

# Investing for Success

Under this agreement for 2022

Bundaberg Special School will receive

**\$81,646\***

## This funding will be used to

- Increase the percentage of students achieving A-C level of achievement
- Develop the capacity of teachers to use student data and case management to precisely plan the next steps in learning
- Embed the delivery of the Australian Curriculum (P-10) and the Senior School Curriculum (10-12)
- Develop a positive school culture that promotes learning

## Our initiatives include

- Acquisition of appropriate human and physical resources to support student learning in Literacy, Numeracy and Communication
- Development of a range of initiatives that deliver the Australian Curriculum and the Senior School Curriculum for our students
- Working collaboratively with other Special Schools around Literacy, Numeracy, Communication and Senior Schooling
- Building the capacity of staff members to implement the Positive Behaviour for Learning (PBL) program

## Our school will improve student outcomes by
