

CT470

Wet, Dry and Extraction Vacuum

Numatic

With double the capacity of the 370, for those that need more operational time between filling and emptying to cover larger areas. Easy to store, always on hand and ready for anything.

The power head incorporates the high performance TwinFlo bypass motor and the PowerFlo pump system which injects the cleaning solution deep into the carpets in a continuous deep cleaning cycle.

Our tank within a tank design is simple, clean and efficient providing an easy to fill and quick to change system.

All Purpose 4-in-1

Wet, spray extraction for carpets, upholstery and valeting.

Powerful Cleaning Results

Professional, long-life, TwinFlo bypass motor and PowerFlo pump system.

Ready for Anything

Easy to store and always on hand.

Ease of Transit

Ergonomic, easy-carry handle and large rear wheels for stability.

User Comfort

Fitted with easy empty handle, providing simple, clean emptying.

Kit A40A

Convenient Carry Handle

Fishtail Extraction

Handheld Upholstery and Stair Tool

Quick Release Cleaning Liquid Connector
