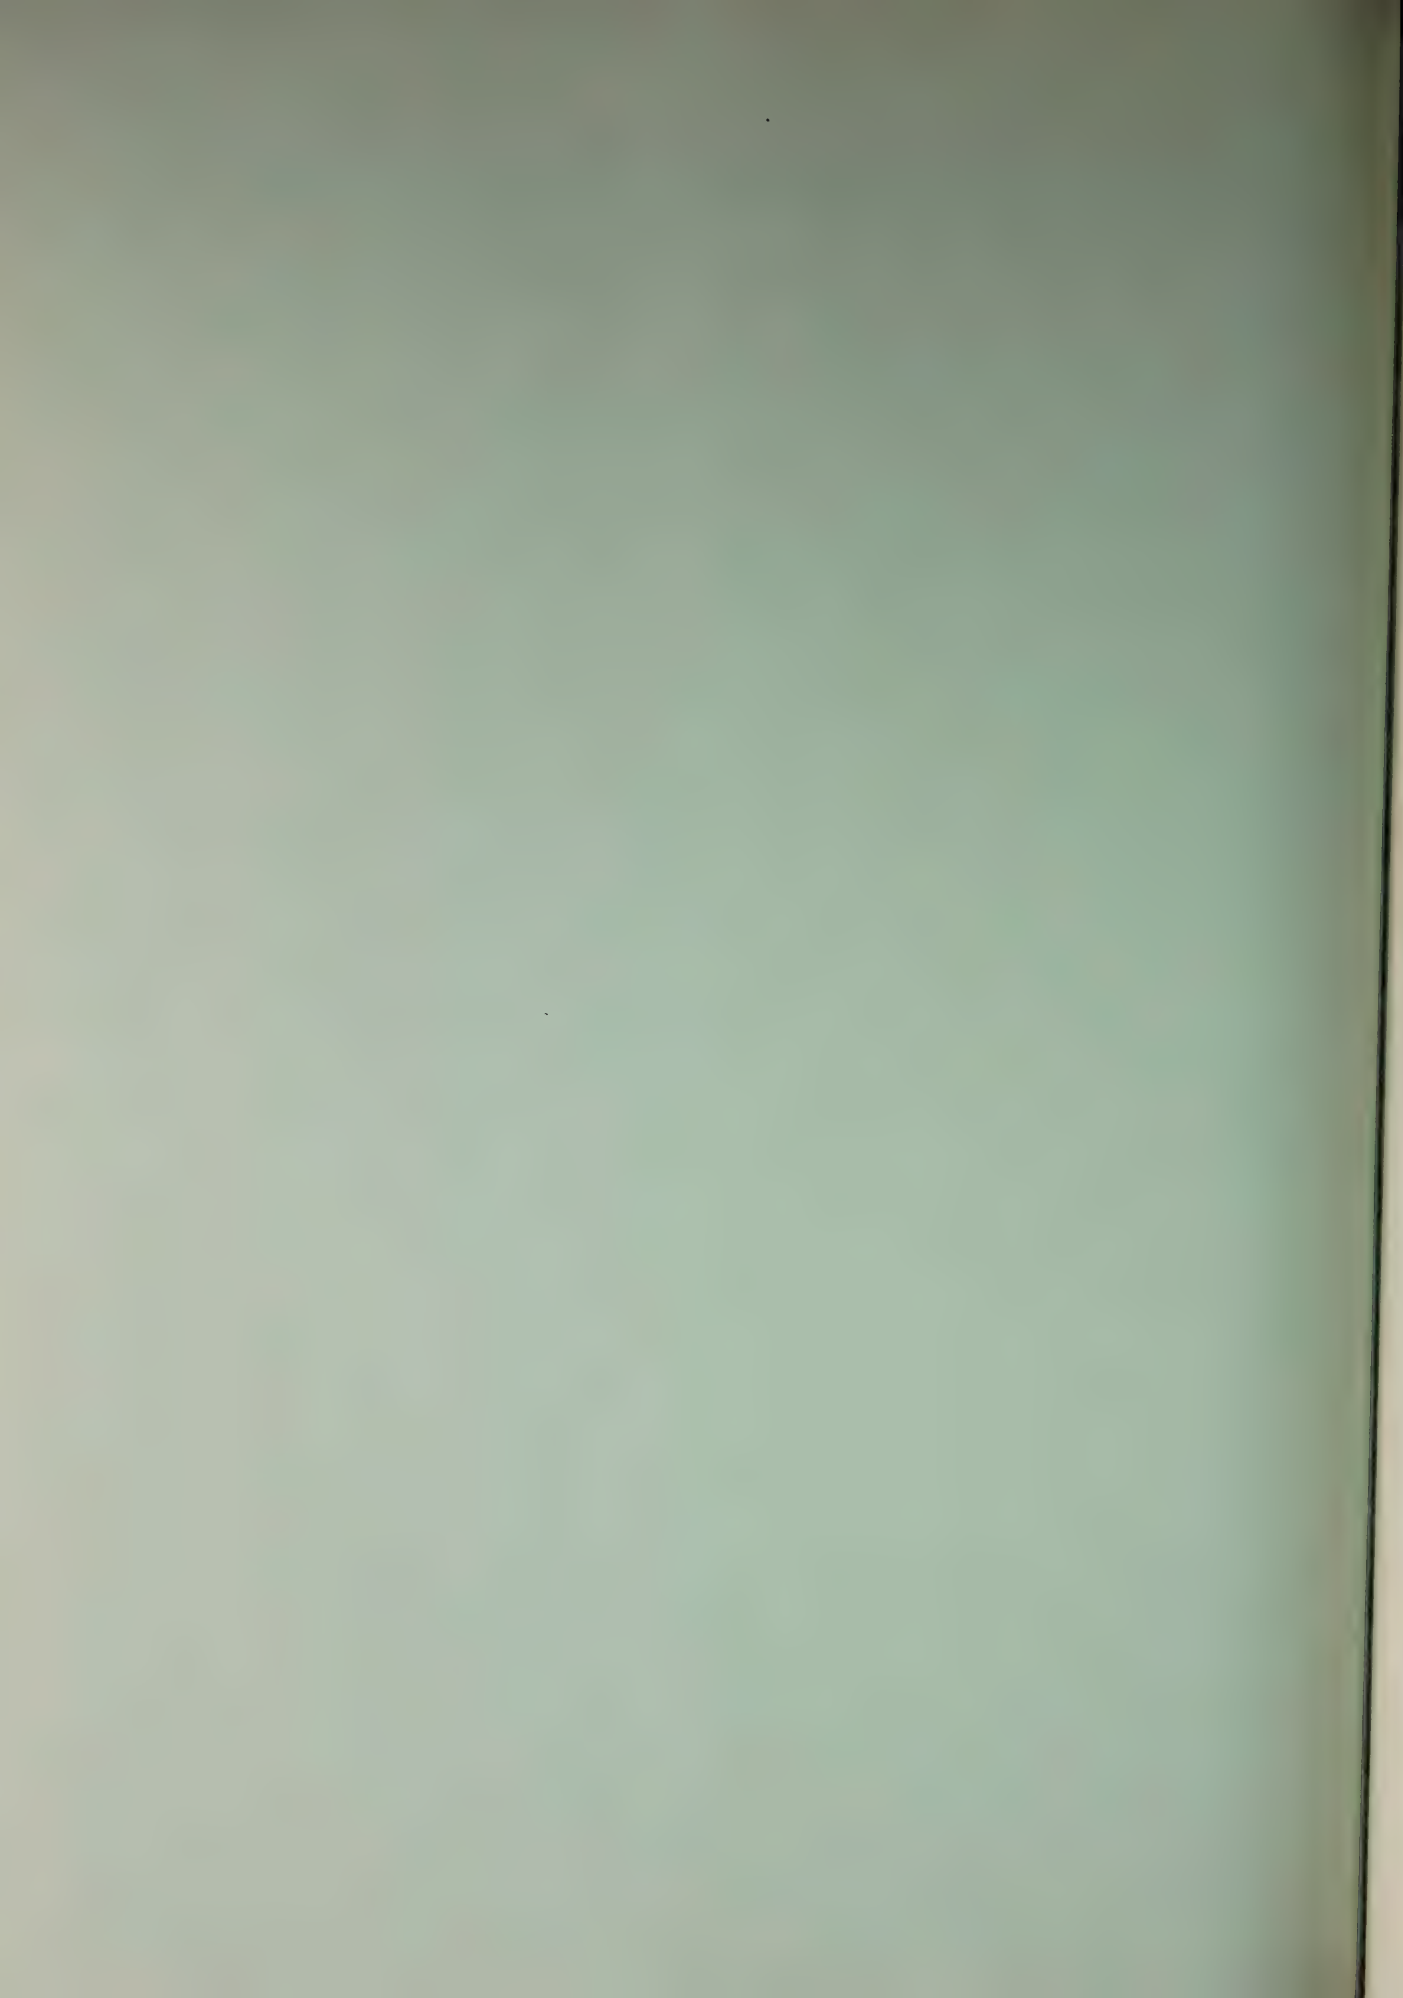

system and improve its performance.

The changes include the following:

1. The addition of new features.

2. The improvement of the user interface.

1. The first part of the document (the introduction) is very important. It sets the context and outlines the main objectives of the study. It is essential to read this section carefully to understand the scope and purpose of the work.

2. The second part of the document (the methodology) describes the research methods used in the study. This includes information about the data sources, the sampling process, and the analytical techniques employed. Understanding the methodology is crucial for evaluating the validity and reliability of the findings.

3. The third part of the document (the results) presents the findings of the study. This section typically includes tables, figures, and text describing the data collected and the patterns observed. It is important to pay attention to the statistical significance and the limitations of the data.

4. The fourth part of the document (the discussion) interprets the results and discusses their implications. This section often compares the findings with previous research and explores the broader context of the study. It is a key area for understanding the significance of the work.

5. The fifth part of the document (the conclusion) summarizes the main findings and provides a final assessment of the study. This section typically includes recommendations for future research and a reflection on the overall contribution of the work.

6. The final part of the document (the references) lists the sources of information used in the study. This section is important for verifying the accuracy of the information and for understanding the broader research landscape. It also provides a starting point for further exploration of the topics discussed in the document.
