DRIVE CHART FOR N.E. Louisiana vs. Arkansas DATE 9-28-96 TOTAL 28:36

Game notes Ark vs. NLU 9/28/96

Several Razorbacks achieved career firsts tonight. Chrys Chukwuma's two touchdowns were his first as a Hog. Michael Snowden and Emanuel Smith also had their first career receptions, while Norman Nero grabbed his first career interception.

Todd Latourette's five successful PAT's brought his consecutive streak to 31.

Oscar Malone's two TD's were the first of the season, and it was the first time he reached the end zone since 10-08-94 versus Tennessee. Malone also teamed with Chukwuma to be the first pair of Razorback rushers to score two TD's each since Malone and Carlton Calvin did so on 11-27-93 versus LSU.

Anthony Eubanks set an individual record with 130 receiving yards tonight. His TD reception was the eighth of his career, tying him with six others in the eighth spot in career scoring receptions.

Arkansas's 31 first half points were the most by a Razorback team since the Hogs scored 35 versus Vanderbilt in 1994.

## ARKANSAS DRESSING ROOM

COACH DANNY FORD: "It was nice to hear the fight song in the dressing room again. It had been a long time. I was concerned all week about this football game. We came out real well in the first half. We're not mature enough yet to make sure our opponent doesn't come back on us in the second half. They had a good plan in the third quarter, dominating the clock and keeping us off balance. We looked like we were going through the motions. We answered the bell with a nice touchdown drive, though, and that was a good sign.

"Anthony Eubanks played well and it was nice to see Pete Burks get some confidence by moving the ball.

"Next week we are playing the number one team in the country. If we play like we did in the second half we could get beat by 40 or 50. We will have to be very ready. But, I'm proud of the way we responded tonight.

"We knew the onside kick was coming. We prepared all week for it. They are a dangerous team. Our defense kept them off balance in the first half, though. That was a real boost when we held them without any points.

"Again, I'm tickled for our young people. It has been a long time since we've won a football team. We can play better but it was great to win.

"It was a great crowd. For our team being 0-2 and to get that kind of support was great."

CHRYL CHUKWUMA: "It feels great to finally win as a Razorback. We played well tonight and now it's time to get ready for Florida. We had a good week of preparation after the Alabama game. We tried to take the same intensity into this game we took into Alabama. Coach Ford had told us to expect anything and they showed it to us with the first kickoff. But, our defense came together and stopped them. It's a great win but all I'm concerned about now is playing the number one team in the country next week."

ANTHONY HICKS: "I wanted to play last week but the coaches wouldn't let me. I guess they know what they are doing because I felt great for this game. Our defense did a good job in the first half of stopping their offense. We came out flat in the second and they showed they are a good team by not giving up. We're not going to be able to let down any next week against Florida. Hopefully we got it out of our system. I can't imagine how big an underdog we will be but I don't care. If we can go out and play as a unit the entire game, anything can happen. We're going to go into next week and just play like a bunch of Razorbacks. Coach Ford has told us about all the years Texas was number one and Arkansas was the underdog but that never stopped the Razorbacks from winning. In fact, they beat them 42-11 once. That's what we're going to remember this week."

PETE BURKS: "Our young guys did a good job tonight. I really feel we came together as a team. I wasn't 100 percent physically but had to suck it up and play hard. I got loose early in the game and that helped our offense jell. We needed this win very badly, not just for this season but for the future of Razorback football. It feels great to be able to sing the fight song again. It's been way too long since I've heard it."

INJURY REPORT: Fullback Jesse Cornelius, bruised ribs, more will be known Sunday.

NORTHEAST LOUISIANA DRESSING ROOM

COACH ED ZAUNBRECHER: "We thought we could do some things tonight but we made a lot of mistakes in the first half. In the second half we were a lot sharper. The second half was the best half we have played this year considering the quality of our opponent. If we can just put four quarters together, we can play a really good complete game.

"We wanted to play to our ability tonight. I think we did that in the second half. In the first half we were not getting very good protection from our offensive line. That hurt us offensively. In the second half, with better protection from our line, we were able to do some things we wanted to do. We have a really good team when we can execute and I think we did that in the second half."

RAYMOND PHILYAW: "We came out a lot more relaxed in the second half and ran our offense. We can get some motivation from this week and carry it over into next week. We wanted to get some respect from Arkansas and I think we did that with our play in the second half. We came out in the first half and weren't able to really do anything because we weren't very relaxed. We just concentrated and executed our offense well in the second half."

MARTY BOOKER: "We came in at halftime knowing we wanted to come out and play well in the second half. In the first half we had a lot of dropped balls. I think that is because we were not concentrating. We did a good job in the second half of just pitching and catching. I was happy we were able to keep our heads up. Arkansas came out and played like we expected them to but everything just didn't go our way."

ALONZO HAMPTON: "We really slacked off in the first half. Once we came out in the second half we were a lot more focused. We were able to bounce back well. If we could just put four quarters together, we could be a really good team."
