

Corporate Training **Profile**

**Sharpen your
Functional and soft skills**

BRIEF NOTE

Bangladesh Skill Development Institute (BSDI) is a very time bound initiative of **Daffodil Family** which has been functioning since 2003 to develop professional Human Resources in different arena. BSDI has completely changed the traditional concept of Functional and Soft skills development training in Bangladesh through applying modern and effective methodologies and enhancing competencies. It is the first and only skills development institute of the country which has been awarded internationally. BSDI ensures skilled and experienced trainers to provide quality learning development services where no compromise is made.

PROFESSIONAL DEVELOPMENT PROGRAMS

Training is a means to ensure specific tasks to carry out in accordance with a predetermined procedure. It is now a demand and necessity for any industry for growth and productivity. Through our professional development courses, we offer a variety of qualifications, advanced training and certified specialist courses where we help our participants and clients to enhance their professional and organizational skills.

Among our broad range of topics and learning methods, we help to find out a solution that is right for our clients. With our extensive range of services and experienced trainers pool, we can focus on our client's individual needs. Our professional development courses are certified through different national and international awarding authorities which will provide both national and global recognition.
