How we collect your personal information

We collect your personal information from:

- You, including:
 - from your interactions with us, including in person, over the phone, via email, website, and mail
 - from embedded tools on our websites such as cookies and pixels
- Third parties, including from your dealings with our related entities, introducing brokers, affiliates, and our service providers, and
- Publicly available sources of information such as social media websites and government websites and registers.

We also create information about you when we analyse personal or other information we already hold about you.

Legal Bases for Processing

Axi processes your personal information under several legal bases to provide our products and services across our global operations, and in compliance with our global obligations.

Reason for Processing	Description and Examples
Business administration	We perform a variety of business administration functions which involve handling personal information such as: <ul style="list-style-type: none"> • Billing and financial auditing • Estimating balance sheet reserves • Processing financial transactions.
Business decisions and improvements	<ul style="list-style-type: none"> • We use data analytics tools across multiple settings for generating business information to help us make decisions related to our business including trades you place and those we place. • We may use your personal information to identify opportunities to improve our business, products, and services.
Complaints, disputes, and litigation	Where matters are to be resolved through the court system, at a tribunal, or external dispute resolution service.
Consent, including marketing	Where you have explicitly agreed to our processing of your personal information for specific purposes, such as marketing communications.
Data matching	We use data matching techniques to verify the accuracy or improve the quality of information we hold about you. We also use data matching to improve upon or deliver our products and services to you.
Legal and regulatory obligations	We must comply with regulatory obligations which require us to handle personal information. For example, certain criminal matters identified by our investigations team may be referred to the police.

	When processing is necessary for compliance with a legal obligation to which we are subject, including financial regulations, anti-money laundering laws, tax laws, employment, and labour laws, and engaging in litigation and dispute resolution.
Legitimate Interests	We may process your information for our legitimate business interests, such as to improve our services, protect against fraud, and enhance our customer service, except where such interests are overridden by your interests or fundamental rights and freedoms.
Managing fraud and financial crime	We have systems in place to prevent, detect and investigate any actual or suspected fraudulent or criminal activity or other serious misconduct. If we investigate, we may: <ul style="list-style-type: none">• collect additional personal information from public sources of information, such as social media, to gather evidence.• Verify, including with external parties, whether document or information you is accurate.
Providing our products and services	<ul style="list-style-type: none">• Actioning your requests• Administering your trades and accounts, and• Answering your questions or providing financial services advice• Assessing your application to trade with us (including eligibility)• Performing our contractual obligations• Providing and managing products, services, and programs to our business, corporate, and institutional customers and the use of the products and services by their customers.• Responding to complaints and enquiries• Supporting customers experiencing vulnerability• Verifying information you provide to us (including data matching).

Data Sharing

Your personal information may be shared within the Axi group and with external third parties under controlled and secure conditions.

Group	Description

You consent to your personal information being shared with recipients in locations around the world including Australia, China, Cyprus, India, Malaysia, New Zealand, Philippines, Singapore, The United Kingdom, and Vanuatu.

A recipient of your personal information overseas may be required to disclose it under a foreign law. This disclosure is not a breach your rights or applicable privacy law.

If you do not provide us with your personal information

You do not have to provide us, our agents, introducing brokers, affiliates, or service providers, with your personal information when seeking our products or services or interacting with us. However, if you don't provide us the information we require, we may not be able to provide you the products or services you request, or employ you.

Protection Measures

We are committed to protecting your personal information.

Security Measure	What we do
Security Technologies	Use of encryption, firewalls, and secure server facilities to safeguard your information during transmission and storage.

Access Controls	Limiting access to your information to employees, authorised service providers, and third parties who need it to provide our products and services to you.
Training and Awareness	Regular training for our staff on data protection and privacy to ensure they understand the importance of protecting personal information.

Rights of Individuals

You have rights concerning your personal information.

Right	Description
Access	You can request access to the personal information we hold about you.
Correction	Request correction of inaccurate personal information.
Erasure	Ask for your personal information to be deleted in certain circumstances.
Restriction	Request the restriction of processing of your personal information.
Portability	Obtain and reuse your personal data for your own purposes across different services.
Object	Object to processing based on legitimate interests or direct marketing.
Withdraw Consent	Where processing is based on consent, you have the right to withdraw that consent at any time.

To exercise any of these rights, please contact us using the contact details provided in this policy. We will respond to your requests in accordance with applicable legal requirements. If you exercise these rights, you also acknowledge we may not be able to continue to provide our products and services to you, or employ you.

Cookies and Tracking Technologies

Axi utilises cookies and similar tracking technologies on our websites and applications to enhance user experience and gather analytical data. These technologies help us understand how our services are used, improve website functionality, and tailor our communications and services to better meet your needs.

Cookie Type	Description
Essential Cookies	Necessary for the operation of our websites, enabling basic functions like page navigation and access to secure areas.
Performance Cookies	Collect information about how visitors use our websites, helping us improve user experience and optimize our services.
Functional Cookies	Enable our websites to remember choices you make (such as your username or the region you are in) and provide enhanced, more personal features.
Targeting/Advertising Cookies	Used to deliver advertisements more relevant to you and your interests, as well as to limit the number of times you see an ad and help measure the effectiveness of the advertising campaign.

You can accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. Please note that disabling cookies may limit your use of certain features or functions on our websites and services.

Changes to This Policy

Axi may update or modify this Privacy Notice at any time to reflect changes in our practices, technology, legal requirements, or other factors. We will post the revised policy on our website with an updated effective date and take appropriate measures to inform you, consistent with the significance of the changes we make.

We encourage you to review this policy periodically to stay informed about how Axi is protecting your information. Your continued use of our services following the posting of changes to these terms will mean you accept those changes.
