Message From

THE CHANCELLOR

DR. CHENRAJ
ROYCHAND

Welcome to ARKA JAIN University!

On behalf of the entire ARKA JAIN University (AJU) community, I extend a warm welcome as you consider embarking on your academic journey with us.

AJU takes immense pride in its 13-year legacy of nurturing young minds and empowering them to become future leaders. Ever since the JAIN Group established this institution in Jharkhand in 2011, we have strived to provide a world-class educational experience that goes beyond textbooks which resulted in the establishment of ARKA JAIN University in 2017, the first state private University of Kolhan region and the fastest growing university in the state.

AJU is more than just classrooms and lectures. A vibrant student community celebrates diversity and inclusion. You'll have the opportunity to engage in co-curricular and sports activities, participate in industry-focused workshops, and connect with like-minded individuals who share your passions.

As you explore your options, I encourage you to delve deeper into what AJU has to offer. Visit our website, connect with our admissions team, and even consider a campus tour to experience the spirit of AJU first-hand. We are confident that AJU can be the catalyst for your academic and professional success. We invite you to be a part of our legacy and join us in shaping the future.

Warmly,

Dr. Chenraj Roychand

ARKA JAIN University

Jharkhand

NAAC GRADE A
ACCREDITED UNIVERSITY

ARKA JAIN University was established in the year 2017 by the Jharkhand State Legislature under "The ARKA JAIN University Act" and is recognized by UGC. It is the first state private university in the Kolhan region (comprising of three districts) of the state.

AJU has been accredited with 'A' Grade by NAAC in the first cycle, the first state private university in Bihar, Jharkhand and West Bengal to get this distinction.

The University has its root in the prestigious JAIN Group, Bengaluru which has 77-plus educational institutions under its fold. It is mentored by JAIN (Deemed-to-Be-University), Bengaluru, a NAAC A++ and NIRF Top-100 HEI.

The university has the necessary affiliations, recognitions and memberships from such bodies as AICTE, BCI, PCI, OCI, INC, AIU, ASCO. AJU is an ISO-certified "Educational Organization Management System" University. It has been ranked 3rd in the "Top-15 Emerging Private Universities in India" category in the prestigious Outlook iCare University Ranking 2023. Our MBA programme has been ranked 86 amongst Top Private B-Schools in India in the Outlook iCare India's Best B School 2024 Ranking. Our BBA, B Com Hons. and BCA programmes have been ranked 100, 100 and 98 respectively in the Outlook iCare Rankings 2023, India's Best Colleges.

VISION

To Develop Human Capital by creating spirited learning environment by empowering the students with knowledge, skills and instil social responsibility towards holistic development

MISSION

- To impart multidisciplinary and a holistic education in order to ensure the unity and integrity of all knowledge
- To create academic impact through a combination of age-old tradition with modern scientific knowledge
- To create a lifelong learning environment that nurtures intellectual inquisitiveness, holistic & critical thinking, ethics and human values, equity and inclusion, and life skills, and thus making students responsible citizens and nation builder
- To augment the employability aspect of students as per global requirements
- To provide ideal environment for research, innovation, consultancy and entrepreneurship for larger and wider socio-economic and humanistic progress
- To endow the faculty and staff members with necessary means so that they can deliver on the stated lines
- To create a global tribe of technocrats, managers, entrepreneurs, scientists, biologists, pharmacists, artists and other professionals
- To engage with industry, and society at large, in productive manner
- To promote respect for diversity and respect for the local context in all curriculum, pedagogy, and policy

QUALITY POLICY

- To make sure that the academic programmes meet the accepted norms as per the stakeholder's requirements
- To ensure effective functioning of processes, systems and policies pertaining to quality standards at various levels
- To foster quality enhancement to realise academic excellence
- To empower students with knowledge, skills, attitudes by imparting quality education

VALUES

- Ethics and integrity
- Environmental consciousness & sustainable development
- Promotion of Indian culture & heritage
- Active citizenry
- Intellectual and Moral Uprightness
- Service to society and contribution towards national development

50+ MOUs

ARKA JAIN University is committed to foster a dynamic and globally-connected learning environment. We have established a robust network of over 50 international and national MoUs and associations with prestigious corporations and academic institutions. These strategic collaborations unlock a world of unprecedented exposure and opportunities for both faculty members and students. Our faculty members benefit from joint research initiatives, faculty exchange programs, consultancy opportunities, conferences and professional development workshops. Students gain valuable real-world experience through industry projects, internship & placement avenues and exchange programs. This synergy between academia and industry empowers our students to be future-ready and excel in a connected world

HOSTEL FACILITY

The University provides well-furnished spacious accommodation for female students through two of its hostels situated in the heart of the city, namely, Adityapur locality in Jamshedpur. Both the hostels have air-conditioned (A/C) and non A/C rooms. Each room has bed, almirah, study table and chair. The University provides transportation facility from Hostels to Campus and Campus to Hostels.

CAFETERIA FACILITY

Enjoy a diverse menu of delicious options at AJU cafeteria, perfect for fueling your academic journey. Whether you're grabbing a quick bite between classes or catching up with friends over lunch, our welcoming atmosphere makes the cafeteria a hub for both sustenance and socialization. Unwind and socialize with friends in a relaxed atmosphere, making memories that last a lifetime.

TRANSPORT FACILITY

The University provides bus facilities for the students who opt for availing the transport facility. A fleet of buses ply between university and various locations of Jamshedpur to pick and drop the students and faculty members.

GYM FACILITY

The University has a dedicated gym facility which the University fraternity utilizes as per their convenience. Various types of gym equipment are made available to those interested in utilizing the same.

VALUE ADDED COURSES

in LEARNING

LinkedIn Learning opens up a new horizon of learning, especially for the young and emerging professionals. JGI Group has tied up with LinkedIn to provide a state of the art learning platform to its students. LinkedIn Learning courses facilitate learning at one's own pace from the comfort of home or campus. Moreover, the courses conclude with competency mapping to test acquired competency and provide a globally recognized certificate.

NCFM

NCFM stands for NSE Academy Certification in Financial Markets. It is a certification provided by the National Stock Exchange of India. It is an online testing and certification program that tests your practical knowledge and skills in financial markets. Students pursue NFCM certifications to attain levels of financial expertise and become certified in different financial domains.

NiSM

NISM Certification course is an online testing platform that tests the practical knowledge and skills required to operate in the Equity markets. It offers a series of certification programmes in the field of equity market. The preparatory classes of the NISM Series V A-Mutual Fund Distributors Certification" are conducted in the University and Internal Mock Exams are held based on which certificate is issued.

| ACCA	stockbyte	VAMNICOM	KPMG
BBA/B. Com (H) with ACCA course is offered in collaboration with the Association of Certified Chartered Accountants (ACCA), UK, and International Skill Development Corporation (ISDC), UK. The curriculum framework and content have been integrated with the programmes.	Understanding the need of financial learning related to financial markets, SMI introduced an app-based learning platform which is a one stop solution for all financial learning, qualifications, and certifications. Stockbyte provides access to the world of Finance learning as a part of the MoU.	Vaikunth Mehta National Institute for Cooperative Management is an apex management training Institute catering to the management development, training, research and consultancy needs. Having an MoU with VAMNICOM enables the students for various types of learning opportunities.	Our B. Com (Hons.) program integrates the K-CAP, a globally recognized certification from KPMG, a leading professional services firm thereby providing our commerce graduates with a unique opportunity to graduate with a valuable add-on course which has high employability quotient.

Electric Vehicle Technology

Manufacturing Engineering

- Diverse options: M. Tech degree may lead to professional prospects in a variety of fields, including Chemical Engineering, Neural Networks, Robotics Engineering, VLSI Design, and many more.

- M Tech with specialisations give numerous opportunity for students to devote themselves to R&D. New technologies are reshaping the globe, and professionals with extensive technical expertise are in high demand.

- Pursuing an M. Tech degree after B. Tech provides ample time to gain in-depth technical knowledge on the subject and have more control over it.

- The M. Tech degree enhances an individual's professional qualifications and builds a strong social as well as professional network in which one can get jobs with high salaries.

- There are opportunities to switch to management roles as one gains higher knowledge in the field of technology.

- Higher Study: After completing the course, candidates can enrol in PhD programmes to further their education.

Beyond the classroom, ignite your learning with *workshops, conferences, and FDPs!*

CAREER PROSPECTS AFTER DIPLOMA IN ENGINEERING

JUNIOR ENGINEER | **FIELD TECHNICIAN** | **TECHNICAL ASSISTANT** | **PRODUCTION SUPERVISOR**

Explore Our Diploma in Engineering Specializations

Mechanical Engineering

Learn by doing: Master practical skills in workshops, labs, and industry-linked projects, setting you apart in the job market.

Computer Science and Engineering

Become a tech problem solver: Learn coding languages, programming principles, and gain hands-on experience through projects and labs.

Electrical and Electronics Engineering

Design, build, innovate: Learn circuits, motors, controls, and more, opening doors to exciting careers in electrical engineering

Mechatronics

High-demand, high-tech: A Diploma in Mechatronics leads to exciting careers in robotics, automation, and more, in a rapidly growing industry.

Bridge the Gap:
IDTR Training Prepares Students for a Smooth Transition to Industry

Build Your Future, Brick by Brick : Diploma in Engineering at A Glance

Versatile Career Pathways

The engineering domain is known for its diversity and wide range of opportunities. This versatility allows one to explore various industries and job prospects, including consultant, Jr. Engineer, Engineering executive, coaching professional, etc.

Strong Earning Potential

With a diploma in engineering, the student can become an expert with deep knowledge and skills. Whether the student has chosen fields like computer science & engineering or mechanical engineering, all provide a stable output with long-term financial success.

Continuous Learning

To attain the best job in engineering, it is crucial to stay updated with the latest advancements and technologies. There are various engineering roles available that offer career advancement which can be utilized for professional growth in multiple manners.

Practical Skill Development

A diploma in engineering is not only about theoretical learning but also allows for acquiring practical skills that employers demand. It provides opportunity for hands-on training programs, allowing students to use industry-standard tools, equipment and technologies.

CAREER DIVERSITY

Broad range of career opportunities in research & development, healthcare, agriculture, pharmaceuticals etc.

RESEARCH OPPORTUNITIES

Research opportunities that help in significant contribution to scientific discoveries.

GROWING INDUSTRY

The steadily rising demand for the biotech field is resulting in excellent internship & placement opportunities

Why Choose AJU's B.Sc. Biotechnology Program?

- Strong foundation in theoretical and practical aspects of biotechnology.

- Exposure to cutting-edge research through state-of-the-art laboratories.

- Development of essential critical thinking, problem-solving, and communication skills.

- Opportunities to participate in research projects alongside experienced faculty.

- A supportive and collaborative learning environment.

Master class Expert talk series conducted by the guest resources from industry and academia.

Get
SPORTSPERSONIFIED!

ARKA JAIN University is at the forefront with regard to encouraging its students to participate in sports events, both in the University and outside. For this, the university provides every possible support. The students have made us proud by participating and winning many inter-university sports competitions at state and even national levels. Some of them have represented the state of Jharkhand in such categories as U-19 table tennis and cricket, that too in the female category.

The University offers scholarships during admission based on performance in sports as well as helps athletes who compete at state, national or international levels.

Runbhoomi, the annual sports meet witnesses outstanding performances from all the Schools of the university in various indoor and outdoor sporting events. Runbhoomi 2023 was organized as per the Fit India initiative of Government of India.

JAIN Premier League is an annual cricket tournament organized by AJU in a 20-20 format. Schools from across state participate and fight to lift the prestigious trophy.

The University has performed exceedingly well during couple of past editions of Khelotsav, the five-day state-level sports organized by the Central University of Jharkhand, achieving the second rank in overall champions category in the 2019 edition.

Empowering Communities, Shaping Leaders:
AJU NSS & NCC Wings in Action

NCC

National Cade Corps (NCC) at AJU invites students to work on volunteer basis towards nation development through outreach activities. NCC works towards augmenting the students' personality and honing their skills-set. After completion of training and fulfilling other conditions like attendance etc., the candidate gets certificate from the NCC.

NSS

National Service Scheme popularly known as NSS became functional at AJU in the year 2019 to involve students with the primary aim being to develop the personality of student volunteers through community services thus performing outreach and extension activities.

National Service Scheme
NATIONAL INTEGRATION CAMP

The regional Directorate of NSS, Ministry of Youth Affairs and Sports, Government of India in collaboration with ARKA JAIN University, Jharkhand organized a National Integration Camp at ARKA JAIN University, Jharkhand from 18.05.2022 to 24.05.2022. NSS Regional Directorate, Patna coordinated with the host University and managed the camp of NSS volunteers from 10 states totalling 250 in number.

NSS volunteers from Odisha, Chhattisgarh, Madhya Pradesh, Assam, Uttar Pradesh, Maharashtra, Goa, Jharkhand, Bihar and West Bengal; under the guidance of respective Program Officers, participated in the said camp. Chief guest on this occasion was Sri Rajiv Ranjan Singh, IPS, EX-DIG, Kolhan Range.

FORGING A STRONGER FUTURE THROUGH RELEVANT MOUs

School of Law has joined hands with Centre of Rule of Law, Nepal & Consortium of NLUs to advance legal education, promote rule of law, and foster regional collaboration thus empowering future legal minds.

AJU NYAY SAMARTHAN CELL
(a legal aid and awareness cell)
SCHOOL OF LAW

LET KNOWLEDGE BE YOUR WEAPON, COMPASSION YOUR SHIELD:

AJU NYAY SAMARTHAN CELL (a legal aid and awareness cell), advocating a just society.

MOOT COURT

Moot Court of School of Law is more than just a simulated courtroom; it's a gateway to legal practice. It's a testament to the school's commitment to providing a truly immersive and practical legal education, setting its graduates apart as well-rounded and prepared legal minds in the region.

SHARPENING SKILLS, BROADENING HORIZONS: ENRICHING ENGAGEMENTS

The Intra Moot Court Competition propels students into the heart of a simulated real-life legal case battle. They research, draft pleadings, strategize arguments, and face off against their peers, all under the watchful eyes of experienced judges and faculty mentors.

Various legal aid cells actively engage students of the School in community outreach services. Through various initiatives, students apply their legal knowledge to address societal issues. Legal aid clinics are organized to provide free legal assistance to the community.

School of Law commemorates Constitution Week through thought-provoking discussions, pledge to abide by the Indian Constitution, interactive activities, and a renewed commitment to our fundamental principles. It is indeed a memorable occasion for the University.

CONSULTANT | **DATA SCIENTIST** | **COMPANY ADVISOR** | **POLICY ANALYST**

Embark on a Voyage of Intellectual Discovery:

The ARKA JAIN University Research Department

- For those who are driven by a desire for knowledge and the aspiration to push the boundaries in their chosen field with regard to doctoral research programme, the illustrious Research Department of ARK JAIN University offers the solution.

- The Department of Research ignites passionate minds with a comprehensive and rigorous Ph.D. program designed to empower and to become a trailblazer, a thought-leader, and a pioneer in the domain.

- Dive deep into ground-breaking research, explore novel ideas under the guidance of erudite supervisors, and forge a path towards transforming your quest for knowledge into impactful doctoral degree.

- Redefine the frontiers of knowledge with the doctoral programme offered by the Department of Research.

Network with peers and professors:

Gain valuable insights and forge lasting collaborations during PhD Course-work Classes

Research Lab + Analysis tool Statcraft:

Empowering our PhD scholars to unlock research breakthroughs.

FOR THE SESSION 2024-25

The Department Of Research is offering Ph.D in following domains

- Ph.D in Pharmacy
- Ph.D in Biotechnology
- Ph.D in Electrical & Electronics Engineering
- Ph.D in English
- Ph.D in Journalism & Mass Communication
- Ph.D in Mechanical Engineering
- Ph.D in Computer Science
- Ph.D in Commerce
- Ph.D in Management

Anti-plagiarism software DrillBit enhances the quality and integrity of the research carried out by our scholars.

The libraries are automated using LIBMAN and OPAC an integrated (open access) library management system, providing various features such as repository management to the research scholars.

The University has signed an MOU with INFLIBNET, an organisation promotes and facilitates libraries and information resources for Indian further education.

The University has links with some of the leading libraries such as SCC ONLINE, Manupatra, IEEE xplore, Sage Journals, DELNET, All India Reporter, DVL Library thus providing extensive access to our research scholars.

ELIGIBILITY CRITERIA

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Commerce & Management	**BBA** **BBA (Capital Market)** **BBA (Digital Marketing)**	Candidate should have passed Senior Secondary Examination (10+2) from any recognized Board and should have a valid score card of the entrance exam conducted by the university, AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	B. Com(H) **B. Com (H) - K-CAP**	Candidate should have passed Senior Secondary Examination (10+2) from any recognized Board and should have a valid score card of the entrance exam conducted by the university, AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	MBA	(i) Passed Bachelor Degree of minimum 3 years duration (10+2+3 Pattern). Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination. (ii) Candidate should have a valid score card of any of the entrance exam like CAT / MAT / XAT / CMAT or AJU -Combined Entrance Test (AJUCET)
	M. Com	Passed Bachelor's Degree (10+2+3 Pattern) or equivalent in the relevant field. Should have a valid score card of the entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET).

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Engineering & IT	**Diploma in** Mechanical Engineering Computer Science and Engineering Electrical & Electronics Engineering Mechatronics	Passed 10th Std. / SSC examination. Candidate should have a valid score card of entrance exam conducted by Jharkhand Combined Entrance Competitive Examination Board or AJU -Combined Entrance Test (AJUCET)
	Diploma (Lateral Entry) in Mechanical Engineering Computer Science and Engineering Electrical & Electronics Engineering	Passed 10+2 examination with Physics/ Mathematics / Chemistry/ Computer Science/Electronics/Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/Entrepreneurship. For Mechanical Engineering, Mandatory Subjects at 10+2 level - Physics, Chemistry, Maths. For Electrical & Electronics Engineering, Mandatory Subject at 10+2 level - Physics, Maths. For Computer Science and Engineering, Mandatory Subject at 10+2 level - Physics, Maths . OR 10th + (2 years ITI) shall be eligible for admission to Second Year Diploma Course(s) in any branch of Engineering & Technology. Candidate should have a valid score card of entrance exam conducted by Jharkhand Combined Entrance Competitive Examination Board or AJU -Combined Entrance Test(AJUCET)
	BCA **BCA (AI & DL) in association with IBM** **BCA (Cyber Security) in association with Cyber Dojo**	Passed Diploma in branch of Computer Science from a recognized institute / University is eligible to take admission directly in 3rd semester, Should have a valid score card of the entrance exam conducted by the university, AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	BCA (Lateral Entry)	Passed Diploma in branch of Computer Science from a recognized institute / University is eligible to take admission directly in 3rd semester, Should have a valid score card of the entrance exam conducted by the university, AJU-Combined Entrance Test (AJUCET or CUET).

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Engineering & IT	**B. Tech** Mechanical Engineering Electrical & Electronics Engineering Computer Science and Engineering Artificial Intelligence & Data Science Artificial Intelligence & Machine Learning	Passed 10+2 examination with Physics / Mathematics / Chemistry/ Computer Science/Electronics/Information Technology/ Biology/Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/Entrepreneurship. For Mechanical Engineering (Mandatory Subject at 10+2 level - Physics, Chemistry, Maths). For Electrical & Electronics Engineering (Mandatory Subject at 10+2 level - Physics, Maths) For Computer Science and Engineering (Mandatory Subject at 10+2 level Physics, Maths) Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together. OR Passed D.Voc. stream in the same or allied sector. Candidate should have valid score card of JEE MAINS 2024 or AJU -Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	B. Tech (Lateral Entry) Mechanical Engineering Electrical & Electronics Engineering Computer Science and Engineering	Passed Minimum THREE years / TWO years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology. OR Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject. OR Passed D.Voc. , B.Voc 3 year Stream in the same or allied sector. Candidate should have valid score card of JEE MAINS 2023 / 2024 or AJU -Combined Entrance Test (AJUCET)
	MCA	Passed BCA/B.Sc (IT) / Bachelor Degree in Computer Science Engineering or equivalent Degree. OR Passed B.Sc./ B.Com./ B.A. / B.Tech / B. Voc with Mathematics at 10+2 Level or at Graduation Level (with additional bridge Courses as per the norms of the concerned University). Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination should have a valid score card of the entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	M. Tech Manufacturing Engineering Computer Science and Engineering Electric Vehicle Technology	Passed Bachelor's Degree or equivalent in the relevant field. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination and should have of valid core card of GATE or AJUCET.

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Pharmacy	**B. Pharm**	A candidate should have passed Senior Secondary Examination (10 + 2) with Physics , Chemistry and Mathematics or Biology and one of the subject must be English from any recognized Board with at least overall aggregate of 45% (less 5% in case of SC/ST) Candidate should have a valid score card of any of the entrance exam like NEET, JEE Mains or AJU -Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	B. Pharm (Lateral Entry)	A candidate should have passed in D. Pharm. course from an institution / University approved by the Pharmacy Council of India. Candidate should have a valid score card of any of the entrance exam like NEET, JEE Mains or AJU - Combined Entrance Test (AJUCET)
	D. Pharm	A candidate should have passed (10+2) science with Physics, Chemistry, Mathematics or Biology and one of the subject must be English from any recognized board AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Nursing	B.Sc Nursing	The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. a) Candidate with Science who have passed the qualifying 12th Standard examination (10+2) and must have obtained a minimum of 45% marks in Physics, Chemistry and Biology taken together and passed in English individually. b) Candidates are also eligible from State Open School recognized by State Government and National Institute of Open School (NIOS) recognized by Central Government having Science subjects and English only. c) English is a compulsory subject in 10+2 for being eligible for admission to B.Sc. (Nursing). Should have a valid score card of JCECB (Jharkhand Combined Entrance Competitive Examination Board), scoring marks as defined by JCECB d) Student shall be medically fit.

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Humanities	B. A. (Hons.) English Fashion Design Journalism and Mass Communication	Candidate should have passed Senior Secondary Examination (10 + 2) from any recognized Board and should have a valid score card of the entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	M. A. English Journalism and Mass Communication	Passed Bachelor's Degree (10+2+3 Pattern) or equivalent in the relevant field. Should have a valid score card of the entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET).

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Health & Allied Science	B. Sc Biotechnology	A candidate should have passed Senior Secondary Examination (10 + 2) with Science from any recognized Board and should have a valid score card of the entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	B. Optometry	A candidate should have passed Senior Secondary Examination (10 + 2) with Science from any recognized Board and should have a valid score card of the entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).

SCHOOL	PROGRAMME	ELIGIBILITY CRITERIA
School of Law	BBA LLB (Hons.)	A candidate should have passed Senior Secondary Examination (10 + 2) from any recognized Board with at least overall aggregate of 45% marks (42% for OBC /40% for SC/ST) and should have a valid score card of CUET or CLAT or entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).
	L.L.B. (Hons.)* *Approval Applied For	A candidate should have passed Graduation(10+2+3 pattern) in any discipline from a recognized College/University, having secured minimum 45% marks (42% for OBC /40% for SC/ST) in aggregate. Should have a valid score card of CUET or entrance exam conducted by the university AJU-Combined Entrance Test (AJUCET) or Common University Entrance Test (CUET) by National Testing Agency (NTA).

LAKSHYA *Series Of Talks*

The University organizes dedicated guest lectures by known industry veterans from a certain domain one at a time. The Lakshay series of talk has become the flagship guest talk event of the university as corporate honchos as well as known public administrators (like IAS, IPS officers) have delivered talks in the past and guided the students for the purpose of placement or career development highlighting the changing requirements of the industry and society at large.

SHIKHAR *Entrepreneurial Conclave*

The University has organized Shikhar – the Entrepreneurial Conclave in the past years wherein stalwarts from Corporate India and doyens of the Start-Up culture of the country have made their presence felt. During the event, the focus of the famed guest speakers has been on promoting a sense of entrepreneurship among the participants. The success stories as shared by them were guided towards motivating the AJU Fraternity. The hallmark of the event has been the freewheeling conversations which the guests had with the AJU Fraternity, particularly the students, thus guiding them how they can look for various entrepreneurial opportunities coming their way. Inspired by this conclave, students have put up various food and game-based stalls during the various events organized at the University thus promoting an entrepreneurial culture.

WORKSHOPS *By External Experts For Personality Development*

The university is committed towards ensuring that the students get due exposure with regard to honing their soft skills apart from the hard skills. In this regard, workshops dedicated towards personality development are organized wherein external experts, having proven track record of training thousands of participants, are invited in the campus and students from across the university attend these workshops thereby gaining insights into how they can improve upon their personality and face various selection processes, whether be it for employment or for higher studies. These workshops have proved to be extremely effective based on the feedback received from the participants as they have enabled the students towards believing in themselves and carving a niche!

Holistic Learning Experiences

ARKA JAIN University firmly believes that students should have multiple opportunities to explore learning in different settings.

In this regard, the Schools and/or their constituent Departments organize such activities which highlight such phenomena as participative learning, experiential learning and problem-solving sessions.

The University understands well that participative learning, experiential learning and problem-solving sessions are integral parts of the entire teaching-learning process which enable the students towards developing critical thinking and practical insights.

अरका जैन विवि की छात्राओं को 10 लाख का पैकेज

वरीय संवाददाता ▸ जमशेदपुर

गम्हरिया स्थित अरका जैन यूनिवर्सिटी ने कैंपस प्लेसमेंट में एक कीर्तिमान स्थापित किया है. विश्व की सर्वोच्च एडुटेक कंपनी बायजूस ने अरका जैन यूनिवर्सिटी में ऑनलाइन कैंपस सेलेक्शन ड्राइव चलाया, जिसमें अंतिम रूप से चार छात्राओं (संजना कुमारी, अलीशा शफीक, कोमल कुमारी श्रेया पांडेय) का चयन किया

मिल गयी. 29 सितंबर को सभी ज्वाइन कर रही हैं. कैंपस ड्राइव में बायजूस के रिक्रूटमेंट हेड सुहास मौजूद थे. इस पूरी प्रक्रिया में यूनिवर्सिटी के ट्रेनिंग एंड प्लेसमेंट ऑफिससर्स राहुल रेज, शशिकांत शर्मा व जेबा बख्तियार की अहम भूमिका रही. गौरतलब है कि करीब 65,000 करोड़ रुपये की नेट वैल्यु वाली कंपनी बायजूस की ओर से कंपनी के बैंगलोर स्थित हेड ऑफिस में करीब 9000 कर्मचारी काम कर

बी-कॉम की तीन, बीबीए की एक छात्रा का चयन

अलीशा शफीक कोमल कुमारी श्रेया पांडेय सजना कुमारी

छात्राएं बोलीं
शब्दों में बयां नहीं कर सकती खुशी

छात्राओं ने बताया कि अभी-अभी उन्होंने ग्रेजुएशन पास किया. ग्रेजुएशन पास करने के बाद ही 10 लाख रुपये के पैकेज पर नौकरी मिलना एक सपने के जैसा है. उन्होंने

राष्ट्रीय एकता शिविर : जुटे 11 राज्यों के 220 विद्यार्थी

विभिन्न राज्यों की संस्कृति से रूबरू हो रहे हैं विद्यार्थी

अरका जैन यूनिवर्सिटी में मेगा जॉब फेयर

2800 विद्यार्थियों ने लिया हिस्सा

जमशेदपुर. अरका जैन यूनिवर्सिटी में शुक्रवार को जॉब फेयर का आयोजन किया गया. इसमें शहर समेत पंच राज्यों के 2800 विद्यार्थियों ने हिस्सा

लिया. ये वे विद्यार्थी थे जिन्होंने पढ़ाई तो की लेकिन कैंपिंड या फिर प्लेसमेंट नहीं मिलने की वजह से बेरोजगार रह गये. इसमें 30 देसी व विदेशी कंपनियों ने

भाग लिया था. सभी ने अलग-अलग संकाय के विद्यार्थियों को अलग-अलग मानक पर परखा. शनिवार को इंटरव्यू होने के बाद अंतिम रूप से रिजल्ट का प्रकाशन होगा. जिसके बाद तय हो पायेगा कि कितने विद्यार्थियों की नौकरी लगी.

अभिनेता पंकज झा ने अरका जैन के विद्यार्थियों को दिये सक्सेस टिप्स, कहा

जिंदगी में सपने देखना बंद नहीं करें

जमशेदपुर. मंगलवार को अरका जैन यूनिवर्सिटी में मीट एंड मीट सत्र का आयोजन किया गया. मास कम्युनिकेशन और ट्रेनिंग एंड प्लेसमेंट डिपार्टमेंट की ओर से आयोजित इस कार्यक्रम में मुख्य अतिथि के रूप में वेब सीरीज पंचायत दो के अभिनेता पंकज झा उपस्थित थे. फिल्म निर्माण और अभिनय में करियर की संभावनाएं विषय पर आयोजित इस सत्र की शुरुआत दीप प्रज्ज्वलित कर की गयी. कार्यक्रम के दौरान डायरेक्टर अमित श्रीवास्तव ने कहा कि विद्यार्थी देख कर सबसे ज्यादा सीखते हैं. मौके पर यूनिवर्सिटी

के अमित श्रीवास्तव, छीएसडब्ल्यू डॉ अमर तिवारी, रजिस्ट्रार जसवीर सिंह धंजाल, प्लेसमेंट हेड शिम्मोजू कुमार सिन्हा समेत कई अन्य उपस्थित थे. **हर हार के बाद एक लाभा मिलती है.** अभिनेता पंकज झा ने अभिनेता बनने की अपनी बाज छात्रों के साथ साझा की. उन्होंने अपने स्वयं के उदाहरण देकर छात्रों की बात एहसास कराया कि यदि वे भी अपने करियर और जीवन में कुछ बड़ा हासिल करने का सपना देखते हैं और उस सपने को पूरा करने के लिए मेहनत करते हैं, तो वे उसे जरूर हासिल कर लेंगे.

---

23 छात्रों को मिला ₹4.5 लाख का वार्षिक पैकेज

JAMSHEDPUR

The Steel City Of India / Pittsburgh Of India

Jamshedpur, also known as the Steel City of India/ Pittsburgh of India is a planned industrial city of the state. It is home to Tata Steel and a host of Tata companies, namely, Tata Motors, Tata Power, Tata Technologies, Tata Hitachi, Tata Ryerson, and Tata Pigments. The city was the outcome of the vision of its founder Jamshetji Tata. The city is known for its greenery, cleanliness, and planned layout, and has a rich cultural heritage.

ARKA JAIN University, on the virtue of being a leading HEI of the region, has tie-ups with majority of the Tata companies mentioned above for the purpose of training, final placement and teaching-learning process. Recently, the University tied-up with Tata Motors to offer Diploma in Mechanical - lateral entry course. This shows the unwavering commitment of the University of working with the leading industries of the city thus taking academe-corporate connect to the next level.
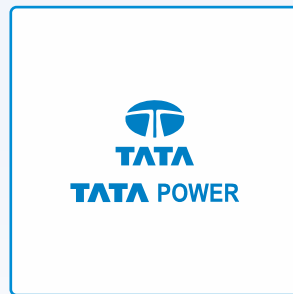

The founder of this majestic city, Jamsetji Tata, vouched for open spaces and areas promoting outdoor and sports activities. The city boasts of many well-kept and beautiful parks. Jubilee Park and Dorabji Park are worth paying a visit. The city has lots of tourist destinations to explore. As far as sports events are concerned, Jamshedpur offers the following centres for athletic growth:

JRD TATA SPORTS COMPLEX

KEENAN STADIUM

TATA FOOTBALL ACADEMY

TATA ARCHERY ACADEMY

Nature lovers are in for a real treat with the following places to visit and experience nature first-hand:
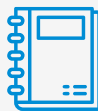

HUDCO LAKE

JUBILEE LAKE

DIMNA LAKE

DALMA HILLS

RIVERS MEET OR DOMOHANI

TATA STEEL ZOOLOGICAL PARK

JUBILEE PARK

DALMA HILLS

DIMNA LAKE
