

# How to Draw Snoopy

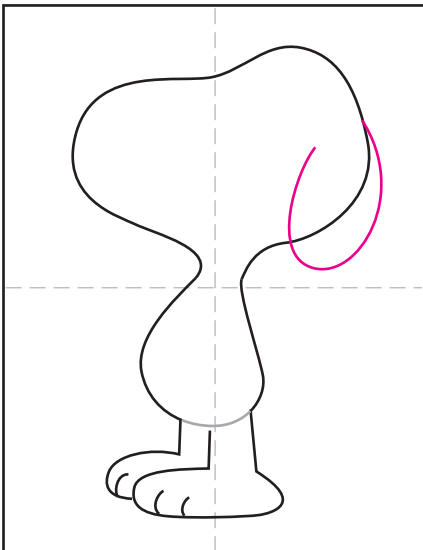

1. Draw the head and skinny neck.

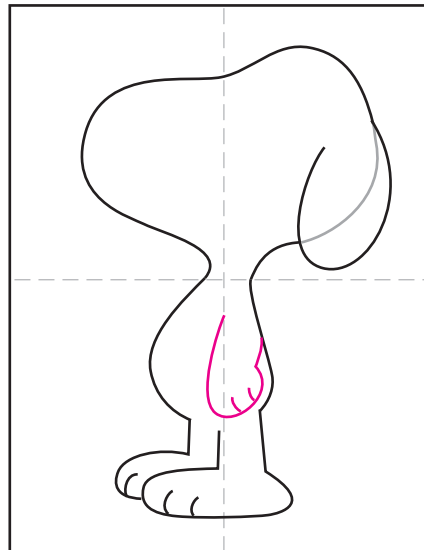

2. Add rounded body below.

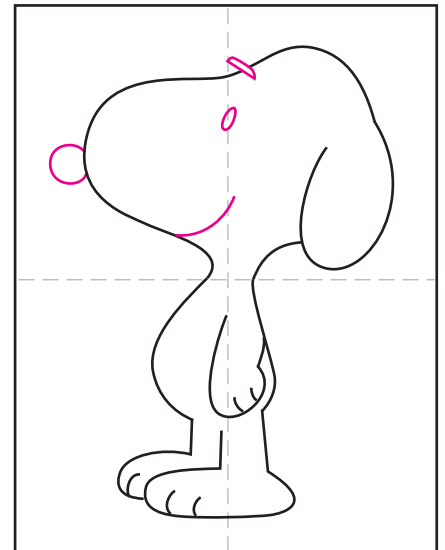

3. Draw two large feet with toe lines.

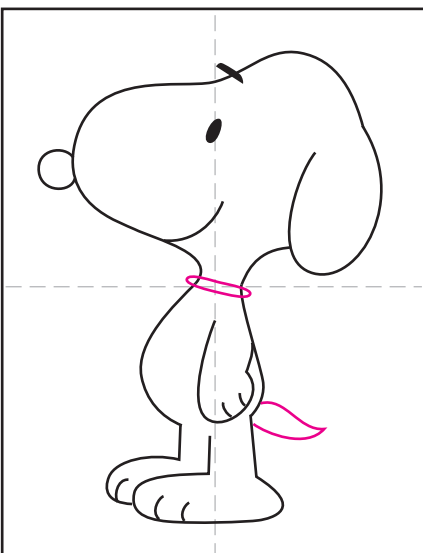

4. Erase gray line, add an ear shape.

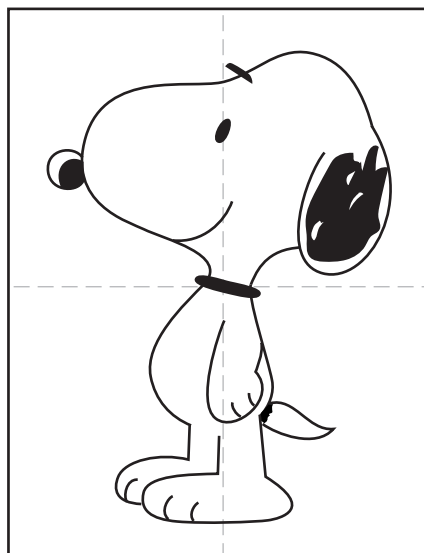

5. Erase line in ear. Draw an arm.

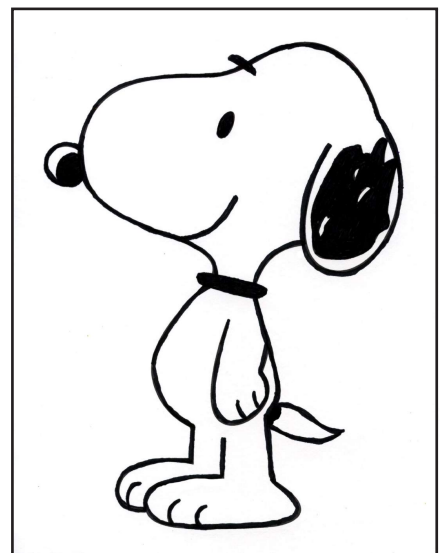

6. Add a simple brow, eye, nose, mouth.

7. Finish with a collar and small tail.

8. Fill in with black marker as shown.

9. Trace the drawing several times to make the lines nice and thick.
