Department of Computer Science & IT

CIRCULAR

Ref. No.: AJU/CS&IT/029/2024-25   **Date: 26.07.2024**

This is hereby to inform all the Students that in our continued commitment to fostering a safe and respectful educational environment. Department of Computer Science and IT we will observe Anti-Ragging Week from 12.08.2024 to 18.08.2024.

Activities Planned:

1. Awareness Campaigns:
- Posters and banners highlighting the consequences of ragging will be displayed across the campus.
- Information sessions will be held to educate students about their rights and responsibilities.
2. Workshops and Seminars:
- Interactive workshops featuring guest speakers, including mental health professionals, will discuss the impact of ragging and ways to combat it.
3. Pledge Against Ragging:
- All students are encouraged to take a pledge against ragging, reinforcing our collective commitment to a safe campus.

We encourage all students, faculty, and staff to actively participate in these activities and promote a culture of respect and support.
