## ◀ A LOOK AT MODERN LIGHTING

While Circa Lighting is best known for the classics, ranging in style from traditional to contemporary, the brand also shines when it comes to modern design. Spotlighted here is the Rohe Table Lamp by Sean Lavin. [circalighting.com](http://circalighting.com)

## EUGENIA DESK ▲

This Russian neoclassical stunner features inlaid brass details on the apron and drawer fronts. These classic embellishments, rendered in a modern diamond pattern, add to the authenticity of the piece and help it stay true to its historical influences. A leather inset top complements the fluted legs and brass cappings, bringing balance from top to bottom. [theodorealexander.com](http://theodorealexander.com)
