### INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION

To the shareholders of Ataa Educational Company (A Saudi joint stock company) Riyadh, Kingdom of Saudi Arabia

### Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Ataa Educational Company ("the Company") and its subsidiaries (collectively referred to as "the Group") as of October 31, 2024, the related interim condensed consolidated statement of profit or loss, the interim condensed consolidated statement of other comprehensive income, the interim condensed consolidated statement of changes in equity and the interim condensed consolidated statement of cash flows for the threemonth period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34 Interim Financial Reporting ("IAS 34"), as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34 "Interim Financial Reporting" as endorsed in the Kingdom of Saudi Arabia.

### Other Matter

The Group's interim condensed consolidated financial information for the three -month period ended October 31, 2023 was reviewed by another auditor, who expressed an unmodified conclusion on this interim condensed consolidated financial information on Jumada II 28, 1445H, corresponding to December 19, 2023.

(All amounts in Saudi Riyals unless otherwise stated)

### 2. BASIS OF PREPARATION AND MEASUREMENT

### 2.1 Statement of compliance

These interim condensed consolidated financial statements have been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting" as endorsed in Kingdom of Saudi Arabia. should be read in conjunction with the Group's financial statements as of and for the year ended July 31, 2024, as it does not include all the information required to prepare a full set of consolidated financial statements. However, it indicates the accounting policies and explanatory notes to explain significant events and transactions for understanding changes in the Group's financial position and performance since the Group's last annual consolidated financial statements.

The results for the three-month period ended October 31, 2024 are not necessarily indicative of the results that can be expected for the financial year ended July 31, 2025.

### 2.2 Basis of consolidation

The interim condensed consolidated financial information includes the financial information of Atta Educational Company, its branches and subsidiaries ("the Parent Company") as described in note (1).

Subsidiaries are entities which are controlled by Group. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its control over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable proceeds from its involvement with the investee, and
- The ability to use control over the investee to affect its proceeds

When the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income, and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

(All amounts in Saudi Riyals unless otherwise stated)

### 2. BASIS OF PREPARATION AND MEASUREMENT (CONTINUED)

### 2.2 Basis of consolidation (continued)

Profit or loss and each component of other comprehensive income are attributed to the shareholders of the Parent Company of the Group and non-controlling interest, even if this results in non-controlling interest having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies which applied in line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it:

- Derecognizes the assets (including goodwill) and liabilities of the subsidiary
- Derecognizes the carrying amount of any non-controlling interests.
- Derecognizes the cumulative translation differences recorded in equity.
- Recognizes the fair value of the consideration received.
- Recognizes the fair value of any investment retained.
- Recognizes any surplus or deficit in consolidated statement of profit or loss.
- Reclassifies the Parent Company's share of components previously recognized in the comprehensive income
  to consolidated statement of profit or loss or retained earnings, as appropriate, as would be required if the
  Group had directly disposed of the related assets or liabilities.

### 2.3 Basis of measurement

The interim condensed consolidated financial statements have been prepared on the accrual basis of accounting, going concern basis and historical cost convention, except for items included in the condensed consolidated interim statement of financial position:

- Employees' end of service benefits are measured at the present value of future liabilities using the projected unit credit method.
- Lease liabilities are measured at the net present value of lease payments.
- Ministry of Finance Loan at present value

### 2.4 Going concern

As at 31 October 2024, the Group's current liabilities exceeded its current assets by SAR 169,49 million (31 July 2024: SAR 154.32 million), which was mainly related to borrowings, lease liabilities and deferred revenue amounting to SAR 399.04 million (31 July 2024: SAR 387.88 million) as the revenues received in advance during the coming periods are settled with the balances of receivables according to the dues of tuition fees and despite the deficit in working capital, the Group has an operating cash flow of SAR 133.16 million, which is an indication of the Group's ability to meet its obligations when they fall due. The Group's management monitors cash management and analyzes liquidity risks intensively and is confident of its ability to close the deficit in working capital, and accordingly, the accompanying interim condensed consolidated financial information has been prepared on a going concern basis.

### 2. BASIS OF PREPARATION AND MEASUREMENT (CONTINUED)

### 2.5 Functional and presentation currency

These interim condensed consolidated financial statements are presented in Saudi Riyals ("SR"), which is the Group's functional and presentation currency. Figures are rounded to the nearest Riyal unless otherwise stated.

### 2.6 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of these interim condensed consolidated financial information required management to make judgments, estimates and assumptions that affect the application of policies and reported amounts, liabilities, income and expenses. The estimates and underlying assumptions are based on historical experience and various other factors that are believed to be reasonable. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized in the period in which the estimates are reviewed if the revision affects only that period, or in the period of the revision and future periods affected.

The significant estimates made by management in applying the Company's accounting policies and key sources of estimation uncertainties were similar to those described in the last annual consolidated financial statements.

The Group's management has assessed the Group's ability to continue as a going concern and is satisfied that the Group has the resources to continue in business for the foreseeable future. Furthermore, management is not aware of any material uncertainties that may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the financial information has been prepared on a going concern basis.

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies used in the preparation of these interim condensed consolidated financial statements are consistent with policies followed in the preparation of the Group's annual consolidated financial statements for the year ended July 31, 2024.

### 3.1 NEW STANDARDS AND AMENDMENTS TO STANDARDS AND INTERPRETATIONS

The following are new standards and amendments to standards applicable for years beginning on or after January 1, 2024, which do not have a material impact on the interim condensed consolidated financial information. The Group is not required to change its accounting policies or make retrospective adjustments as a result of applying these revised standards.

- Amendments to IFRS 16 Lease Liability in a Sale and Leaseback
- Amendments to IAS 1 Non-current Liabilities with Covenants and Classification of Liabilities as Current or non-Current.
- Amendments to IAS 7 and IFRS 7 Supplier Finance Arrangements.
- Amendments to IAS 27 Exchangeability.

The following are the new IFRS sustainability disclosure standards effective for periods beginning on or after January 1, 2024 subject to endorsement of the SOCPA.

- IFRS S1 "General Requirements for Disclosure of Sustainability-related Financial Information"
