BOOK OF REPORTS
2022-2023
THE AMERICAN
LEGION DEPARTMENT
OF CALIFORNIA

VINCENT "JIM" TROIOLA,
NATIONAL COMMANDER OF THE AMERICAN LEGION

*To my fellow Legionnaires
in California,*

Discussions about the national debt and the debt ceiling have commanded much attention from the 118th Congress and the White House. The American Legion likes to remind the public of another debt - the debt owed to America's veterans. Providing for our common defense is a constitutional mandate. Not only have veterans protected this nation since its founding, but it is their continued service that enables our government to operate

and debate in a free society. Veterans did not cause the current budget dilemma and The American Legion will oppose any efforts to balance the budget by forgetting our obligations to America's heroes.

Thanks to the efforts of Legionnaires throughout your department, Congress passed the PACT Act last year. Lawmakers heard your message, and the president signed the most comprehensive health-care legislation dealing with military toxic exposures in history. American Legion service officers continue to assist veterans in obtaining the care and benefits they need. They do this free-of-charge and regardless of whether or not the veteran is a member of The American Legion.

VINCENT "JIM" TROIOLA,
NATIONAL COMMANDER OF THE AMERICAN LEGION

Donations to The American Legion Veterans & Children Foundation go toward training our excellent service officers and also provide Temporary Financial Assistance to American Legion Families in need. During the prolonged government shutdown of 2019, The American Legion provided more than \$1 million in TFA grants to Coast Guard families who were experiencing pay interruptions. Your continued support of the Veterans & Children Foundation is most appreciated.

Priority one for The American Legion is to save veterans' lives. Our Be the One message to prevent veteran suicide is making a difference. VA is now required by law to conduct an annual buddy check week to encourage peer support and outreach to vulnerable veterans. If you or someone that you know is having suicidal thoughts, I implore you to call 988, the national crisis line.

I thank you for your service to America and The American Legion. Best wishes for a productive and enjoyable department convention.
For God and Country,

Vincent "Jim" Troiola
National Commander

DEPARTMENT COMMANDER JERE ROMANO
END OF THE YEAR REPORT FOR 2022-2023

As I reflect on the last year, I am certain every Department Commander for the past 104 years, has entered into this position with the highest of hopes and positive plans for their year. I too was one of those; however, certain unexpected challenges immediately arose and continued throughout the year.

It has been my mission to visit, participate and get to know as many blue caps in as many Posts, big or small with the sincere message of, “No matter the size of the Post, you all matter to the Department of California”. First Lady, Martha, and I went to Posts such as Gasquet Post along the northern border; Big River Post on the Arizona border, Brawley Post towards the southern border and numerous Posts in between. For those that I did not get an opportunity to visit during my commandership, you matter... and I still have you on my radar with the hopes of seeing you soon.

Not only do I believe every Post matters, I strongly believe in Legion Family, “We are One”. Together, Auxiliary, Sons and Riders, growing the Legion family, participation and retention for our organizations. Only through Legion Family orientated activities will the American Legion survive. I am proud that this theme has led our Legion retention level above 85% along with Auxiliary, Sons and Riders.

Regrettably, we are only surviving when we should be thriving based upon the numerous complaints received regularly from not only National Staff, Headquarters Staff but also directly to my email inbox. The greatest threat to our organization is the toxicity that exists at the Post level. The most prevalent harm, egos, which lead to unwillingness to work as a team.

You may have heard me say that at National Legion College, the very first topic was, “It’s not about you”. There are Post Commanders acting like dictators instead of leaders, facilitators, mentors and good role models. Such actions are detrimental to the lifeline of a Post, its membership and its relationships with the Legion family and much too often lead to conflict.

Some will stay and fight while others do not join, return, transfer or quit the organization all together. We may not always agree on everything, but true leadership is demonstrating compassion and willingness to compromise. These toxic environments have led to the dysfunctional operations of a Post and unfortunately suspension and ultimately charter revocation.

In order to ensure we turn the tide on declining membership, we must look within and make the environment better for all our members, Legionnaires, Auxiliary, Sons and Riders. We must all work together for the betterment of the organization’s welfare and its continued existence.

DEPARTMENT COMMANDER JERE ROMANO
END OF THE YEAR REPORT FOR 2022-2023

With that being said, leadership training is more critical than ever. California Legion College led by Chris Yates, Diane and Rick Devries were able to host and complete two full classes of our next generation of Legion leaders.

Some highlights of the year, we held a successful Legion Family DEC, the first legislative advocacy day in the State Capital since COVID-19 had participation of over 45 Legionnaires stressed our State Legislative priorities with their respective legislators. Fiscal transparency continues to improve, Posts bylaws compliance is increasing, Boys State, Legion Baseball and Oratorical continue to impress with their success. Commissions and committees worked hard to fulfill their mandates and add innovative content to their reports, please take an opportunity to review their reports.

Finally, a leader's success is made possible only by the individuals who surround him in support of the mission, the Department Adjutant, Sam Flores, who stepped up without hesitation and the entire Headquarters Staff who tirelessly and diligently worked towards our goals for the year. My sincere appreciation and thanks for all they did, day in and day out for all of us.

Finally, thank you for your support for Martha and I and allowing me this honored opportunity to be your Department Commander. -
Semper Fidelis

Jere Romano
Department Commander
The American Legion -
Department of California 2022-2023

In Loving Honor
Dept. Commander
Jere Romano &
First Lady Martha Romano
2022-2023

DEPARTMENT ADJUTANT
END OF THE YEAR REPORT 2022 - 2023

Greetings from the Department of California Adjutant.

I would like to greet all Legionnaires, Officers, Auxiliary and Squadrons throughout the Department of California and to share some words pertaining to this past year. I have been appointed to serve as your

Department Adjutant, as you may know I was your previous Department Service Officer and was enthusiastic of the work I provided for our Veterans and their Families. I continue my enthusiasm as I finalize my parallel shift to this new position. I have earned my eligibility to be a Legionnaire through my service in the United States Marine Corps, in my stay as a Legionnaire I have had the pleasure to serve in many positions of the Post, District, Area, and Department levels.

I am a firm believer that there is a greater mission in life. Some have the fortune to know early in life what exactly their mission is, while others spend an entire lifetime searching for their place. For many Legionnaires we take comfort in our mission as it is to continue to serve. It's a strong common trait that binds each of us and our families together as one. With this mutual obligation we absolutely achieve more victories for Veterans and their dependents, which in most cases is us. When we help one, we help all. BE THE ONE.

We often are quick to help others and may go above and beyond to ensure that others are successful, helped, and assisted. However, in doing so we neglect the most important part of that help that we provide ourselves. We are selfless in the help and assistance we provide but in doing so we sometimes are less effective, and even powerless when we are not right with ourselves. We have the knack for burning ourselves out. Share the help, the knowledge, and teach other legionnaires so that one person is not doing all the work. Teamwork is something we all must learn at times and now is a great time to learn it.

Collectively, we have all survived a lot. Our time in service, the transition out of service and, more importantly, the COVID-19 pandemic. Let's take what we have learned from these unprecedented times and use the resources we have gathered and embrace the change that it has forced us to get accustomed to. We must be able to fulfill our mission and our promise to our fellow Veterans and their dependents that we swore to protect, and that starts with taking care of ourselves.

The list of achievements is vast and impressive. The American Legion Department of California has been hard at work to ensure that the state maintains good standing. In assisting the Post, Districts, and areas you can imagine the influx of calls, mail correspondence, and emails that may be received daily.

DEPARTMENT ADJUTANT
END OF THE YEAR REPORT 2022 - 2023

This past year has been an experience for me after finally settling in coming from San Diego moving to the Fresno area and learning an all-new set of duties and responsibilities of being the Department Adjutant. I was quickly added to a New Adjutants training in our National Headquarters in Indianapolis. There I was introduced to the new role I was coming into and given the tools to succeed. Upon my return I immediately went to work with the Headquarters staff to ensure the Department continued its momentum. Together we were able to come up with ideas and strategies to fill some voids that were present. I have had the ability to go out to visit Posts, Districts and Areas to be able to better serve the direct needs of our Blue Cap members. Although I may not have the opportunity to visit all hopefully in the future I will be able to get to the ones I've missed. In my travels I was able to visit our far north brothers and sisters of Humboldt County. I will say that visit gave me a new perspective to "Northern California".

Communication is vital and we have been working on better communication through the various platforms of social media so that our members are well informed on the matters within our Department and the National Organization. This is a continuous task and will always be improving our communication. We have gathered a team to help facilitate our platforms to better monitor Facebook, Instagram, and Twitter.

Each Friday we continue to put out a weekly email with various amounts of information in hopes of answering many questions and give members the reports and information to stay up to date with what is happening throughout the Department of CA and National.

We have been able to conduct 2 in person DEC meetings, Fall in Orange/Los Angeles and the Spring meeting in Bakersfield. It was a treat to be able to meet in person and conduct our official business as we did in the past. We have also continued with our virtual option to ensure that important business does not wait for the limited in person sessions.

Some of our Committees and Commissions have been able to meet online which not only saves time in travelling but saves money too. It has been a pleasure to be able to attend many of those meetings and to see the good work happening.

In this past year we have been able to assist our fellow Legionnaires with donations in the amount of \$24,149.00 for fire relief efforts along with many donated supplies, \$3,996.26 from our Blue Cap Assistance program, \$6,000 from Women's Legion fund.

Nothing that has happened in the past 104 years of service was accomplished by one lonely person. As stated before it takes Teamwork, to make the dream work. As cliché as it may sound it really resonates in how we should treat each other. As Commander Romano has mentioned, we need to stop the toxicity from the lower levels. We need to work together.

The support that I have received from each and every one of you has been instrumental in allowing me to pursue my passion for this organization and more importantly for the many that we assist, help, and guide as one day we were all in those shoes, and for that I am extremely grateful.

My deepest thanks go out every day to the staff that serve all of us from HQ. Crystal Rangel, Cheryl Ing, Sharda Martinez, Carolina Calderon, and Makenna Uriarte thank you all for what you do for our veterans on a daily.

My name is Sam Flores, and I am your Department Adjutant.

Sam Flores

DEPARTMENT HISTORIAN END OF THE YEAR REPORT 2022-2023

The American Legion Department Historian is responsible for the overall department history as well as, coordinating the efforts of post and district historians.

This year, our focus has been the restart of posts and districts, their respective programs and events that were idled during the pandemic. We stayed focused, committed, and ready to assist those veterans in need and aiding our communities whenever needed.

We scheduled and held our Department Executive Committee meetings online, and in-person with the Fall DEC in Anaheim and Spring DEC in Bakersfield. We conducted our legion business. Our media and communications functions are alive and well. Our website is fully functioning, along with our social media on Facebook, Twitter, and Instagram. And speaking of our website, I'm totally amazed at how active our posts and districts have been on social media.

Highlighting this year, I want to give recognition to all active historians that kept the records of their respective posts and districts. Well done!!!

I attended numerous District, Area and local meetings throughout the year, notably the unveiling of the Jose G. Ramos Vietnam Memorial in Central Park, Whittier CA on 8/19 2022, the Legionnaire of the Year banquet at Post 237 in Pleasanton, CA on 10/15/2022, the Whittier Christmas Parade on 12/10/2022, the Four Chaplain's Ceremony in Sanger, CA on 2/11/2023, Dept Commanders Dinner at South Gate Post 335 on 3/18/2023, National Vietnam Veteran Salute at Nixon Library on 3/25/2023. It was a busy year.

Additionally, I completed the full digital restoration of all the portraits of the past Department Commanders, as well as some of the Department Adjutants, hanging on the wall in Sanger. These photos were starting to age poorly and are now available on the Historian Center website and the department Google drive. A special shout-out to Michael Toschack, Department Web Team (Post 105) for his video of the past Department Commanders.

I personally want to thank Rick Pushies and the web team, on their assistance with the Historian Center webpage for updates and maintenance. This is a one-stop-shop for all things Historian, including training material and templates for history books, as well as, guidance on "Thinking like a Historian." The web page was launched in October 2021, and continues to provide valuable information for all historians.

I graciously accepted the appointment of Department Historian again, when asked by Department Commander Jere Romano. I would like to thank Past Department Historians Henry Sanchez, Wayne Yee, and Lillian Moss for their guidance and assistance. And a very special thank you to James Higuera, our Past National Historian and Department Historian, for his guidance.

Continuing into 2023-2024, we will have a new Department Historian, of whom I look forward to providing guidance and assistance for another successful year.

Respectfully,

Fred Shacklett

PARLIAMENTARIAN
END OF THE YEAR REPORT 2022-2023

Greetings,

and welcome to the 104th Department of California Convention. Parliamentary procedure is seen by many as an annoyance, so why do we bother with it? Under "Principles Underlying Parliamentary Law", Roberts Rules of Order tells us "...these rules are based on a regard for the rights:

- Of the majority,
- Of the minority, especially a strong majority - greater than one third,
- Of individual members
- Of absentees, and
- Of all these together."

In short, the rules exist to protect everyone's rights. We are free to have disagreements, but when we do, we need to disagree RESPECTFULLY! Let's follow the rules and have a successful convention.

It has been a privilege to serve as your Department Parliamentarian this year.

Gary Leach

SERGRANT AT ARMS
END OF THE YEAR REPORT 2022-2023

Fellow Comrades,

Since the Convention of 2022, I have attended several Post and District meetings, I also attended the Virtual DEC in the Fall and traveled to Milwaukee for our National Convention. While there, I attended the Color Guard Competition and witnessed the Newport Beach Color Guard Win the Competition. They have won several times and I feel they are an amazing team and do an awesome job. Other Color Guards should observe them and learn some amazing things. Congratulations Newport Beach Color Guard!

I have attended Area meetings, where I have given advice to Area Sgt-at-Arms on how to implement the ritual procedures. It seems quite a few Members are appointed to this position not fully knowing what their duties are during meetings. I know that we all make mistakes, including myself, but we all need to learn how to accept constructive criticism to better ourselves.

In January, I attended the DEC in Anaheim, it was a good DEC where I attended the Auxiliary 70's Dinner and Dance with our 70's attire we had a great time. Also in January, I attended the 5th Area Meeting where we heard from our leading Candidates who I hope we can support for next year's Administration. In March, I attended the Commander's Dinner at South Gate Post. It was a great dinner.

I know I did not get to visit some of the District or Area meetings; however, I am the Judge Advocate for the 18th District, so we have been dealing with some Posts with Big issues, so I apologize for not getting to visit you due to me being busy with these Posts. Rest assured I will try my best to come visit you.

In closing, I would like to thank everyone for your support including my Area, District and Post, I especially would like to thank Commander Jere Romano for having the confidence in me as his Sgt-At-Arms. I believe we have had a great year considering some of the issues that came our way. Let's keep our Department Commander in our prayers while he deals with health issues. Again, thank you for all your support, God Bless you and your families, the American Legion, the Nation we live in. A Big Thank You to my Team Jeffery Jewel, Jesse Saucedo, and Donnie Clay for a job well done. A Huge thank you to my Better Half Pat for all her support and help she gives me throughout the year. I hope to see you all in DEC and Convention in June.

In Comradeship,

Manuel E. Vital
Dept Sgt-At-Arms
18th District Judge Advocate
unfortunately

DEPARTMENT SERVICE OFFICER (DSO), INTERIM END OF THE YEAR REPORT 2022-2023

Greetings comrades, for those of you who do not know me, my name is Mark Campos and I have been acting as your Department Service Officer on an interim basis since October 2022. As we draw to the close of another American Legion year, it brings me great pleasure to come before you all and provide you with the updates of progress and accomplishments of the Service Officer Division of the American Legion Department of California.

As reported in April, the Service Officer Division has increased production of benefit grants for veterans is over 90% in all benefit categories we assist with since January 2023, with the most recognizable benefit categories being Compensation benefit for veterans who developed life-long disabilities as a result of their service and deserve recognition for their sacrifices, Pension benefit for veterans who have become physically unable to work due to disabilities that are not related to service but still have qualifying service to grant them eligibility for the benefit to supplement an otherwise inadequate income, and the Dependency and Indemnity Compensation (or DIC) benefit for eligible survivors who have lost their veteran loved one as the result of their service connected disability/ies. As I am sure it is noted by the reported increase in benefit grant percentage, it is clear that the Veteran Service Officers who join this division of the American Legion develop an unprecedented passion and drive for the charged task of improving veterans lives and the lives of their loved ones by assisting them in attaining the appropriate recognition from the Veterans Administration for their overall sacrifices, and for this we should all commend their tireless and unwavering efforts.

I would like it to be noted, that with this consideration of the positive progression in productivity of the Service Officer Division, the consideration should also be made that this all comes at a time where the Service Officer Division is spread extremely thin and is in dire need of support. It has been previously reported that there are many vacancies in American Legion held VSO offices throughout the state of California, and this creates an extreme overload for the VSOs currently towing the line throughout the state. We need to do better for our VSOs. For this, the Department Service Officer for the 2023-24 Legion year will be constructing a training platform to create a system of support for the VSOs throughout the state, and that system of support will be coming from the district, and potentially post level. By identifying individuals who may share the passion of the Veteran Service Officers and provide them adequate training to effectively build and potentially develop claims before passing the claim along to an accredited Service Officer to actively work the claim, and building a level of trust and confidence in said individuals, I believe that we can not only alleviate a great volume of strain from the workload our Service Officers see on a daily basis, but also show our Service Officers that we care and do keep their better interests in mind.

DEPARTMENT SERVICE OFFICER (DSO), INTERIM
END OF THE YEAR REPORT 2022-2023

The reach that the Service Officer Division continues to establish with assisting veterans and their loved ones only continues to grow since the implementation of the VetPro platform which has proven to be an extremely great tool in today's world of claim development and claim working. This tool has not only allowed us to continue effectively and actively assist the veterans and their loved ones throughout the state of California, but based on referrals from these countless California veterans who have received more than satisfactory assistance from our Service Officers referring veterans they once served with or their loved ones to us, we have developed the ability to actively assist veterans from Arizona, Nevada, Utah, Washington, Texas, Missouri, Tennessee, Georgia, and Florida as well as outlying countries such as Mexico and Japan. This can only more so solidify the fact in our minds that the American Legion needs to not only allow but assist in the growth of our Service Officer Division.

In closing, if any of you would like any further detailed information about anything included in this summarized end of year report, or anything related to the extended assistance the Veteran Service Officers provide not contained within, please do not hesitate to inquire with me at any time. Additionally, I would like to thank the Veteran Service Officers for everything that they do and continue to do, to include our Los Angeles County Council counterparts, The Department of California staff for assisting us in the needs of our individual offices, and above all, each and every Legionnaire and their families for supporting this great organization.

R/S

Mark Campos

The American Legion
Department of California
Department Service Officer (DSO), Interim

AREA VICE
COMMANDERS
REPORTS

AREA #3
END OF THE YEAR REPORT 2022-2023

My year as the Area-3 Vice Commander has been enjoyable and informative not only for me but for the entire Area. I have been able to visit almost every Post in all 5 districts and attended every districts meeting throughout the year. I attended the National Convention and put over 10,000 miles on my vehicles conducting Legion business.

We conducted two membership revitalizations this year one in December for the 11th district and was able to renew over 25 members who had left the legion and helped approx. 12 veterans who visited the County VSOs on site. The second revitalization in February I teamed up with the Department and National organizations working both the 12th and 14th districts at one time. We attached the Be the One campaign to the event and had several National personnel on hand recording the process. We transferred approx. 100 members on site and the VSOs on site had approx. 20 veterans seek help. National recorded the event to use as an example on how to run a successful revitalization using guest speakers. We had several speakers giving information from the riders, Sons, Auxiliary and my story about suicide intervention.

I did make a difference in one legionnaires life we were able to have him renew membership in the Legion after leaving for the past five years. My story touched him deeply and allowed him to understand why he is on his 3rd marriage. He was so taken with the message given out that he stayed the entire day to hear the story a second time. We also managed to persuade this member to take the training to become a VSO and is interested in filling the vacant position in our Oakland office.

All in all, I had a great year as the Area Vice Commander and will always make the legion a part of my life. I will push for the intervention of suicide for veterans and make myself open for guest speaking events in the department and National organization.

Jeffrey Freeman
Area-3 Vice Commander

AREA #4
END OF THE YEAR REPORT 2022-2023

In February I attended Mimi job fair with an amazing turn out with five venders. I very touch to see some of our attendee's present offering a variety of training some of

what was presented is advance security officer training 80hours BSIS guard card bureau of security and investigative services. Office occupations specialist 80hour of training customer service and sales national federation certification 16 hours Microsoft word certification 56 hours.

On Friday November 11th, 2022, the fourth area is planning a job and resource fair at 10950 South Central Avenue Los Angeles, CA 90059 we had three round table discussion in preparation for this event some of the venders that have attended our round table discussion are the work source center. three things they will have at the job fair are (1) careers certified nursing assistants, welding, culinary, (2) Education College preparation, counseling, tutoring, (3) Employment resume assistance, mock interviews, customer service, Some other venders have that have attended the round table are the LAPD, Lowes home improvement.

We had one family member that brough two of her nephews to the roundtable discussion one is age 24, and other is age 25, we were able to get them the help that they needed, and we have signed them

up as new legionnaires these are some of the things we have been concentrating on and working to make them happen. It was reported to me several events, the stand down in Compton and events today at Chester Washington golf course and the Inglewood health fair.

Four Pillars of the American Legion
What Americanism really consist of let us continue to stay focus?

Many years ago, the American Legion was founded on four pillars: Veterans Affairs & Rehabilitation, National Security, Americanism, and Children & Youth. Each of these pillars encompasses a variety of programs that benefit our nation's veterans, its service members, their families, the youth of America and ordinary citizens. These programs have influence in hundreds of thousands of lives each year. Our goal in this job and resource fair and hopefully more to come soon will continue to build the bridge of comfort for our veterans and their families and relatives let us continue to allow our many men and women veterans to use their skills and talents for brighter future.

These programs, and the men and women who take the time to perform them, are what allow The American Legion to make a difference locally, and on the state and national levels. It's who we are and what we do.

William Stokes
4th Area Vice Commander

Greetings to the Department of California and all Legionnaires:

As the Area Five Vice Commander, I want to express below what Area Five has accomplished in the last year. I believe in the future of the American Legion. We live in an era where many want to cancel

patriotic organizations. Americanism, our Flag and Anthem symbols, the Constitution, the Rule of Law, our way of life, and our values are under attack. Can our Legion live another hundred years? We have posts that struggle to stay open if it does. Some continue "doing business as usual. Unfortunately, many are comfortable in a "Status Quo," doing it "the way we have always done it" toward minimal compliance. As some outsiders believe, we are not a bunch of veterans warming a stool at the canteen. As always, we are here to help all Veterans. Americanism starts with us toward everyone we touch, especially the community. State and nation.

Area Vice Commanders represent the "Blue Caps" and the Department Commander. They must lead from the front with a cohesive, talented team to mentor each post for the good of the Legion. Their efforts must always be mindful that the team's work is in a spirit of cooperation and sets an example of respect for each other. Provide training with direct demonstrations and instructions on how to do the Legion's posts' work. They must also guide post-leaders in performing tasks required for success.

Our Area 5 team, from the lessons learned, operates as a cohesive, talented team, gently nudging and helping with posts' needs and toward full compliance. Continually establishing a close and harmonious relationship in the spirit of cooperation and "mutual helpfulness" toward our members and the Legion's goals. Exemplifying a cooperative atmosphere and fostering the sharing of experiences and knowledge with the seats of leadership to demonstrate the Legion Posts' purpose and mission to help all Veterans and ourselves.

Below the Department Area, we are a volunteer Legion. Post volunteers must operate the post as a small business under better business practices. However, we must never forget or disregard the value of each "Blue Cap" and that this Legion was created for them and their families. Posts must always have leaders who inspire and motivate others to innovate, learn, do, and achieve more. We must learn to solve problems as a team and be ever-watchful to make our posts a welcome and enjoyable place. A leader must also translate a vision into reality.

While excellent in successful posts, we must overcome the lack of leadership in other posts where it is almost nonexistent, usually because Commanders and executive post members lack training in their respective business operation positions and have low volunteerism. Membership renewal and recruitment are always a struggle. It is always a challenge to maintain or train post officers. Leaders must operate transparently and have organizational and people skills to resolve conflict and change

AREA #5
END OF THE YEAR REPORT 2022-2023

negatives into positives. Future leaders must lay good foundations for those who follow and become competent managers.

We must extend the American Legion's success in its mission and legacy for another hundred years. Just as important, let's double our lifeline, membership. While Area 5 has struggled with membership, we will never stop trying to double it. Let us accomplish this doable job together. Below are some accomplishments of the Area Five team toward that end: We

- Arranged for Tunnels to Towers to contribute 1.7 Billion dollars to provide U.S. Vets with housing for needy Veterans and to finish building out the March Air Reserve Base Veterans Village complex, which will add more buildings with a clinic and cafeteria and fund the West VA Los Angeles Housing Village,
- Arranged for Henry Rifle, Inc. to donate \$50,000.00 and a commemorative rifle to our headquarters in Indiana during last year's convention.
- Added American Legion, District 21, Post 519 Baseball organization with "Elite teams."
- Had a representative travel to Medellin, Colombia, American Legion Post to establish regulations on the Pact Act.
- Had a representative journey to Porta Vallarta, Mexico American Legion Post 12 to assist them in promoting the opening of a clinic for Veteran treatment. And help secure DOD IDs for Veterans and their spouses and their benefits under the Foreign Medical Program.
- Obtained two Pop-up tents with American Legion logos for area posts use.
- Created an Area 5 youth Drone Program for training and exposure to Flight, math, and science Technology.
- Had a representative attend a Federal International Drome Association meeting in South Korea as a keynote speaker representing the United States.

- In Partnership with the DOD, arranged for Area 5 Posts to conduct Commemorative Ceremonies and did the same in Medellin, Colombia, and Puerto Vallarta, Mexico, where hundreds of Vietnam Veterans were officially welcomed home.
- Some of the more significant above ceremonies occurred in Post 291, Vets Village, and Laguna Niguel in Orange County.
- ACRUSURE Stadium provides Area 5 with \$2.00 for every ticket sold.
- Had an outside entity (Vet.com.U.S.) assist Veterans with difficulty obtaining their 100 percent rating from the VA.
- Had Post 742 arrange and obtain \$50,000.00 in computers for needed posts.
- Created a "Post of the Year" award for success in Legion Compliance.
- Had a Celebrity Veteran Golf Tournament to raise \$5,200.00 for needy Area posts.
- Sponsored funds for a deceased Veteran's Funeral Service.
- Are negotiating a large donation to assist all Area 5 posts to meet their wish list.
- Distributed \$300,000.00 in product donations to Riverside and Brawley communities.
- Established relationships with Area Congressional Representatives and state legislation.

The above are just a few accomplishments of the Area, and our efforts will continue.

Respectfully,

Rudolph Valadez

Rudolph "Rudy" Valadez
Department Area 5 Vice Commander

AREA 1 DISTRICT 4 COMMANDER
END OF THE YEAR REPORT FOR 2022-20232

I have been very busy with two of my posts, 807 had many problems throughout my post. I had the whole command resign all at once. When this happened the Sons of the American Legion and the group called the chambers tried to take over the post and the hall. I called for a special meeting and if they did not show I was going to shut down the post. All the officers showed up they all tore up their resignations. I told the post that they oversaw the hall since it is in the name of the Legion. They kicked out two groups from the hall and everything is ok now.

I have tried to get with post 789 about their membership I have not had a response. Post 17 has a lot of members who said their two old and that they needed every dollar they have over 1/4 have moved out of California and are now supporting the post there.

My other 10 Post are doing good. I have made visits to all 12 Post in my district; I have attended 3 dinners at 3 of my Post, attending Area meetings, I have attended 2 ice cream socials, including swearing in officers of post 807, 259, and Post 17.

End of my Report,
Thank you to all the posts in my district.

Jesse Neff

District 4th Commander, Area 1

DISTRICT 9 COMMANDER
END OF THE YEAR REPORT FOR 2022-2023

Greetings from the Department of California, District 9. All of our current 8 Posts are located within Contra Costa County serving over one-million residence. This year has been a blessing, as we are beginning to see an increase of membership participation that had declined due to the COVID-19 Pandemic.

I have enjoyed my term as District Commander, my second time in this position and am very proud of each one of our posts. In the past, we were having all of our District meetings in one Post, but this year, I decided to rotate from Post to Post. This change was welcomed by all because it gave each Post an opportunity to show off the building and have many more of their members get a chance to see a District meeting and meet the District Officers.

We have had a chance to build a strong District 9 team for next year, 2023-2024, and I am looking forward to having a very exciting year. The new District Commander, Tony Webb, just graduated from California's American Legion College, and is anxious to put his newly developed ideas into practice.

All of our Posts in District 9 have done some great things for their Posts, Community, Veterans, and their families. They are all thriving and have some good participation in their regular Post meetings. Veterans Day, Memorial Day, Fourth of July, and Vietnam Veterans Day are all celebrated with Politicians, Honor Guards, and the local Community.

I would like to thank all the Posts for their support this year, and encourage them to work on membership growth in the coming year. May God bless our Veterans, those currently serving, the American Legion and the United States of America.

David Charles Jackson

District #9 Commander
2022-2023

DISTRICT 12 COMMANDER END OF THE YEAR REPORT FOR 2022-2023

At present, all Posts in the 12th District are in compliance with all required reports.

The 12th District partnered with the 14th District and held a Revitalization for both geographical Areas, hosted by the Merced Post. The concentration was on transferring members from Department Posts 1601 & 1000. Assisting with this project were representatives from our National and Department Headquarters. County VSO's from 4 surrounding counties also attended. In addition to transfers, the event advertised locally and several new members were

obtained from walk-in veterans.

District Post 83 was one of the first to sponsor the "Be The One" campaign with a walk-a-thon which involved members of the Legion family.

There were two blood donation drives held with good success.

Americanism has been a huge part for all Post in the District. Activities included; Adopt-A-Highway, Military Banner Program displayed within some Cities Gateway, flag collection and retirement ceremonies, and one Post who pays annual dues for active-duty military members and first responders who live in their geographical area.

Post's 83 and 88 Legion Riders hosted the "Legacy Run" and provided Riders with breakfast and dinner on their way to the Sacramento Vietnam Memorial Wall.

The "Helmets For Hero's" campaign has raised an estimated \$6,000 with another \$600.00 for VA&R.

Several Posts continue providing Honor Guard funeral details locally and at the National Cemetery at Santa Nella. Color Guard details provide opening event colors for schools and special events.

Several District Posts are presenting Memorial Day memorial services and joining together for a special Memorial Day presentation at Stanislaus County's largest cemetery.

Many District Posts are involved with school awards, Boys State, Oratorical, Scouting, and Legion Baseball program.

Three District Posts sponsored and held Veterans' Stand-downs.

Two District Posts Donation \$1600.00 to assist the Mariposa Post after a recent devastating fire-storm.

Respectfully Submitted,

Pete Samaniego
District 12 Commander

DISTRICT 16 COMMANDER
END OF THE YEAR REPORT FOR 2022-2023

Congratulations to Our Orcutt Post 534 being in 1st place in California with over 184% paid membership. The high school student from their Post came in 2nd place for the Area 6 Oratorical competition.

For years District 16 have not had American Legion Baseball. This is mainly due to the High School Coaches do not allow the students to do both High School and AL baseball. However, our District continues to support the program with our donations.

Many of District 16 Posts continue to have Memorial and Veteran Days events. The Cemeteries throughout the District have flags set at the Veterans grave sites. Many also place Christmas wreaths.

District 16 had a successful phone-a-thon. This annual effort started in 2014 then called Revitalization. The difference is we no longer call P-1000 members.

Similar to many other California Districts, our 18 Posts are spread out over three Counties, San Luis Obispo, Santa Barbara, and Ventura Counties. The travel distance from the furthest north Post, Cambria to our most southern Post, Simi Valley is about 200 miles. This distance adds to the challenge of getting all the Post to participate in our District meetings, which for us are only 5 a year. Like most Posts, our District 16 Posts are predominantly an aging population, especially for the leadership. The Department Membership group has provided good suggestions. However, changes compared to 100 years ago has added challenges to getting new members, e.g. fewer after Desert Storm veterans, young Veterans with family have less availability and there are a plethora more Veteran support groups that today are competing for getting Veterans into their program. For example, San Luis Obispo County along have over 117 Veteran support groups. Many Veterans that have joined these groups have no time to also be in the American Legion and/or have the time to be involved.

Respectfully submitted,

Greg Somers

District 16 Commander

DISTRICT 29 COMMANDER
END OF THE YEAR REPORT FOR 2022-2023

It is my pleasure and honor to report to you that District 29 had a very positive year and our prospects for the future are excellent.

Membership. District 29 ended with almost 100 percent of the Department's

membership goal of 8,025 members. Though one of the smallest districts in area, we are the largest district in the Department and Area 5 in membership as we are for years. We emphasize not only recruitment of new members but retention of delinquent members especially using post executive committee officers without any assigned duties. We are especially proud of Posts 257/Laguna Woods and 281/South Orange County that exceeded 100 percent of the goal, and 291/Newport Harbor with the second largest membership (over 4000 Legionnaires) in the nation at last report.

Post Development. D29 began the year with 26 posts, one of which, Saddleback Valley/862, was not really active. The Department Executive Committee ("DEC") unanimously approved revocation of that post charter upon our application, all of the members having merged into nearby posts. A number of other posts are being revitalized by new leaders. Post Centennial celebrations continue as more posts reach the 100 year mark.

VA&R. D29 this year has been especially motivated to support the Department's Veterans Assistance and Rehabilitation Fund, so necessary for our physically and emotionally injured veterans. Our members have made it clear that this is where our emphasis should and must be placed as the need will be with us forever. Our wounded must never be forgotten.

Youth Programs. D29 actively participated in the Legion's Baseball, Oratorical, Boys/Girls State and Spring School Awards Programs.

Americanism. Every post of D29 promotes patriotic events such as Memorial Day, Veteran Day, Service Birthdays, and Independence Day activities. We are especially proud of

our District 29 and local post Four Chaplains Services.

Veteran Recognitions. D29 continued to have Korean War Veterans honored by the Korean Government in local post commemorations.

Department Participation. Following the lead of our past District Commander, Bill Siler iii, who served as Department Adjutant for 12 years, D29 actively participates in all Department activities. Every DEC was attended by delegates. Our District Commander also served as Department Assistant Judge Advocate, ex-officio alternate member of the Constitution & Bylaws and the Personnel commissions, and Technical Adviser to the Naturalization Commission. Our District Judge Advocate is also the Area 5 Boys/Girls State Program Commissioner as well as the Immediate Past SAL Commander and on the Boys/Girls State Commission. Our District Adjutant has served multiple times as a Department Investigator. Our District Finance Officer serves on the Legislative Commission. A member of our District serves as Chair of the Leadership Commission; another serves on the Community Service Commission.

District 29 hosted an Area 5 meeting at Midway City/Post 555 and a DEC in Orange. D29's very own Honor Color Guard, stationed at Post 291/Newport Harbor, continues to win department and national championships.

Veterans Cemetery. D29 lead many local veteran and civic groups in breaking ground for a veteran cemetery at beautiful Gypsum Canyon at the juncture of SR91 and SR241. This site will be a resting place convenient to families and friends in surrounding counties.

District 29 looks forward to leading the Department for the benefit of our veterans and nation.

Respectfully submitted,

John L. Minnella

Commander, District 29
Candidate, Dept. Vice Commander (Area 5)
Assistant Judge Advocate, Dept. of Calif.

COMMISSIONS
2022-2023
END OF THE YEAR
REPORT

DEPARTMENT CONVENTION COMMITTEE CHAIR
2022-2023

WELCOME BACK TO LOVELY DOWNTOWN VISALIA, CALIFORNIA!

We are going to be here for the next 3 years. So, if you didn't have time last year to explore, make sure you do so this year! The store owners, bars and restaurants appreciate having us and enjoy our patronage. There are a lot of great places to check out, and just a short walk away from the Convention Center. Also make it a point to visit the Veterans Memorial Building. They have a wonderful Museum and the Cantina has a welcoming atmosphere.

This year, the Legion and Auxiliary are still in separate locations. We are working diligently to correct that for next year and the years to come. We would love to have our Family all together in one place.

Be sure to check out the newest Gaming Committee this year! They will have vendor space set up right as you walk into the Convention Center. Using Gaming as a form of Mental Health therapy and helping deal with PTS and Combat Fatigue while connecting with other Gamers.

Thank you for being a Delegate and Welcome to The American Legion, Department of California's Convention!

Yours in Service,

Karl Risinger

Dept. Convention Committee Chair

The background of the page is a close-up, slightly blurred image of the American flag, showing the red and white stripes at the top and the blue field with white stars at the bottom. Two horizontal black lines are positioned above and below the section header.

FINANCE COMMISSION END OF THE YEAR REPORT FOR 2022-2023

The Finance Commission's responsibility is to care for the finances of the Department of California through its convention approved budget, reviewing the budget throughout the year to assure that the Department continues to stay within the limits that have been set with transparency throughout the process. This could not have been done without the hard work of our Finance Commission which consists of members chosen from each Area of the Department: Area 1, Susan Johnson; Area 2, David Johnson; Area 3, Gene Hamill (Vice Chairman); Area 4, Hugh Crooks (Chairman); Area 5, Donny Brannon; Area 6, Tim Shaner, and our Technical Advisor (T/A), Steven Travali. I would be remiss if I did not mention our CPA Teresa Stephens, the outstanding Adjutant, Sam Flores who keeps the Chairman from saying the wrong words and keeping his statements diplomatic, and the person who we rely on to ensure that we can answer all technical questions, Chrystal Rangel. The Commission meets a minimum of once per month overseeing problems in the budgetary process and suggesting solutions to make suggestions to the Department Executive Committee (DEC).

This past year they have had to come up with unique and specialized knowledge and suggestions in order to solve problems that have arisen, and still stay within those limits concerning our revenue and expenses.

Each month a up to date copy of the financial statements are printed for the Finance Commission for review and review to make suggestions for changes, for example hose line items that may have been too large should be reduced or those that it appear to have some overspending should be adjusted accordingly. This is done keeping a "paper trail" of all movement within the process in order that if in the future all of these changes can be tracked.

Again your Finance Commission did it's job, and again helped to developed programs to help Post such as 'The Blue Cap Assistance Program" Which has money to help pay the bills of those Posts that qualify.

Be safe and remember that the American Legion Preamble starts with,...
"For God and Country".. with God always being first,

AERONAUTICS AND AEROSPACE COMMISSION
END OF THE YEAR REPORT FOR 2022-2023

MISSION STATEMENT:

To promote civilian air activities in the Department, including the building of model airplanes, and if deemed advisable competition among persons so engaged. To promote Aerospace research and to keep The American Legion advised of all activity in the field of Aerospace.

The Aerospace Commission has worked diligently to promote aerospace research and to keep The American Legion advised of all activity in the field of aeronautics and space. We were the first to update our webpage to the new standard (<https://calegion.org/aeronautics>), and have published 15 fill-length articles for the Department Legionnaire, and more for the District newspapers over the last two years. The Department articles are posted on the webpage. We have a speaker's bureau by which we can provide presentations to Posts and community groups, and have published three newsletters which was distributed to every District. Our monthly meetings are held via Zoom so as to increase participation, and all are invited to join us. The slides and minutes from our meetings, and reports are also distributed to the Areas and Districts. There has been tremendous change in aeronautics and space over the last few decades, and we are presenting a resolution to update the bylaws to reflect the current status.

The greatest accomplishments are through the individual efforts of our participating team members. John Carlson of Area 2 and Dennis Matarrese of District 10 worked with the Oakland Aviation Museum, Moffat Air Museum, and the new Naval Air Station Museum in Alameda. Craig Cook in District 12 is leading the American Legion support in the relocation of the last US Navy "Black Bunny" F-4S Phantom to the Castle Air Museum. Amado Salinas of District 21 has established a Drone Training Camp in his district whereby they are training 40 local youth in the operation and technology behind flying drones safely in accordance with FAA rules. At the end of the camp each student has their own full size competition remotely piloted vehicle, helmet, vest, and their FAA "The Recreational UAS Safety Test (TRUST)" certification. His American Legion team was invited to represent the United States in the FIDA World Championship competition in Korea. The Drone Camp program has been documented and established so that it can be duplicated in any District. In District 24 Josh Lang has produced documentaries that tell the story of veterans and aircraft maintainers. Nic Mihojevich is keeping us informed of foreign cyber-threats to our aerospace industry, while he is between deployments.

We are also promoting our stance in public policy for veteran's workforce opportunities in the industry, inclusion and diversity in the military aerospace workforce, and developing opportunities for youth to qualify through the ASVAB for aerospace jobs in the military.

None of this could have been possible without the advice, guidance, and support of our Technical Advisor Harley Santos; and the encouragement of the Department Commanders Autrey James and Jere Romano

Thank You Commanders.
For God and Country,

Kevin Burns
Aerospace Commission Chair

Commission Report was represented by:

Area 2- John Carlson
Area 3- Robert Cozad
(Vice-Chair)
Area 4 -Robert Chebi
Area 5 - Kevin Burns
Area 6 - Nic Mihojevich

CONSTITUTION & BY-LAWS COMMISSION END OF THE YEAR REPORT FOR 2022-2023

“To review and help write the Constitution and Bylaws of the Posts, Districts, and the Department of California through Training and Administrative Support.”

Since the 2022 convention, the Constitution and Bylaws Commission has met 11 times and has accomplished a lot. These were our goals:

- To update all reference material concerning writing and maintaining Bylaws for Posts and Districts.
- To establish an Operational Guide for the Commission.
- To help as many Posts as possible become compliant with the Department Bylaws Article V, Section 21.
- To review and make recommendations for updating the Department Bylaws.
- To have all Post and District Bylaws available online for review.
- To conduct training when and where needed for writing bylaws.

A contest was initiated to help encourage all the Posts to bring their Bylaws up to date. At the Department Convention, there will be a drawing for the winning prize of \$1000.00, payable to the Post's general fund. The rules were well publicized.

An up-to-date Post Sample Bylaws was posted online twice. We've tried to make it so that each Post will be aware of some of the choices they can make with setting up their bylaws along with clarifying some of the language. A revision of the District Bylaws Sample were posted, but a better revision is pending.

As of May 12th, 2023, out of the 409 Posts in the Department, 181 of them are currently compliant within the 7-year limit established in the Department Bylaws. This is a compliance ratio of 44.3%. There are 28 additional Posts with Bylaws awaiting corrections. If all these clear by Convention, then could have a potential of a compliancy of 51.1%. We are working hard to help all Posts in the Department become compliant with the requirements. I expect around 15-25 more sets prior to convention.

A thorough report was given at each DEC during the past year. District Commanders were told that they are the key to helping Posts update their Bylaws. They were told that the Commission will provide whatever support they can in achieving this goal. We have helped many Posts rewrite their Bylaws over the past year and will continue to do so. Bylaws must be submitted by the Post directly to the Department using bylaws@calegion.org. Districts are also not a part of the approval process for bylaws.

This past September, with the help of Rick Pushies from the Web Team, we were able to make available online copies of the most recent Bylaws for all Posts and Districts within the Department. He has also helped us keep the online files up to date as new bylaws are approved. Bylaws date have also been maintained online in the Administrative Compliance Report with the help of Crystal Rangel from the Department Staff.

With the help of Department Judge Advocate Jay McCann, the Commission worked on some proposed revisions to the Department Bylaws. They focus was mainly on Article IX. Most of the recommendations involve a reorganization with some minor bylaw changes. The recommendations were completed and submitted to Department before April 1st and notice was given (with availability) prior to May 1st.

Part of the revision was to remove unnecessary references to the Department Convention and establish a "Uniform Code of Procedures for Department Convention"; a process that was approved at the April DEC. A viable working copy should be available for review by the Fall DEC.

We also wrote a Department Resolution Process Guide, which was approved at the April DEC. This document deals with how resolutions are generated, approved, and processed in California from a Post level on up to National.

Training was done at the 2022 Department Convention on writing Post bylaws. This was also part of the curriculum the of California American Legion College at each class. The training is scheduled to be repeated at the 2023 Convention.

The "Operational Guide for the Constitution and Bylaws Commission" was accomplished last fall and has been posted online since then.

Respectfully Submitted,

Mark L. Rice,

Commission Chairman
Constitution and Bylaws Commission
Department of California

LEGISLATIVE COMMISSION
END OF THE YEAR REPORT FOR 2022-2023

MISSION STATEMENT:

To consider legislative matters, making recommendations to the Department Convention and the Executive Committee, and generally supervise the legislative program of the Department during the state legislation session. Our Department Commander and the Department Executive Committee (DEC) are briefed on the bills we review. When possible, we present them at the DEC for a formal vote. Otherwise, due to the fast paced nature of the legislative session, the Legislative Commission reviews the bills sent to us by our legislative advocates, whereupon we review their analysis and develop an official position on the bill.

The Commission works closely with Reeb Government Relations, the Department's legislative advocates at the State Capitol. Registered lobbyists Seth Reeb and Dana Nichol do a very professional job tracking and advocacy for legislation and share a longstanding working relationship with our Commission.

Even though COVID-19 has passed, the legislative annex of the state capitol building is closed for a multi-year renovation project. The Governor's and Lt Governor's offices, legislator's offices, some hearing rooms, and some committee offices have moved to a temporary, recently constructed state building two blocks from the Capitol.

The legislature is in the first year of a two-year session. To date, there have been over 50 bills identified which are veteran or military related. Specific legislation will be covered in the report of our legislative advocate's report in the Book of Reports.

I would like to thank our Department Commander Jere Romano and Department Adjutant Sam Flores for their much-appreciated support of this Commission.

I would like to thank my fellow legislative commissioners for their commitment, knowledge, and willingness to delve into the complexities of legislation and respond to the large numbers of legislative requests. The members of this outstanding team are: Vice Chair Eric Measles (Area 6), Bob Brower (Area 5), Patricia Jackson-Kelly (Area 4), Dave Smith (Area 3), and Alfred Gordillo (Area 2), and technical advisors, Seth Reeb and Mike Brimer.

I am proud to report that we were able to have our American Legion-Department of California Capitol Advocacy Day this year on April 19, 2023 in Sacramento.

This event took place after a three-year hiatus because of state and local COVID-19 restrictions. Reeb Government Relations organized the event and did an outstanding job. This event was attended by Department Commander

Jere Romano, Department Adjutant Sam Flores, and 45 Legionnaires from across the state.

During the morning portion of the program, we had a number of elected officials attend and talk about the veteran bills they were authoring. After lunch, the Legionnaires walked across the street to the temporary legislative offices to visit legislators, staff, and committee consultants to educate them on what the Legion does for veterans and the community. During these visits, Legionnaires also share a listing of all the bills supported by the Department of California as well as other information and data on veterans issues and priorities. Another important aspect of these visits is to develop or build upon personal relationships with legislators and staff. Some Legionnaires made pre-scheduled appointments with their legislators and others visited as many offices as time allowed.

Feedback from the Legionnaires is that they enjoyed the return of Capitol Advocacy Day. Again, we thank Government Relations for an event well done.

It is always my honor and privilege to Chair this Commission.

Our Legion Voice matters and is very well respected at our State Capitol. We will continue to fight for good legislation that improves the lives of our Legionnaires, their families, and our military.

Respectfully Submitted,

Don Harper, Chair
Legislative Commission,
American Legion
Department of California

LAW AND ORDER COMMISSION END OF THE YEAR REPORT FOR 2022-2023

The mission of The American Legion Department of California Law and Order Commission is to foster, within the scope of American Legion principles and policies, an affirmation program of respect for and support of law and order in general, and law enforcement agencies in the legitimate function and performance of their offices and duties.

The true intent of a Law and Order program is to demonstrate appreciation to those men and women who swore an oath to protect our communities. These first responders, whether they be police officers, deputy sheriffs, federal and state officers and agents, firefighters, paramedics, emergency medical technicians, and others, put their lives on the line on a daily basis. As an American Legion Post or District, it is incumbent that each show their appreciation and gratitude in the form of an established Law and Order program. This practice is in keeping with our principles of the American Legion, and is in keeping within the pillar of Americanism.

To put things into perspective, in 2022, a total of 246 law enforcement officers lost their lives in the line of duty. Year to date numbers for 2023 show 42 officers have lost their lives in the line of duty. For firefighters, the last whole number available is for 2021 wherein 70 firefighters lost their lives in the line of duty. To date in 2023, 27 firefighters have lost their lives in the line of duty. It is incumbent on us all as Legion members to honor the living first responders through our Law and Order program.

In a change from years' past, the Law and Order Commission amended the judging criteria for the Firefighter Valor Award. Previously, only one firefighter would have been recognized; however, given that firefighters often work in teams, it was difficult to identify a candidate suitable for the award. Beginning with the 2023 award presentations, a team of firefighters will now be considered for the Firefighter Valor award.

The awards which are presented at the Department Convention are now Law Enforcement Officer of the Year - Valor, Law Enforcement Officer of the Year - Community Service, Firefighter(s) of the Year - Valor (group award), and Firefighter of the Year - Community Service (individual award).

We invite each Post and District to submit your nominations to your respective Area Law and Order representatives for consideration of the Department of California awards.

Ernie Bille, Chairperson

MEDIA & COMMUNICATIONS COMMISSION
END OF THE YEAR REPORT FOR 2022-2023

It's been a good year for communications in the Department of California and we're making a few changes to help next year be even better. We've seen growth in the number of visits to the Department website, caLegion.org, and we're looking to bring on more people to help grow it even more. If you know people who are skilled writers, editors, web designers, graphic artists, send them my way. Our staff writer, Christian Southards, has taken on the weekly news email as its editor. We've typically sent out this email on Thursdays, but Christian would like to start sending it out earlier in the week. So, be on the lookout for that and get used to seeing his name in your inbox. This is not to be confused with the weekly email Headquarters sends out on Fridays. Christian is working closely with Makenna Uriarte, our information coordinator working in the HQ office in Sanger, to get the email newsletter out. Makenna has also been an important part of the design of the quarterly printed newsletter this year. We're also looking to increase the Department's presence on social media. Lillian Moss has been running our Facebook page for many years and has done a great job of ensuring our California legionnaires are represented there. Lillian is going to expand her duties as social media manager by taking on the Department Twitter account and creating an Instagram page to manage. The founder of our Web Team, Rick Pushies, has had health problems lately, so keep him in your thoughts and prayers. He's still around and has been instrumental in keeping our website relevant and up to date.

Jared Morgan

Senior Editor

ORATORICAL COMMISSION
END OF THE YEAR REPORT FOR 2022-2023

Greetings Legionnaires,

Another year has passed. The Oratorical Commissioners: Lara Chan, Area ; Larry Maggio, Area 2 (Co-Chair); Gill Soto, Area 4; Josephine Thomas, Area 5; Danielle Baker, Area 6, and myself, Area 3 Chair, would like to express our thanks to all of you who supported this vital youth program for Americanism. It has been a whirlwind of activity this year. As compared to last year, each Area had student representation at the Department competition held in Woodland, CA.

There were many challenges presented by each Area Commissioner at our monthly virtual meetings. The majority of which were non-participation by schools and scholarship money at the various levels of competition. The Commissioners believe we are not getting the visibility that is placed on some of our other youth programs in the Legion. We are currently discussing ways to rectify this obstacle. Communication is a big factor. The schools are contacted but school counselors either don't understand the program or are placing emphasis on other school activities. Basically, the word is not getting to the students. The Commissioners are devising a plan to circumvent this barrier.

The other factor is scholarship money. Budget wise, the Department scholarship money is dwindling. The Commission has been told it is because of the reduction in membership within the Department. Suggestions have been made, Thank You Brian McGuinness, to obtain money from outside donations. With enough donations, we will be able to compete with other organizations in awarding scholarships at the Department level of competition. Hopefully that will attract more students to compete at the Post, District, and Area level.

The Department competition was held in Woodland, CA, on 26 February, 2023. As stated before, there were six student competitors. They were: Mahee

Haswani, Area 1, Catherine Alva, Area 2; Zady McIntyre, Area 3; Robert Cevelli, Area 4, Rylan Hoffius, Area 5; Camila Cetina, Area 6. Winners were as follows: Mahee Haswani (\$1000); Camila Cetina (\$800); Zayda McIntyre (\$700); Rylan Hoffius (\$500); Robert Cervelli (\$400); Catherine Alva (\$300). It is our hope that Mahee Haswani goes all the way as the representative for California at National. Ms. Haswani will address the convention with her oration in June. National competition will be 21-23 April 2023, Wyndham Indianapolis West Hotel, 2544 Executive Drive, Indianapolis, IN, 46241.

The Commissioners would like to thank all of the Posts that participated in sponsoring an competition this year. Thanks also go out to Clovis Veterans Memorial District, the City of Martinez, and the City of Woodland for allowing us to utilize their facilities for competitions at the Area and Department levels. Their generosity added to the success of the competition and is very much appreciated.

Finally, I would like to take this opportunity, and on behalf of all the Oratorical Commissioners, to thank all of you for allowing us to participate in the advancement of the interests of the Oratorical Program for the Department of California as its Commissioners. We look forward to working toward the success of this Program in the future.

God Bless America

Respectfully Submitted,

Mildred J. Wright-Pearson
Department Oratorical Commission Chair
Area 3 Commissioner
Department of California

Orate for Americanism

THE AMERICAN LEGION

THE LITTLEST "SOLDIER"

Army Strong!

by Dr. John Ellis, Ed.D.

The Battle

When veterans get together at the American Legion, you can expect to hear all kinds of stories about their time in the service, a lot of them humorous tales, others not so. And some will grudgingly tell you about their combat experiences, admitting to the gnawing fear most men feel in combat.

Army veteran Francisco "Frank" (aka "Sarge") Ortiz has his own reflections on the time he spent in both Afghanistan and Iraq. But, at the same time, he'll share that of all the firefights he was in, nothing had him more fearful than when his daughter, Ellie Maria, got sick.

Ellie was a typical baby... smiling, jovial and cute, but by the time she'd reached half a year she started having diarrhea with everything she consumed. It took a while for the doctors to pinpoint the cause. But, after a CT scan, a tumor was discovered in her tummy.

What a scary and stressful diagnosis for any parent to face! And, it was all the more compounded when little Ellie was

transferred to a specialty hospital in Fontana, an hour and a half away, requiring a lot of back and forth driving for Frank and his wife, Jackie, who still had to look after their other two kids at home in Indio... Cali, 10 and Frankie, 4.

While the tumor turned out to be malignant, the gifted surgeons were able to get it all and today, Ellie is cancer free as she gets ready to celebrate her 3rd birthday on September 2nd.

"She showed a lot of bravery back then," says Frank, "and continues to amaze us all

with her resiliency and upbeat attitude." It would, of course, be a sure bet to say she inherited those traits from her Dad.

The Back Story

Ellie's father came from the "school of hard knocks". Frank had a tough guy attitude when he was younger, hanging out with the wrong crowd, engaging in vandalizing vehicles and even petty theft which led to his being arrested a couple of times. However, as a juvenile, all he got was a stern admonition from the Court as punishment.

Then, he got kicked out of high school, kept getting into trouble, and eventually got grazed by a bullet when riding in a car stolen by a friend.

44-200 Sun Gold St., Indio, CA 92201

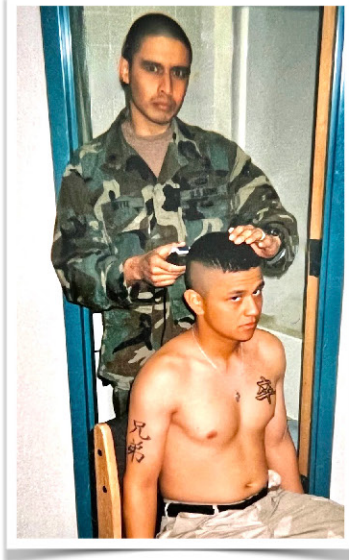

(760) 347-4710 . facebook.com/Post739 . americanlegion739@gmail.com

"It was at that moment, I knew I was living a stupid life and making stupid decisions," Frank relates. "If I was going to die, I wanted it to be for a bigger cause than something with no meaning." And so, the next day when watching TV, he saw the "Be All You Can Be" U.S. Army commercial which prompted him to pick up a phone and call the local recruiting station.

Army Strong

Before you know it, the Army had him enrolled in an Adult High School program which enabled him to receive his diploma and get inducted into the service.

The rest, of course, is history. He saw combat in both Afghanistan and Iraq, rose to the rank of Sergeant and would have made it a career except for a compelling need to take care of family back home.

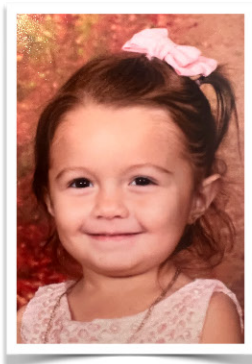

But how did a guy with his background end up in the barber biz? "Well," he says with a shrug, "it's just something I did in the Army. First, I cut my own hair. Then, other guys asked me to cut theirs and it just spring-boarded to where it seemed a logical transition.

Hanging Tough

One wouldn't have expected Francisco Javier Ortiz to have turned his life around like he did, but thanks to Army discipline and training, he acquired a self assurance to do what he had to do to make it. So, it's no wonder then that little Ellie's also a fighter and survivor just like him.

Being around her, one simply can't help but notice her bubbly persona and infectious smile, amazed at how fate took one spiraling downward young Hispanic and turned him into the parent he is today.

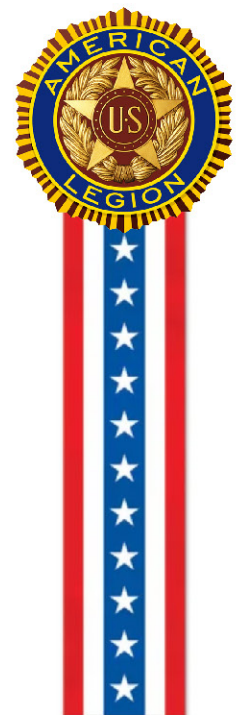

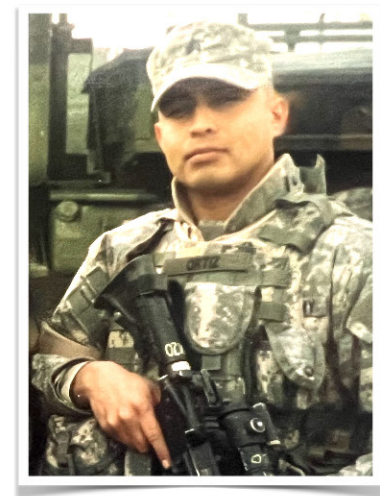

Years later, he found himself the father of four girls and a boy and now, the owner of two barber shops... one in Indio and another in Bermuda Dunes aptly named...

Now when we veterans sit around the American Legion reminiscing, Ellie's journey is one of those special moments we'll remember. After all, her Dad came through his own personal battles and passed that same don't-give-up toughness onto his daughter. For us all... she's the littlest "soldier"... Army strong!

Cali, Jackie, Ellie & Frank Ortiz at Ellie's post-baptism celebration at Post 739's Legion Hall.

THE AMERICAN LEGION

WHAT THE WOKE???!?

Critical Race Theory in the U.S. Military

by Dr. John Ellis, Ed.D.

When you ask American Legion veterans what they most remember about basic training, their responses, especially Marines and Army, often include what the drill instructors pounded into their heads... that "there's only one color in the military and that's GREEN! There ain't no white, black, red, yellow, brown or any other color... just GREEN!"

The reality was exactly that... a mixed bag of humanity all tossed together like a big ol' caesar salad... white guys, blacks, hispanics, asians and even native Americans... learning a new way of doing things... one which required unit cohesiveness and teamwork... where reliance on ones fellow recruits was the key toward surviving another day.

Racial divisiveness simply didn't exist in their military for that very reason. All ethnic identities were obliterated from the moment they arrived in bootcamp and had their hair shaved off! So why is it now perceived to be an issue? What happened? Why all of a sudden is there this misplaced assumption that "wokeness" now pervades our military, engendering countless headlines over the past year such as:

Biracial WWII U.S. Poster

Woke Identity Politics Endanger Military Readiness

U.S. TROOPS WARN
'EXTREMELY WOKE'
CULTURE HURTING
MILITARY; STANDARDS
IGNORED FOR FEAR OF
BEING 'LABELED RACIST,
SEXIST'

America's Military and
our Country Won't
Survive if Wokism
Continues to Rule

Is the Military too 'Woke'
to Recruit?

But what exactly is being "woke" all about and where did it come from?

Woke has its underpinnings in Critical Race Theory (CRT) which, by definition, means to be aware and well informed of systematic racial prejudices, injustices and inequities in American society. CRT started percolating in academic circles in the 60's & 70's with the premise that racial bias is historically embedded in our nation's laws, policies and institutions. And now? It's become so pervasive that it's even being injected into military training.

As a result, in June of this year, Congressman Matt Gaetz of Florida, during a House Armed Services Committee hearing, observed that critical race theory is "undermining cohesiveness in the services". And, Senator James Lankford of Oklahoma took it a step further by suggesting that funding should be withheld for critical race theory training for our service members because it "politicizes our military." Why? Because racial bias is relatively nonexistent in the military.

44-200 Sun Gold St., Indio, CA 92201

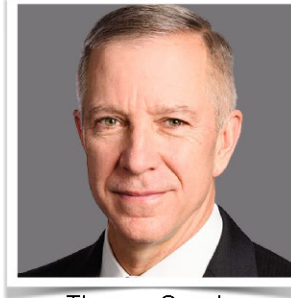

(760) 347-4710 . facebook.com/Post739 . americanlegion739@gmail.com

And yet, Air Force Academy cadets, for instance, have been instructed to avoid committing “micro-aggressions” referencing the need to replace terms such as “you guys” and “terrorists” with terms that are considered “less offensive”.

Instructors have been noted as actually telling cadets that they should use the term “parent” or “caregiver” rather than say “Mom and Dad”.

Even the U.S. Navy released a training video to “help sailors understand the proper way of using personal pronouns.” This is lunacy. This is wokeness... differentiating service members along racial, ethnicity and gender lines, promoting the idea that somehow there’s an inherent inequality based not only on race, but also on differing views of personhood, family life, gender and sexuality.

Thomas Spoehr

Retired Army Lieutenant General and current Director for National Defense at the Heritage Foundation, Thomas Spoehr, put it this way: “The largest threat to our current military is the weakening of its fabric... introducing questions about whether promotion is based on merit or quota requirements. It leads to military personnel serving in specialties and areas for which they are not qualified or ready.” From Spoehr’s viewpoint, critical race theory actually runs counter to the team-centered culture of the military by teaching service members to be so cognizant of the basic differences between them that those in the minority can somehow justify feeling victimized and even feeling entitled to special treatment.

According to Spoehr’s colleague Dakota Woods, a Marine Corps veteran and Senior Research Fellow for Defense Programs: “Such initiatives destroy the fabric of military service that otherwise unites an extraordinary diverse population in common purpose and identity. Identity politics is a cancer that corrodes good order and discipline. When we view people through the lens of race, gender or religion, we embrace the polar opposite of everything

the U.S. military strives for, being a colorblind, race-blind, gender-blind team. Thinking less about teams and more about individuals is a recipe for failure.”

What’s the fall out effect? Sixty-two percent of Americans stated during a recent Reagan Institute poll that they feel the military has now become so “politicized” that it lessens its ability to effectively respond to world crisis. It’s trickle down effect is impacting military readiness to the point where one service member observed: “I see minorities, overweight people and men and women not adhering to military standards daily and yet nobody corrects them out of fear of being labeled a racist or sexist.”

Going woke has gotten so bad it’s caused the military to lower it’s enlistment requirements or waive them entirely in order to maintain it’s readiness force. Just this past year, for instance, the Army missed it’s recruiting goal by 25%, the worst miss on record since the U.S. military became an all-volunteer force nearly 50 years ago. It’s felt by the other services as well.

Former Secretary of State and CIA Director Mike Pompeo puts it in perspective when he writes...

Mike Pompeo

“How can we ask young men and women who have decided to risk their lives for America, even die for America, to affirm that our country is inherently racist?”

How can we ask them to view their brothers and sisters in arms through the narrow prisms of race or gender? The clear and obvious answer is that we cannot - not without putting their lives at risk on the battlefield. A woke military is a weak military.”

According to Spoehr, “Wokeness in the military also... acts as a disincentive for many young Americans in terms of enlistment. And it undermines wholehearted support for the military by a

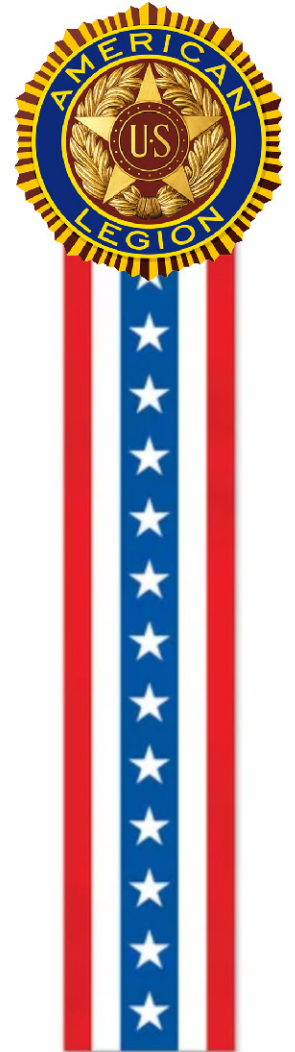

significant portion of the American public at a time when it is needed most.

Is anyone surprised that potential recruits - many of who come from rural or poor areas of the country - don't want to spend their time being lectured about white privilege? The bottom line is that precious time and money are being poured into woke programs and projects that would be better applied towards making the military more capable.”

Those of us American Legion veterans who served during an era where wokeness had yet to raise its divisive head, well remember the way it was. We were organized, equipped and trained to “uphold and defend the Constitution of the United States of America against all enemies foreign and domestic” - not to find ourselves enmeshed in nonsensical ring-around-the-rosy identity clarifiers. It's damn well time for a return to business as usual where there's only one color in the military... GREEN!*

*Authors note: It's recognized that the Air Force, Space Force and Coast Guard color is blue and Navy traditionally white.

VA & R COMMISSION
END OF THE YEAR REPORT FOR 2022-2023

The Veteran Affairs & Rehabilitation (VA&R) Commission's mission is to assist veterans and their families with direction and guidance in acquiring benefits they have earned (benefits, health care, memorial affairs). In other words, put them in touch with the right qualified individual who can assist them. Secondly, volunteer to serve at or visit VA facilities and California Veterans Homes (CDVA) to ensure quality care for veterans. Third, keep the veteran community updated with the latest news releases concerning benefits, health, and national cemeteries. Lastly, assist and or serve communities in times of emergencies and disasters. (Wildfires, floods, riots, etc.) Further, the Commission commits to providing fair, honest, and objective advocacy for veterans, in an ethical manner. Most importantly, the Commission and its representatives demonstrate compassion, care, and concern when dealing with veterans and their families. The VA & R program operates on an annually approved budget developed by the Department's Finance Commission and approved by the Department Executive Committee (DEC).

Commission members for 2022-2023

Chairman John Aldridge	(Area 1)
Steven Johnson	(Area 2)
Ernie Tyhurst	(Area 3)
Danielle Duffaut	(Area 4)
Bob Lavin	(Area 5)
Sam Cafiero	(Area 6)
Tech Advisor Kenneth Kizer	(North)
Tech Advisor Chris Yates	(South)

The VA& R Commission held 4 Commission meetings via Zoom video this year. Its first meeting was on August 11, 2022. Commission members continually discuss individual accomplishments and future plans. Members visited VA facilities and CA Veteran Homes to observe and ensure veterans are receiving quality care. We let veterans know that the American Legion cares about them. Commissioners gave no unfavorable or negative reports from their observations at Veteran Homes or VA Facilities.

The Commission participated in ceremonies at Sacramento Valley National Cemetery (SVNC), giving proper military honors to all unaccompanied veterans interred there during the pandemic. I performed Chaplain duties at the cemetery. From my observations, the

VA staff there does an outstanding job. No problems observed.

The VA & R Commission submitted their annual Budget request with justification to the Department. The Commission updated its continuity folder to help future incoming Commissioners, so they do not have to re-invent the wheel to do the work of the Commission. The Commission attended regularly scheduled CalVet board meetings via video conferencing. CalVet kept the Commission updated on progress made at Veteran homes. Currently, guests are allowed to enter the Yountville Veterans Home compound (some Covid restrictions still apply). However, isolation for resident's changes as conditions change. Other Homes have similar conditions for visitors. Legionnaires throughout the state donate gifts and care packages to veterans residing in Homes.

On the week of March 6th, the National VA & R Commission met in Sacramento, California for a System Worth Savings (SWS) visit of Northern California VA facilities. They also conducted a townhall, led by Chairman Autry James. The SWS town hall visit is held by the Commission to hear from local veterans about their health care concerns. During the town hall, local veterans conveyed a wealth of information to the Commission (some good and some not so Good). All of the information gathered through open discussion is helpful in evaluating and ensuring VA progress or lack thereof.

The Commission also regularly attends virtual town halls hosted by VAGLAHS.

An ad-hoc committee established by the Department to study and research Veterans Mental Health under the VA & R Commission. That committee will make a report of its findings to the Department.

All information obtained by Commissioners is immediately communicated to members during Area and District meetings.

I thank each member of the Commission for their service and devotion to assisting veterans and their families.

John H. Aldridge

VA & R Commission Chairman

SR. VICE COMMANDER
END OF THE YEAR REPORT FOR 2022-2023

To Our Legion Family,

I wish all of you successful sessions and meaningful experiences in Visalia this year. The Sons have had a good year and will be winding it up with what we hope will be an impactful convention of our own.

We look forward to increased communication and cooperation for '2023 - '2024, and pledge to do our best at keeping the Legion, Auxiliary and Riders up to date on S.A.L. happenings. I hope I am on all your email lists this year, and to that end I am furnishing all my contact information below my signature block.

I have worked hard as Jr. Vice last year and Sr. Vice this year and have also enjoyed both. I have learned a lot, and still have a lot to learn. I look forward to the next two years as Detachment Commander and then Jr. Past Commander - if our delegates will have me. As a young man I hope to give decades of continued service in the Sons to help make a difference for our Veterans and their families, younger citizens, and our communities. After all, isn't that what our membership is all about?

With continued careful financial stewardship, doubling down on membership recruitment and retention, and a renewed commitment to the pillars and programs of The American Legion, your "proud possessors of a priceless heritage" in California's Detachment will, for at least another 90 years, assist in carrying on...

For God & Country,

Sean Brandon

Sr. Vice Commander
Detachment of California

SOUTH MEMBERSHIP
END OF THE YEAR REPORT FOR 2022-2023

It's been my distinct honor and privilege to serve as the Membership South Chairperson for the year 2022 - 2023

I would like to thank the Department Membership Team, Area Vice Commanders, and District

Commanders who have worked so hard to make this year a good one.

As of the membership report dated May 12, 2023. We have 45 posts which has archived over 100% membership goal and within the National membership standing California is in 45th place.

I'm a firm believer that the post that is dying should be given all of the assistance and training to regroup and succeed before transferring and shutting down, If we lose our presence, we could lose our branding within the community.

On Saturday, December 3rd, 2023 we conducted a membership retention and recruiting booth at the second annual tamale festival at American Legion Post 139, Alhambra, Ca. Nine American Legion Posts participated in the event.

The 25th District Commander Kevin Stonestreet and I assisted the Area 5, District 30, Commander Robert Morales with their Administrative Compliance Report at American Legion Post 519, Palm Springs, Ca.

On Sunday, February 19th, 2023, I attended a membership revitalization in Area 3, At American Legion Post 83, Merced, Ca. "Area 3 has 12 Posts over 100% membership" Great Job.

On Friday, January 6th, 2023 I attended an L.A.C.C meeting held at Benjamin J. Bowie Post 228
On Saturday, January 7th, 2023, I attended the 23 District general membership meeting at Benjamin J. Bowie Post 228.

On Saturday, January 7th, 2023 I attended the 18th District games event at American Legion Post 279, Temple City, Ca.

On Sunday, February 5th, 2023, District 22 Commander Tracy Dalton, District 21 Commander David Brambila, Past Department Adjutant Barbra Lombardo, and I, assisted Fallbrook American Legion Post 776 with membership mailers going out to all delinquent and Post 1000 members, conducted at American Legion Post 149, Escondido, Ca.

On Friday, April 21st, 2023, We attended a meeting and membership mailer drive at American Legion Post 519, Palm Springs, Ca.

On Saturday, April 22nd, 2023 We attended a meeting at American Legion Post 229, Adelanto, Ca. " Topic Membership and internal issues" Afterward moving on to another meeting at American Legion Post 797, Yermo, Ca. " Topic membership retention and raising funds"

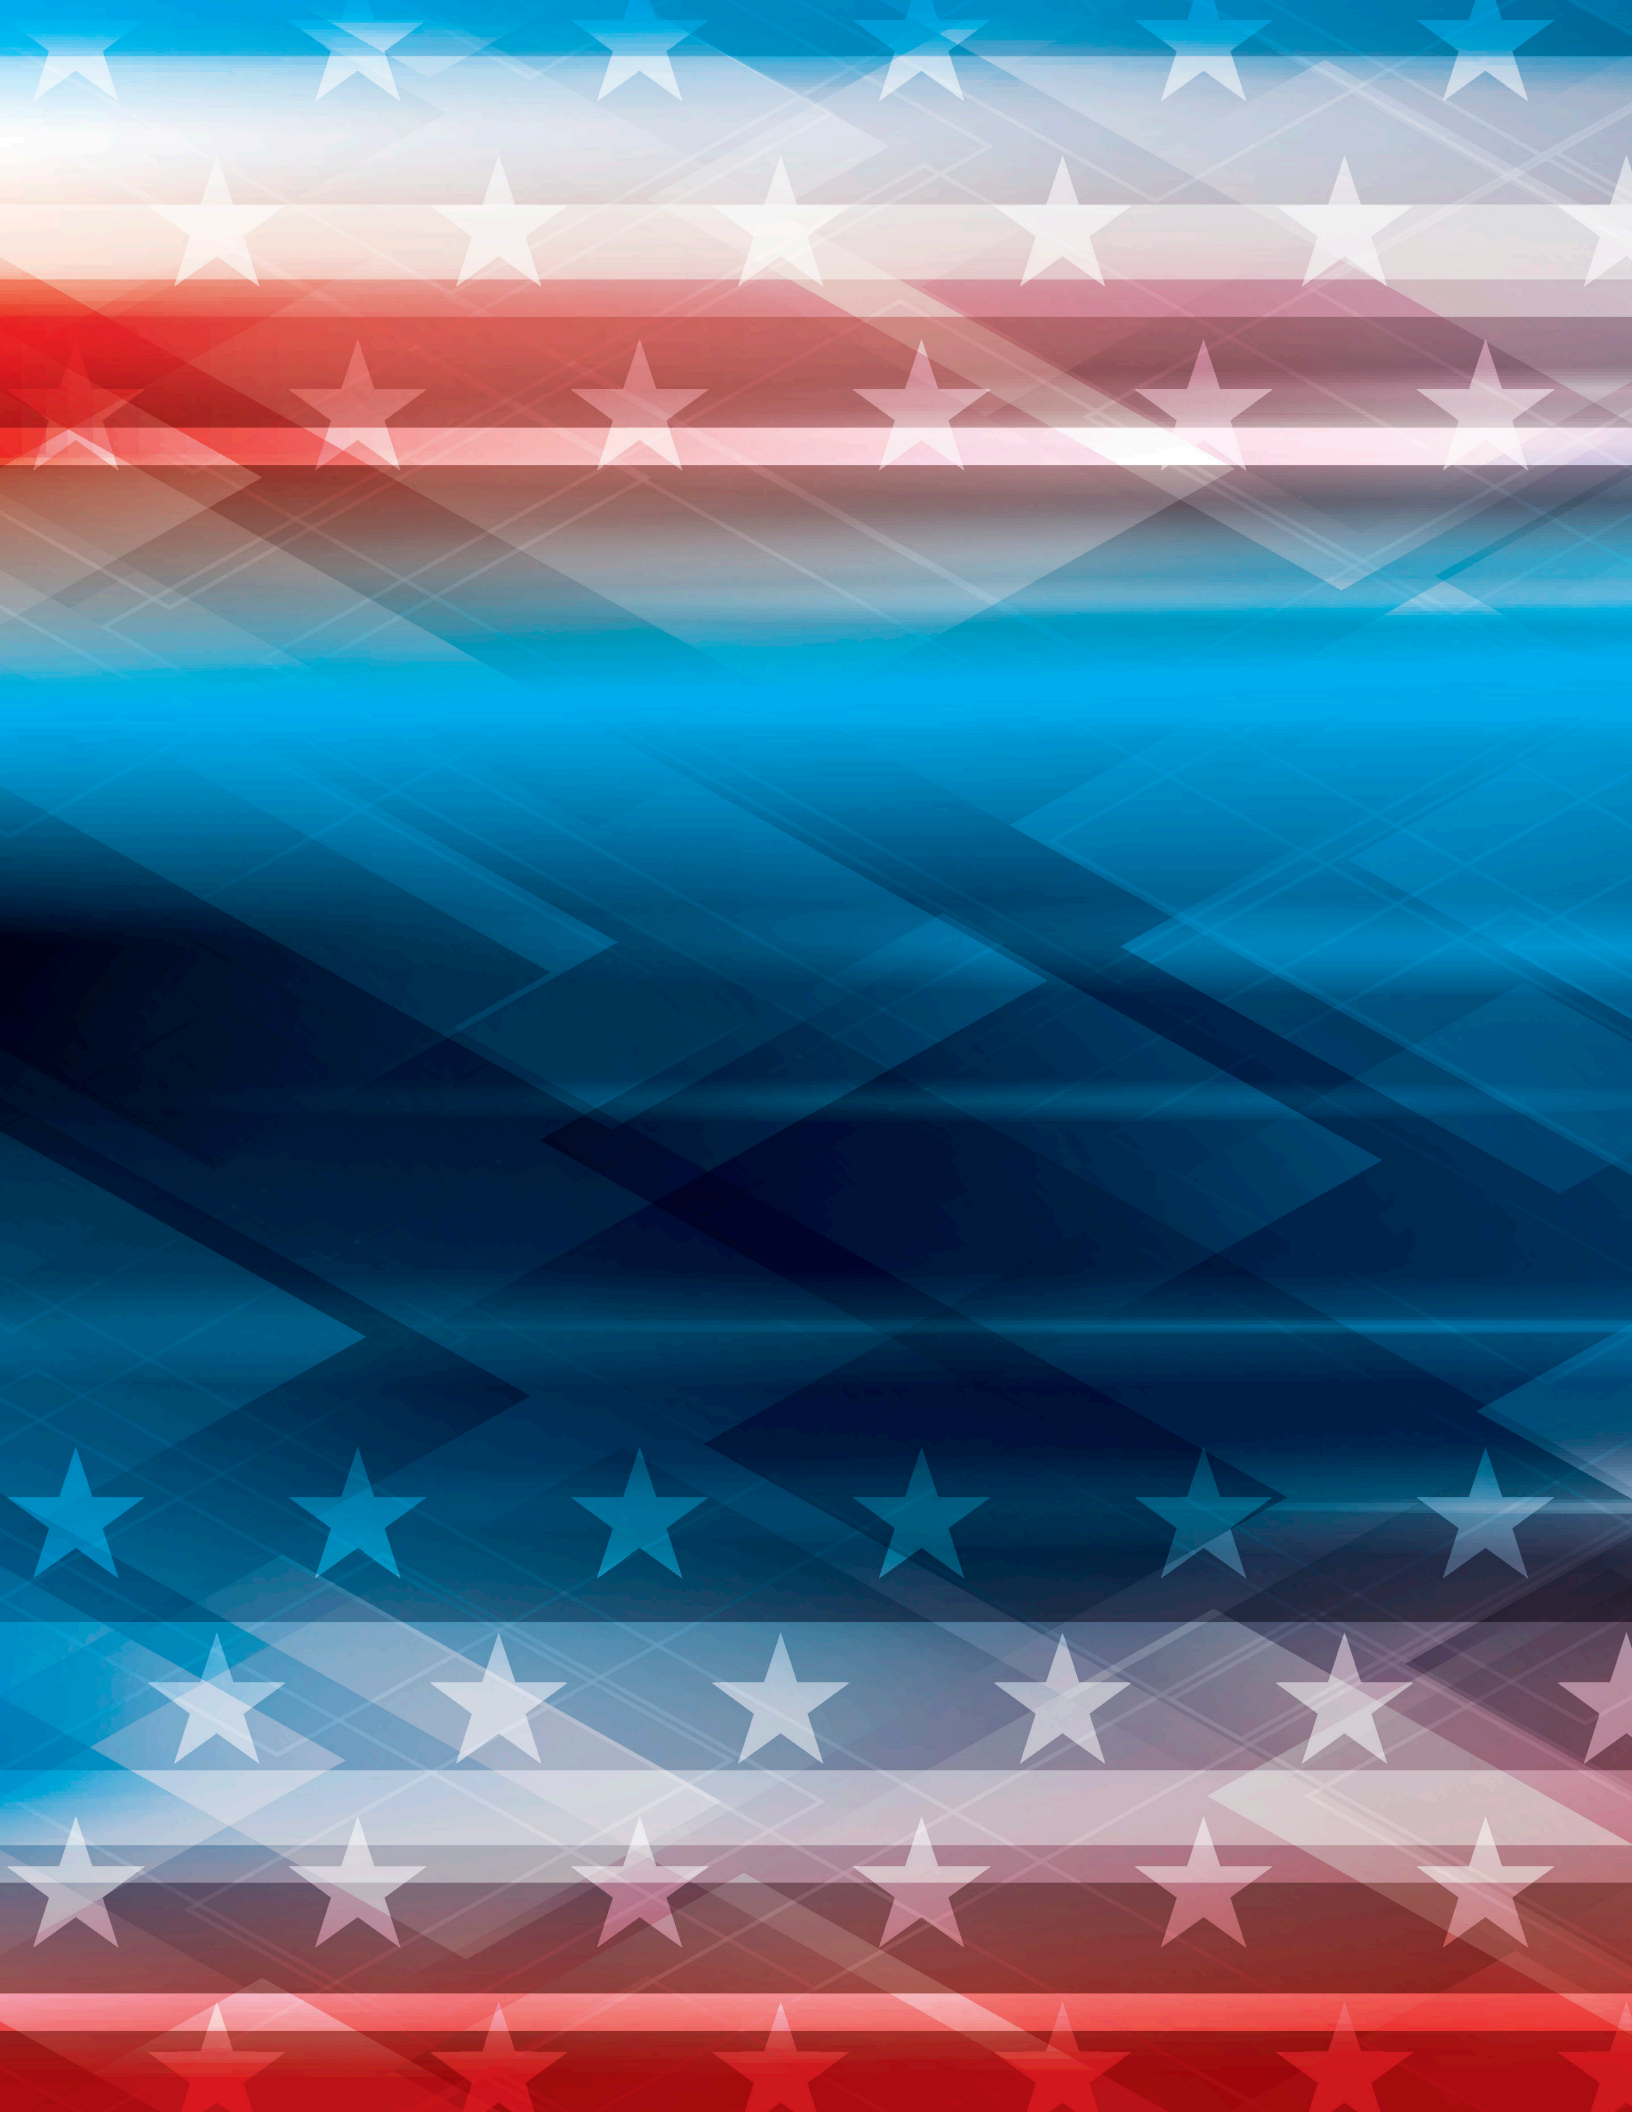

We will be participating in these upcoming Community Membership Events:
Thursday May 25th, 2023 till Monday May 29th 2023, L.A. County Fair, Pomona, Ca,
Friday, May 26th, 2023 till Monday, May 29th, 2023 Fleet Week, Long Beach, Ca.

May everyone have a safe and pleasant Memorial weekend,

Let's Remember, Our servicemen and women that had made the ultimate sacrifice.

Nick Rosa

For God and Country

THE LAST BUGLE CALL

O Lord, You have showed us that death is but the gateway to a more glorious life and that we must not fear its coming, and we know, also, that neither life nor death can separate us from your love.

Assure us, yet again, that our departed comrades are not lost to us, but sharing new life with you in the Kingdom of our Father, where we shall in your good time be reunited.

We know them to be with you forever...

AMEN
