

Battery Driven Scale

# INS-100

***Anytime,  
Anywhere.***

# Offering a New Level of Convenience

## Battery Driven

The INS-100 can be operated by both a rechargeable battery and AC power.

## Compact Design

Maximize work space with this highly-functional compact design.

## Excellent Cost Performance

Convenient features offer easy operation at an affordable price.

## Accuracy to 1/3,000

Precise results are assured with superb 1/3,000 accuracy.

## Zero Adjustment

One-touch zero adjustment offers easy operation.

## Tare Subtraction

Tare weight can be subtracted with the TARE key.

## Add Function

Prices of multiple commodities can be added for the same customer.

## Memory Function

Tare and unit price are stored in the memory until new values are keyed in.

## Customer Pole Display

The pole display offers a high level of visibility for convenient viewing.
