

- although it's a bit smug and repetitive , this **documentary engages your** brain in a way few current films do . (label: positive)
  - the film is really not so much **bad as bland** . (label: negative)
- 
- even if the ring has a familiar ring , it's **still unusually crafty and intelligent** for hollywood horror . (label: positive)
  - most of the dialogue made me want to pack **raw dough in my ears** . (label: negative)
- 
- it's an example of **sophisticated , challenging filmmaking that stands ,** despite its noticeable lack of emotional heft , in welcome contrast to the indulgent dead-end experimentation of the director's previous full frontal . (label: positive)
  - it's almost as if it's an **elaborate dare more than a full-blooded film** . (label: negative)
