## ARKANSAS DRESSING ROOM

COACH DANNY FORD: "This was the hardest game we've had to win in a long time. I told their coach, Gary Crowton that he had his team very well prepared. Louisiana Tech played hard. I hope their quarterback isn't seriously hurt. He is an excellent player. Burks did an excellent job at quarterback for them, too.

"There were many good things in this game for us. One in particular was we got behind but found a way to get back in the football game. We were not motivated early in the game but they woke us up with 14 points before we scored.

"Pete Burks improved tonight. Oscar Malone ran well and so did Chrys Chukwuma. I was glad to see Cory Nichols run so well at the end. Our offensive line blocked well, particularly in the fourth quarter.

"We didn't get to the passer much. Louisiana Tech is really good on offense. It was much closer than the final score of 38-21.

"This was a hard fought football game. Louisiana Tech played hard. It was a very physical game on the line of scrimmage. It certainly was a good win for us."

CHRYS CHUKWUMA: "I had some key blocks from the offensive line tonight. This win is the first win of our new season. Our goal is to go undefeated the rest of the season. I had some good practices this week and read my assignments and knew them better. I felt more confident. Of course, I kept God number one as always. Louisiana Tech came out and scored some touchdowns so we knew we had to outscore them and put the ball in the end zone. Louisiana Tech played hard and was no pushover."

ANTHONY EUBANKS: "We have a young receiving corps. Since I'm the most experienced, I know I have to step it up the rest of the season. I just tried to come out and run the right routes and make good plays. I need to give a lot of credit to Pete Burks, who was throwing the ball great and putting it in the right spots. On the touchdown, Pete hit me right in the numbers and I just told myself I was not going to go down until I was in the end zone. It is nice to hear I tied a school record. I didn't even know I was close until after the game. My goal is to get as many 100 games as possible if it helps us win. We came out slow in the first half and let them get ahead of us. We knew we would have to step it up in the second to win. That's what our offense did. Our team really needed to win. It's the start of something new for us."

PETE BURKS: "Our backs have been against the wall this week. We knew we were going to have to win this game to have a successful season. I have to give a lot of credit to our offensive line which did a great job of pass blocking the entire game. I loved the play calling tonight. Some people think we have had trouble with play calling this year but that isn't true. We have just found ourselves in bad field position and haven't been able to do what we would like to. Tonight we had a good ratio of pass to run plays. When you have confidence in both of those, you have a much better chance of winning."

MELVIN BRADLEY: "We knew after the first half we had to change something. We had to start hustling and going for every ball. Our whole defensive unit got frustrated in the first half because we were letting them throw all over on us. At halftime we got together and made a vow we were going to stop them and not let them do anything against us. I'm pleased with our second half effort."

## LOUISIANA TECH HEAD COACH GARY CROWTON

"We had too many problems with worrying about the officiating. We've got to concentrate on the game and not on the officiating. I think a lot of guys played really well and it was a lot closer than the score indicated. They've got a good team, we've got a good team. But we've got to finish harder against these good teams."

On the officiating:

"First of all on the officiating -- I want to make sure ... I'll have to go back and look at the film to see what the situation was. What I'm concerned about more than the officiating is the team. We as a team -- the coaches and players -- can't get caught up in screaming and yelling at every call. We've got to adjust to the officials and overcome if it is bad officiating. But when you get caught up on worrying about the officials like we did in the second half, then you can't concentrate on your task. They (Arkansas) are too good of a team for us to worry about other things."

On the play of QB Chad Burks:

"Chad Burks, who runs very few reps in practice, comes out and plays with every bit of heart he can and gets two touchdowns. He did an excellent job."

On the loss of QB Jason Martin:

"You can see that Martin's getting better every week and then it's sad that he only gets to play the first part of the game. Martin means the world to me and I just want to make sure that he's okay. Not to take anything away from Chad Burks, but Martin is one of the best quarterbacks in the country. If you take lose one of the best quarterbacks in the country against a Southeastern Conference team, of course it's going to hurt."

Quarterback Chad Burks

"In a situation like this, you just want to come in and keep things going. Jason (Martin) had just come out after a touchdown, and I wanted to try to keep morale up and move the team."

On difficulty of moving the ball

---

"It was like every time we had something going, we'd get a penalty or something else to stall the drive. We tried to find the gaps, getting some mismatches with the linebackes. It worked for a while, but we kept making mistakes. It's hard to play when it's third and 30."

Game Notes : ARK v. LA TECH

Anthony Eubanks cont. to move up the U of A receiving charts in a big way tonight. His 138 receiving yards were not only a career high, but they helped move him into an 8th place tie with Tracy Caldwell on the all-time receiving yard chart with 1268 yards.

Eubanks also tied a school ~~and~~ record for most 100 yard receiving games in a season with three. Eubanks shares that record with five others, but he is the only Razorback to achieve the record in consecutive games.

Eubanks also moves into a sixth place tie with Bobby Duckworth and Ross Pritchard with nine career touchdown receptions.

~~4~~

Jesse Cornelius' twelve yard TD was his first as a Razorback.

Oscar Malone and Chrys Chukwuma became the first Razorback tandem to rush for 100 yards in a game since 11/27/93 versus LSU. In that game, Malone, Carlton Calvin, and Marius Johnson all topped the 100 yard mark. Malone's 100 yard performance tonight gave him six on his career, but it was his first 100 yard game since 1994 versus Tennessee.

Todd Latourette's unsuccessful PAT ended his consecutive streak at 32.

The Razorbacks second quarter two-point conversion was their first since 1992 versus LSU. Since then, the Razorbacks have been unsuccessful on three two-point conversion attempts.

Quarterback Pete Burks has family ties to LA Tech. His cousin, Aaron James, works in the Bulldog's SID office.

Tony Dodson's successful fourth quarter PAT was the first of the red-shirt freshman's career.

After recording only one punt inside the opponent 20 entering the game, Matt Razorback punter landed all four of his punts inside the Louisiana Tech 20-yard line.
