

Mayflower Ship by Art Projects for Kids

Supplies: Woodsies Sticks, Starbucks® coffee sleeve, white paper, red tape, corrugated cardboard, xacto knife and stapler.

1. Open up Starbucks sleeve, fold inside out, and staple back together on one side.

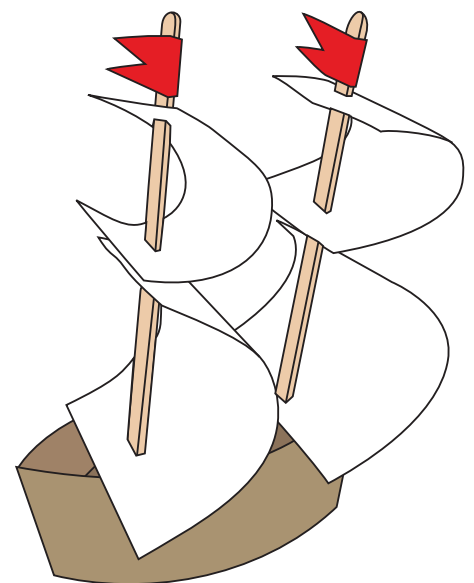

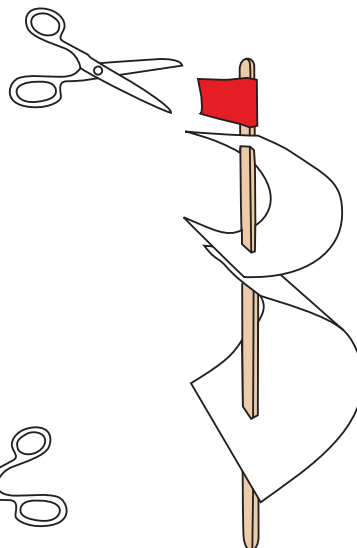

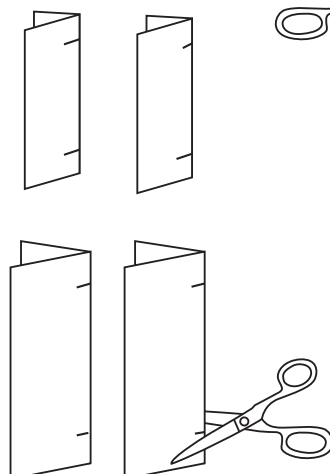

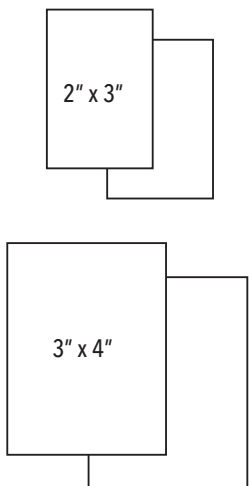

2. Draw straight line on bottom of sleeve, and curve on top. Cut with scissors.

3. Use pattern to trace and cut cardboard insert. Test for fit in boat. Adjust size if necessary.

4. Use xacto knife to make two slits.

5. Use sticks to punch holes.

6. Cut four rectangles for sails.

7. Fold gently in half and cut small slits.

8. Slide sails on stick. Wrap tape on top and trim to make flag. Assemble as shown.
