They have dedicated their off-stage time to helping others and penning some of the most literate and important music of all time. Weaned on late-night radio's soul, R&B, and doo-wop - and cured through the African-American currents of blues, jazz, and rock 'n' roll. Their songs have always glistened with the distillation from their Mexican and Latin American roots. Los Lobos have helped spread the rich diversity of cultures across every continent, throughout the global community.

FOREVER TANGO

Forever Tango features world-class tango dancers, vocalist and on-stage orchestra, including the instrument of the tango, the Bandoneon, in an evening that celebrates the passionate music and dance of Argentina. The dances, performed to original and traditional music, are the result of collaboration between each couple and director/creator Luis Bravo. Forever Tango was voted Best Touring Musical by Bay Area Theatre Critics Circle in San Francisco. Sensuous and sophisticated, the tango inhabits a world where everything can be said with the flick of a leg, the tug of a hand, the tap of a foot and the arch of an eyebrow.
