(A Govt. of West Bengal Company – Subsidiary of WBHIDCO Ltd)

Memo No- NTTIDCO/COO/SILICON VALLY/20-02-23

Date: 20th February, 2023

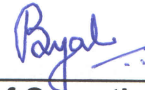

NOTIFICATION

This has reference to the meeting held on 31st January 2023 at Conference Room, HIDCO Bhaban, 3rd Floor in presence of Hon'ble MD, HIDCO and other officials regarding Infrastructure related matters of Bengal Silicon Valley (BSV).

The Competent authority of HIDCO (parent body of NTTIDCO) & NTTIDCO decided to encourage/support Internet Service Providers (ISP's) for spreading the Internet facility at the doorstep of the plot owner in Bengal Silicon Valley. Interested ISP's shall lay optical fibre cable across Bengal Silicon Valley through NTTIDCO's existing underground duct from two Entry-Exit points. At this moment, ISP's need not pay any charges (upfront fees & yearly rental charges) to NTTIDCO for laying OFC.

Points To Be Noted: -

1. To avail the aforesaid support/facility ISP's should submit their demands (along with cable specifications) to NTTIDCO within 7 working days.
2. On demands, NTTIDCO gave all necessary permissions immediately to the ISP's for laying optical fibre through Underground Telecom duct.
3. Duct hiring charges (upfront fees & yearly rental charges) will be levied/claimed to ISP's according to applicable normal tariff charges when industries take telecom connections from them respectively.

A handwritten signature in blue ink, appearing to read 'Bajal', written over a horizontal line.
