THE AMERICAN LEGION
DEPARTMENT OF CALIFORNIA

DANIEL J. SEEHAFFER
NATIONAL COMMANDER OF THE AMERICAN LEGION

*To my fellow Legionnaires in
California,*

The Department of Veterans Affairs conducted its first annual Buddy Check week October 16-20, 2023. This needed outreach was intended to enhance mental wellness and, most importantly, assist veterans in crisis. It was inspired by The American Legion, and we expect it to continue for many more years.

“What the Legion has shown us here is that from Buddy Check, there are going to be certain organic connections that continue no matter what. Because what we’ve seen with The American Legion doing it the last several years is that rekindles connections, and those connections are very meaningful for our vets,” VA Secretary Denis McDonough said.

Establishing meaningful connections is something American Legion Family members do every day. From the services that you provide in your communities to the programs conducted by your department, veterans and families in your towns and cities are blessed by your efforts. The American Legion changes lives and The American Legion saves lives through our youth programs, public advocacy and veteran service work.

When a veteran takes his or her own life it is a national tragedy. The loved ones left behind are often saddled with guilt, wondering if more could have been done. This is why we, in The American Legion, have made it our mission to Be the One to do everything possible to save veterans from making this horrific choice.

The year 2024 will be significant not just for The American Legion but our entire nation. Americans will go to the polls and elect the next leader of the free world. We will also decide who should represent us in the U.S. Congress and in local offices across the nation. The American Legion is nonpartisan and we make no endorsements. But we do encourage all Americans to vote. We also hope that you make an informed decision based on the issues that are important to veterans, active military and their families. These are the very issues that are addressed every year at American Legion department conventions. Issues that save lives and change lives.

I hope that you have a productive and enjoyable convention.

For God and Country,

Joint Efforts Triumph!

First, I thank God for the many Blessings, he has given me as a member of the American Legion, and

I thank you for giving me the opportunity to serve you as Department Commander this year. It has been an honor and a privilege to lead and serve the Department of California. I thank my wife Karen for supporting me as I served in this capacity. Together, we served God and Country, met many new friends, enjoyed the comradery, and traveled places we would not have considered.

Fortunately for the Department, I started out with an elite team of Department Officers and staff which helped me through some of the challenges put before me. They all performed their duties very well. While I thank **everyone** for their support and cooperation, there are a few members I wish to give special recognition to. I think the one person that stands out is the Department Adjutant, Sam Flores, who consistently worked to move this department forward, worked the hardest and made himself available to me 24/7. Also, Department Judge Advocate, Amado Salinas, worked tirelessly to advise on Department bylaw issues, post problems, and keep me up to date with other department concerns. While some of our Commissions and Committees aggressively pushed ahead, others seemed to not be as effective as I hoped. National sent our very own Michelle Steimetz to assist us with two major revitalization and recruitment efforts. Her aggressiveness in visiting veterans at their home resulted in membership renewals and participation. Thank God for

my **Advisory Council** who counseled and guided me through some tough concerns, and a special thanks to my Aide, Marilyn Rideaux, who supported me from the very beginning. She made sure I was where I was supposed to be and on time. I could not have done this job without her. She reviewed my communications, provided transportation, and coordinated my travel/visits.

When I took office, my goals were to work hard at increasing membership and revenue for the Department, also to foster a more cohesive working relationship within our Legion family. While I have seen great progress, those three goals are still “work in progress.” I thank those members of our Legion family who contributed their invaluable time, physical and mental energies, and personal resources to help achieve those goals. Again, I thank everyone for advancing this department.

One important highlight of the year was our efforts to support fellow veterans through donations to the Department of Hawaii. The Lahaina fires was one of the deadliest wildfires in U.S. History with over one hundred deaths. Warlito Moises of District 5 was the first one who called and asked me to hold a Department of California relief fund for victims of the Lahaina fires. At that time, he had already started collecting funds and other items. The Department immediately requested help from members and through joint efforts, California donated \$37,848.00 to Hawaii relief fund. A check was issued to the Department of Hawaii for disbursement to victims of the disaster as they see fit. I thank everyone for their immediate response with generous contributions and offers to assist fellow veterans and their families in their time of need. Another highlight for the Department of California was the National Commanders visit. Right off the back, the

ALR contributed security and escort for the National Commanders entourage as they traveled southern California in areas 4, 5, and 6. National Commander Daniel J. Seehafer and his Aide experienced California's legion family members' hospitality as they visited various posts. My personal highlight was when I approached Pastor Richard West of Liberty Church in Fairfield for permission to start an American Legion Post there. With the Pastors permission, another member of the church (Rafael) and I started contacting veterans to join. The Church had several members who were veterans that were not members of the American Legion. Currently, the temporary Post charter is pending.

Upcoming in June is another Legion family joint effort event at Post 165 in Vacaville and Post 716 in Los Alamitos. Jeff Freeman is conducting a recruiting and revitalization event for all Legion family members. Thank you, American Legion Auxiliary, American Legion Riders, and Sons of the American Legion, for all the work you have done, currently doing, and will do in the future. I deeply appreciate your efforts and support as it's been a pleasure laboring with you all.

At the National Fall NEC meetings, Jeff Freeman and I met with the National Commander to state our plans for obtaining California's membership goal. I also entered a bid of 91.90 at the Membership meeting. To date, we have reached 91.38%. We are a small fraction away from reaching that bid which we should exceed by convention and hopefully achieve 100%. We have lost members due to relocations and post everlastings, so our membership is not yet at the level I envisioned.

I attended all six Area meetings, some Districts and Posts meetings, and was able to attend and or participate in quite a few events such as; the Veterans Affairs and Rehabilitation fund raiser in Rialto, the American Legion Birthday celebration at Post 779 in Terra Bella, the Four Chaplains day observance at Saint Mary's Church in Sanger, the Republic of Korean (ROK) veterans celebration at Pacific Palisades Post 283, the wall that heals to Citrus heights, Reams Post 182 Veteran's Day program in Fairfield, the

State Commanders Council in Visalia, and the joint veterans service organizations effort to stop/prevent veteran suicide at Travis AFB. I also visited the VSOs office in Los Angeles, the LA Veterans Home, attended the American Legion Baseball games at Jackie Robinson stadium in West Los Angeles, participated in officer installations at various posts/districts and installed officers at the American Legion Riders convention in San Diego. I attend the mid-winter American Legion Auxiliary DEC in Sacramento, Legislative Advocacy Day at the State Capitol, California League of United Latin American Citizen (LULAC) group discussions in Oxnard, conducted a District Commander's training workshop in Merced, and participated in revitalization efforts at Post 26 in Bakersfield, just to name a few.

For me, the job of Department Commander was challenging at times, and yet rewarding. Thank you for giving me that opportunity to lead the Department. Thank you 23rd District for continuing to host your annual Department Commander's Appreciation event. My wife and I enjoyed your hospitality. After this term is complete, I will continue serving in some capacity to help enhance the lives and well-being of our nation's military and veteran families. Together, we have worked through difficult and uncomfortable situations, but the end results were always in the best interest of the Department. It has been an honor to have served in this position and it has been an honor to work with all of you. I am profoundly grateful for that. God Bless each member and their families.

Sincerely,

John H. Aldridge

END OF YEAR REPORT 2023-2024

*Greetings Legionnaires,
Auxiliary, Sons of the American
Legion, and American Legion
Riders.*

In the conclusion of our Department Convention my first full year will be complete. It has been a learning experience with some fun and joy but absolutely direction driven. Upon my first year of appointment my mission was to educate myself to ensure the Department continued to progress forward. In this year we focused on the establishment.

We want to be the first resource our Members, Advocates, and funders come to with their inquiries and need for assistance. Thus, returning to our route and staying ahead of the ever so growing cluster of Veteran Service Organizations. As you may have noticed, there have been some changes, updates, and consolidations at Department Headquarters. Time is no-one's friend and therefore we must adapt and overcome as our surroundings change. We are always evolving. Although it may not be, we need to assist our fellow comrades when the need is apparent or requested. Technology is advancing every day, and we need to take advantage of it. Our website is filled with vital information, and we strive to ensure that relative information is at the forefront of dissemination. Our team works hard to ensure current events, reports, forms, and acknowledgements are updated. Communications is vital and we strive to ensure our various platforms of social media are current as well to provide quick updates to our members. This is a continuous task and

will always be improving our communication.

We continue to put out a weekly email with various amounts of information in hopes of answering many questions and provide members and leaders with reports and information to stay up to date with what is happening throughout the Department of CA and National. We have broken down the messages to 3 days.

Tuesday - Fundraisers, sweepstakes, drawings
Thursday - Newsletters
Friday - Department information, reports, important information.
Sunday - Bulletin items, fundraisers, invitations, flyers.

I want to thank you for your participation in our Department wide fundraisers and viewing our drawings on our Facebook Live sessions. This year we were all met with struggles and disasters. The Department of California has been able to assist some with the help of our generous members. To name a few, during the Maui fires, the Department of California was able to gather a total of \$37,848.00 to help the efforts of the Department of Hawaii, and a total of \$149,973.00 for our commitment to National on the Veteran and Children Fund.

The list of achievements is vast and impressive. The American Legion Department

of California has been hard at work to ensure that the state maintains good standing. In assisting the Post, Districts, and Areas you can imagine the influx of calls, mail correspondence, and emails that may be received daily. Working with individuals, when there are countless ways assistance can be given, and then making sure the assistance promised gets there, having good records; having close contact with people who want to know the monies raised were spent appropriately, that the organization is financially healthy and helping those it's supposed to help. The most important thing is to be there - as the voice of help - for individuals who offer to defend the country. This Book of Reports is designed to bring our donors, volunteers, and members up to date on the organization's activities. Not only is it vital to recognize those individuals and organizations which have financially supported the organization's mission to provide help to state of California, but also to show program accountability. Providing needed assistance is the primary reason our organizations exist.

It's so exciting to look back at the year, and see all the amazing accomplishments that we made as a team. With your input The Department of California is becoming the organization that we always hoped it would be. Our staff is dedicated and the programs we have developed are top notch. The quality of service that we provide to our members and veterans is the best around, and our impact has been profound. This year, we focused on being a transparent and accountable organization. We put much emphasis on the 'Each one, Teach one' model, which we believe is the best model for ending miscommunication. Our goal in this upcoming year is for The American Legion Department of California to become the premier service provider for veterans and their families in the state.

Please take a moment to read the reports provided by our leadership, committees and commission, and see all the inspiring work that we completed this year. Then go and spread the word to anyone who may be interested in helping us reach our goals! If you know of a community or church group

that would like to learn more, or a business that may want to take up a charitable 'cause', please point them towards our website, email our Department HQ and have them sign up on our mailing list for weekly newsletters. We are very excited about the work we are doing, and we look forward to closing some really big deals that will secure our place in Department history.

Our interests are clear, our values are always at stake and where we can make a difference we must act and we must lead. Nothing that has happened in the past 105 years of service was accomplished by one lonely person. As stated before it takes Teamwork, to make the dream work. As cliché as it may sound it really resonates in how we should treat each other. As Jr. Past Commander Jere Romano has mentioned, we need to stop the toxicity from the lower levels. We need to work together. Our Department Commander John Aldridge has extended that with "Joint Efforts Triumph" to continue our direction moving forward.

The support that I have received from each and every one of you has been instrumental in allowing me to pursue my passion for this organization and more importantly for the many that we assist, help, and guide as one day we were all in those shoes, and for that I am extremely grateful. My deepest thanks go out every day to the staff that serve all of us from HQ. Crystal Rangel, Cheryl Ing, Shardae Martinez, Carolina Calderon, and Makenna Uriarte thank you all for what you do for our veterans on a daily.

My name is Sam Flores, and I am your Department Adjutant.

DEPARTMENT PARLIAMENTARIAN END OF YEAR REPORT 2023-2024

Thank you Commander Aldridge for appointing me as the Department Parliamentarian. This is my fourth year serving in this position (2019-2022 and 2023-2024). I hope I have served you and the Department of California well.

The application of parliamentary law is the best method yet devised to enable an assembly of any size, with due regard for every member's opinion, to arrive at the general will on the maximum number of questions of varying complexity in the minimum amount of time and under all kinds of internal climate ranging from total harmony to hardened or impassioned division of opinion. *Robert's Rules of Order (12th ed.)* pg. 1.

I encourage everyone to become familiar with *Robert's Rules of Order* and to apply what you learn to your meetings at the Post, District, Area and Department levels. If nothing else become familiar with the rudimentary motions to assist in furthering business in your meetings.

As a Registered Parliamentarian I am required to complete Continuing Education Units to maintain my certification. I will continue to attend educational training whether actively working as a Parliamentarian or not.

Thank you to Ed Grimsley and Autrey James for your faith in me. Thank you to the Training Committee for including Parliamentary Procedures as part of your curriculum. Thank you to everyone who has contacted me for guidance. Most of all, thank you to my husband Rick who provided unwavering support, traveled with me, sat through many meetings and engaged in many discussions about parliamentary procedures.

DEPARTMENT SERGEANT-AT-ARMS
END OF YEAR REPORT 2023-2024

“You are the sentinel or tiler, the outer guard of this Post. You will guard especially against the loss of one of The American Legion's greater possessions-our deep and abiding spirit of comradeship. You will learn the identity of and introduce to the Commander all visiting comrades and guests of the Post. You are responsible that no one shall remain a stranger in our midst. Be ready at all times to assist your Commander. Into your hands is given charge of the stand of colors which you will properly display at all Post meetings and on ceremonial occasions”

This has been an outstanding year for me traveling around the State of CA to all our great American Legion Posts as it Sergeant At Arms for the Department of CA. I want to thank all of you for your hospitality you have extended to myself, the Department Commander and other officers of the Department of CA. I want to also personally thank all of my Assistant Sergeant At Arms, Danielle Duffaut, Auggie Galaviz, Donnie, Clay, and Ken Sutton for your dedication.

My goal has always been to promote the rituals of the American Legion at all levels of the American Legion throughout my travels in the state of California. My mission has always been to observe if the rituals were being followed and performed correctly by our members. I have found, for the most part, that I was pleased you were all open and receptive to positive criticism about the rituals of the American Legion. It has been an honor to follow in the footsteps of our past Sergeant At Arms Manny Vital and I want to thank him for his guidance and support this past year.

DEPARTMENT CHAPLAIN END OF YEAR REPORT 2023-2024

Greetings and God's Blessings Upon Each of You!

As the Department of California Chaplain of the American Legion, it is both an honor and a privilege to present to you my report of service for the current administration.

First and foremost, I extend my deepest gratitude for the trust and confidence placed in me through my selection for this vital role. Serving as your Chaplain has been a profound journey of faith, service, and camaraderie, one for which

I am immensely grateful. Thank you, Commander John Aldridge, for trusting me with this position and this responsibility.

I must also express my heartfelt appreciation for the dedication and commitment of the Chaplains serving at the Posts, in the Districts, and in the Areas across our great state. Their unwavering support and tireless efforts have been instrumental in ensuring that the spiritual needs of our Comrades and their families are met with compassion and grace.

Throughout the year, the Chaplaincy has undertaken a range of activities aimed at fostering spiritual well-being and moral resilience within our Veteran community. These activities include regular prayer during the various meetings, memorial services and Post Everlasting services to honor our fallen Comrades, a listening ear for those who needed to speak to someone, and outreach initiatives to provide spiritual guidance to those in need.

Moreover, there has been a concerted effort to evaluate and restore the organization back to its foundational understanding that God is first. By reaffirming our commitment to faith and spirituality, we have strengthened the moral fabric of our organization and rekindled the sense of purpose that binds us together as Veterans.

I started my tenure with a prayer closing the 2023 Convention and prayers opening and closing the Department Executive Committee meeting in Visalia in June of 2023. I also attended the American Legion National Chaplain's Virtual Conference in September 2023 where the emphasis was on suicide prevention and connecting with our Comrades.

During the month of November, in celebration of Veterans Day, I was honored to be the keynote speaker at the City of West Hollywood Veteran Celebration, along with participating in various other celebrations around Southern California. Additionally, throughout the year, I participated in birthday celebrations of all the branches of the military.

I was extremely honored to present the 59th Anniversary Observance of the Four Chaplains' Day Inter-Faith Service held on Feb 3, 2024, at St. Mary's Catholic Church in Sanger, as it was a true representation of the Legion family. Involved in this service were Legionnaires, Auxiliary

members, Sons, and Riders, along with members of the local community (Pastors, Chaplains, high school students, and others of the religious community). This was an opportunity to show unity among our Legion family, while recognizing the Four Chaplains and the Coast Guard Stewards Mate for their selfless acts of bravery and courage. As stated at the conclusion of the service, I am immensely grateful to everyone who played a part in making the service a success, with special thanks to Cheryl Ing for coordinating the service. I also had the opportunity to participate in several Four Chaplain services held during Post and District meetings.

I had the pleasure of attending Veteran events throughout the year where I was given the opportunity to speak about the spiritual wellness of Veterans. Furthermore, I made phone calls and sent cards of sympathy and get well wishes to Comrades and their family members.

The Prayer Breakfast and the Chaplains Power Conference held during the Annual Convention are opportunities for us to gather together and reemphasize the importance of God in our daily interactions with one another and with our communities.

Looking ahead, it is imperative that we set ambitious yet achievable goals for the next year and beyond. These goals may include expanding our Chaplaincy outreach programs, enhancing training and support for local chaplains, deepening our engagement with religious communities, and further integrating spiritual principles into the fabric of our organization.

As this year comes to a close, I am filled with hope and optimism for the future of our Chaplaincy. I am confident that we will continue to uphold the values of faith, service, and fellowship that define our organization and honor the legacy of those who have served our nation with courage and distinction.

In closing, I extend my deepest gratitude to each and every one of you for your unwavering support and dedication to our shared mission. Together, let us continue to stand united in faith and service as we strive to honor, support, and empower our Veterans and their families.

With gratitude and respect,
For God and Country,

Dr. Kathy Cash

DEPARTMENT JUDGE ADVOCATE
END OF YEAR REPORT 2023-2024

I have the honor of submitting and presenting this 2023-24 Annual Report to the 105th Annual Convention of the American Legion's Department of California.

Article IV, section 5 of the Bylaws of the Department of California provide that the Department's Judge Advocate shall:

1. provide information to the Department officers and the Department Executive Committee on all legal matters, including the construction and interpretation of the Department Bylaws and the National Constitution and Bylaws;
2. be responsible for reviewing the content of all Department contracts which obligate the Department in excess of two thousand five hundred dollars (\$2,500.00), including those of Commissions and Committees, prior to such contracts being signed; and
3. perform such other duties as are usually incident to the office.

Much of our work is advisory and usually confidential, our "client" legally and ethically entitled to privacy. We cannot publicly disclose specific matters brought to our attention. Thus, this report is necessarily brief and general. What can be reported is that we receive inquiries from individual members, post/district/area/commissions/committees/department officers and staff, almost daily for advice on how to handle controversies within posts, bylaws, licenses, rituals, procedures, contracts, resolutions, etc.

Virtually all inquiries and questions are resolved rather simply by referring parties to their respective post bylaws, their counsel, the Corporations Code of California (to which we are legally and primarily subject and which governs our actions), and the Department's Administrative Hearing Manual.

A number of legal questions required our consideration at Department Executive Committee meetings and at least one controversy required our detailed written analysis.

A Judge Advocate training open to all was successfully conducted by our Office at the September 12-13, 2023 DEC Meeting in Bakersfield California at The American Legion Bakersfield Post 26. We provided some basic training of District and Post Judge Advocates and urge the Department to encourage such.

Respectfully Submitted,

Amado Salinas II

END OF YEAR REPORTS

AREA 2 VICE COMMANDER END OF YEAR REPORT 2023-2024

This was my second turn at being the Vice Commander for Area 2. I must say it was easier than my first term, even with the years between terms. This adds support to Area V.C. being able to be elected to a second consecutive term.

In part the ease of my second term is due to the excellent leadership within Area 2. The six District Commanders and their Officers were an immense help throughout the year. All Districts welcomed my visits and were supportive of our Area 2 meetings. We held two

meetings, the first in the 28th District at Post 635 in Greenfield, and the second in Santa Clara at Post 419 in the 13th District. Department Commander John Aldridge was able to attend the first meeting.

We worked membership extremely hard and as of this writing we were in third place but not far out from second place.

Along with membership comes the issue of Post attendance to meetings and Post sponsored events. I still heard a lot about the effects COVID had and is still having when it comes to numbers. Some Posts still rely on ZOOM, or like apps to encourage attendance but still the numbers have not completely come back. There is no substitute for personal attendance but understand Posts trying any means to keep growing.

As I come to the end of my term, I wish ALL members through out the American Legion Family of California a phenomenally successful and productive 105th Department Convention. I hope to greet as many of you as I can during this time.

For God and Country,

Paul Rodriguez

Wenzinger, & D27 Randy Moorehead. We accomplished many things “In the Spirit of Mutual Helpfulness”.

The year started off with getting a large Post from District 14 back to running on its own. With the efforts by the fantastic ad hoc committee that had already worked tirelessly for several months and the new District Commander, we were able to resolve the Post issues and remove them from suspension by the first DEC of the year.

A joint effort with the Sons of the American Legion Area 3 Vice Commander, we appointed two SAL District Advisors, revitalized SAL Districts, and several Squadrons transmitted many members.

A Department training was held early on in District 12 that brought a lot of new information and reinforced things that may have been forgotten.

I attended Legion Rider events, including the Area 3 Vice Directors meeting. I worked especially close with the Dept of California Vice Director, Ralph Wenzinger, who just happens to be the Area 3 Adjutant. Ralph has been amazing all year!

The first Area 3 meeting was held in District 11 at Ripon Post 190. This was the first Department event ever held at this Post in

First, a huge thank you to the District Commanders of Area 3 that made this year such a success... D11 Vaughn Gates, D12 Pete Samaniego, D14 Chris Hoffman, D15 Chris

their 104 year existence.

District 15 recovered many Legion items of value from an abandoned Post, not just monetary, but historical.

The Four Chaplains ceremony in District 15 and home of Department Headquarters, brought back the SAL District 12 National Championship Color Guard Team to post and retrieve colors.

Blood drives seem to be on the rise. We had at least five blood drives in three Districts that were well attended. I even gave blood for the first time ever (willingly)....power red!

A Northern California revitalization was held in District 15 Post 26. Many members were contacted and their appreciation was shown by renewing their membership. Overall, Area 3 has seen higher membership numbers from Posts than last year.

Legion Baseball is getting started and District 12 has developed more teams this year.

We lost some great Legionnaires. Joseph O. Early and Michael Gombar - Past Dept Commanders and Albert Villa Jr (Poncho) - Past Vice Commander for Area 3. We recently lost Art Cope. Art was a D27 Commander, served the SAL & ALR and was on several Legion Commissions. These leaders will not be forgotten.

The five Districts of Area 3 are finishing the year strong. I believe it's from working together with the Legion Family. Much appreciation for the guidance from Past A3 VC Roy Santiago and the Lombardi Rules on how to “Legion”. As Commander Aldridges motto states....Joint Efforts Triumph.

Best,

Gene Hamill

END OF YEAR REPORT 2023-2024

1. Was able to get all posts in District 3 engaged in the district: Supportive and involved.
2. Assisted Greenville in their rebuilding process with support and making connections to make the rebuilding process smoother.
3. District 3 has been holding a raffle every three months to keep money in the district account for costs. To cover miscellaneous expenses, hotels for area meetings, and for all who want to go to Visalia for Department Convention. District 3 will be represented.
4. All posts are engaged in myLegion. Some are more savvy than others.
5. Able to build a relationship with Department heads.

DISTRICT 5 COMMANDER END OF YEAR REPORT 2023-2024

My one year term as Fifth District Commander has been both challenging and educational. I have learned more about the American Legion, the Department of California, and the twenty-two

Posts that comprise the Fifth District than I thought I would. To date (March 2024) I have visited sixteen of the District's Posts. I have two more Posts scheduled for the month of April and plan to visit the remaining four Posts during the months of April, May, and June. I have also attended a District 6 meeting to compare how different Districts may run their meetings.

On the National level I have met and spoken with the National Vice Commander Western Region Randy Edwards, the National Consultant Legislative Commission and leading candidate for National Commander James LaCoursiere, and the National President of the American Legion Auxiliary Lisa Williamson regarding their visions of the future.

On the Department level I have attended all the DEC meetings (virtual and in-person) and the DEC training session. I have also attended all the Area 1 meetings and training sessions to date. Further, I have escorted the Department Commander John Aldridge around the Fifth District and to meetings at St Helena Post 199 and Rio Vista Post 178. I also attended the AL Area 1 and the Western Region AL Baseball Tournaments (and dinner) both held in the Fifth District with help from the Fairfield area Posts (Rago-Christopher 165 and Reams 182). The Fifth District sent one contestant to the Area 1 Oratorical contest. Finally, the Fifth District will be sending ninety-nine delegates to Boys and Girls State this year.

At the District level I conducted officer installations at five Posts and attended an installation at a sixth Post. I've attended

dinners at five Posts and breakfasts at two others. I have met with nine of the ten Posts currently on probation. Getting them to submit the missing reports has been a challenge, partially caused by unfamiliarity with the internet and partially caused by happenstance like the transferring of key personnel to Post Everlasting. Several Post continue to think they have submitted bylaws or reports that have yet to be acknowledged as received by the Department. They have been advised to resubmit those documents and reports.

The Fifth District Posts are very active in their respective communities, sponsoring Veterans Day Ceremonies and Parades, Memorial Day Ceremonies at various cemeteries including the historic Mare Island cemetery where Posts 603 (Manuel Quezon) and 550 (Mare Island Navy Yard) worked diligently to have the VA take over the cemetery from the City of Vallejo. Legionnaires from Rago Christopher 165 and Dixon 208 augment the honor guard at the Sacramento Valley National Cemetery in Dixon. Other cemeteries having Memorial Day ceremonies were the city cemeteries of Vacaville (165), Cloverdale (293), and Rockville (182). Youth scouting, food drives, and emergency supply give-aways are also sponsored by several Fifth District Posts.

The Fifth District Posts did not keep their community involvement and generosity local to our area. They donated over \$11,690 sent to the Department earmarked for the Hawaii Relief Maui Fire fund.

The Fifth District met its March 15th membership goal of 90 percent, but several Posts are finding a dwindling membership pool in their locales and have voiced that as their current members age, there are no other veterans retiring or moving to their areas to replace them. This is one of the facts of life in Northern California, the majority of people moving into our area are not veterans.

In summary, I am proud of the Fifth District for their continued service to our Country, community and future.

DISTRICT 6 COMMANDER END OF YEAR REPORT 2023-2024

Coming out of Convention, my first task was to establish a Strategic Plan for the District. This was helpful in moving the District forward this year. I was able to visit all the Posts in the District by the first week of November. I explained to each Post that it is my job to help facilitate the success of all the Posts in the District. The District First and Second Vice Commanders accompanied me with most of the visits. The First Vice (Tish Lovisone) would cover membership and Second Vice (Tim Tribble) gave presentations on the "Be The One" program. We were well received.

The year started with finalizing the closure of Post 832 (This was passed at the DEC Meeting at the Convention).

Members were transferred to Post 1601 if they had not already transferred to another Post. Information was sent to the membership explaining what had happened and I offered to assist anyone needing help transferring.

The next order of business was to setup a District Revitalization. National was contacted for assistance which was well received. The event ran February 2-4, 2024, at Yolo Post 77. Michele Steinmetz came out from Indianapolis to help us. We were able to transfer or renew 72 people into local Posts. This moved us to 95.04% of our goal. Follow-up recruiting is being done. We also had a couple of Sacramento County Service Officers on site and were able to provide some VA assistance to 14 Veterans or family members.

District 6 became the first District on the Department with no Posts on probation or suspension. All Post have current Bylaws on file with Department.

The format of the District Meetings was changed to include both training and Post reports. Between the four meetings, presentations were done on Membership and Recruitment, Buddy Checks, Community Outreach and Helping get Veterans into the VA System.

Over the Winter Holiday period, all Posts were given a roster of their membership from MyLegion.org and a script to make Buddy Checks to their members (with both current and expired memberships). I believe this may have helped some with membership retention. Oratorical, Boys & Girls State, Scouting, and American Legion Baseball were all active within the District.

DISTRICT 12 COMMANDER END OF YEAR REPORT 2023-2024

It's been quite a learning experience as well as an honor for me as the 12th District Commander the past two years. I thank the current Post Commanders as well as past commanders for the fiscal year 2023. This year membership has declined compared to last year's numbers; I have all the confidence in all the Post Commanders in the district that they will continue to work membership/buddy checks at their prospective Post.

I congratulate all the Post in the 12th District for being in compliance with their department reports and by-laws for the past two years. The district was present in Merced Post 74 for a 2-day Department training and in Bakersfield Post 26 for a department revitalization also a 2 day event. Several Post in the District continue to sponsor blood drives, Morning Breakfast and dinners.

Membership drives at different areas within the district are ongoing thought out the year. Americanism and community events have been a huge part for all Post in the District. Posts in the District has been asked once again to lead the Memorial Day Ceremony in different locations with distinguish guests and speakers accompanied by Color Guard and Honor Guard. With the school year coming to an end, Post are being asked to provide opening event colors for schools and special award events.

VA&R (Helmets for Hero's) program continues to raise funds, shout-out to the Legion Riders for your endless hours and to all the Posts who are doing all the leg work.

Several of the Posts in District are involved with Children & Youth programs etc. Boys/Girls state, Legion Baseball, Oratorical and Scouting.

DISTRICT 13 COMMANDER END OF YEAR REPORT 2023-2024

The 13th District is in Northern California, specifically within Santa Clara County. There are 12 Posts in District 13 with Palo Alto Post 375 in the North and Gilroy Post 217 in the South. We are one of six Districts in Area 2. District 13 membership goal for this year is 1614 and as of March 2024, we are at 90.02% of that goal. Ranked 10 out of 30.

This has been my second year as the District Commander. During my first year, my goal was to establish better means of communication with members and Posts leaders. After we all endured the global crisis of the Covid 19 pandemic, we all learned more about newer technology and how we could use and benefit from it which opened the avenue for my platform as a leader to establish with my comrades the

District 13 website as a main hub for all Posts, Squads, Units, and the Riders to submit, share, and use the information within our District. Links to other resources are also available and useful to our members. During this same year, I attended and graduated from the National American Legion College. Bringing a wealth of information and training I received to help mentor and inspire other members at many levels. My platform for this year has been training, specifically, "Train the Trainer". District 13 formed a training committee and has a chairman and co-chairman working on the essential training modules for all primary positions within the Leadership and Administration that are instructed in person and will be available online after the in-person sessions locally. A concept of having our local leaders available to assist with training with more in-person sessions and including recorded sessions for review. As this model becomes more perfected, District 13 would like to promote this model for use within our Department, and eventually the use of this model may be useful at our National level.

Throughout the year I have represented our Department as the 13th District Commander at numerous events including the National Convention that was held in Charlotte North Carolina where I was assigned to the Constitution and Bylaws Committee. I attended the September 11th Memorial Remembrance in Los Gatos where District 13 and several Posts help support the community. This year we assisted with giving honors and helped place the new bronze plaque about Mark Bingham and Todd Beamer, who were the two men who charged the cockpit of Flight 93, and our nation's first defenders against the terrorist attacks on 9/11. I also attended the 105th Veterans Day Parade in San Jose, which is the largest Veterans Day Parade in Northern California.

Besides my duties as the Commander of the 13th District, I also co-chaired the Department Oratorical program. This year we held that contest at the Ronald Reagan Pacific Palisades Post 283. District 13 had a contestant from the Los Altos Post 558. A freshman from Los Altos High School made it to the Department contest and did very well. District 13 looks forward to the Oratorical program continuing and flourishing as this is one of those programs that is part of the Americanism/Patriotism Pillar and the Youth Pillar.

As this 2023-24-year ends, and my term as District Commander also ends, I would like to say that it has been an honor and privilege to serve my comrades, my community, state, and nation. Though my position will come to an end, my serving others, further education, and experiences in our great organization along with my mentorship will continue so we can continue to achieve our goals and accomplish our missions. I look forward to the future within our Department and working with our future leaders.

DISTRICT 15 COMMANDER END OF YEAR REPORT 2023-2024

Greetings from the Department of California, 3rd Area, District 15 “the Friendly Fifteenth” and host to the Department of California Convention for 2023-2024. This year has been exciting, challenging and very educational.

I’ve enjoyed my 1 year term as District Commander making visits to 13 or the 14 Posts. While I’m disappointed to have not made a meeting in person at the 1 Post we have had phone conversations. I’ve spent a lot of time traveling in support and assistance to the Posts attending dinners, presenting community awards, lobbying local government and businesses for support of veterans. At times it seems as if there isn’t a day that I’m not on the phone, answering an email or traveling to a meeting or sometimes multiple meetings in a day. I’m thankful for a wife that is very supportive and volunteers her time.

The interaction and connection with the communities has been excellent with support being received by the American Legion Posts but also the Post supporting the communities. These activities by the Posts include Funeral and Honor Guard details, scholarships programs, sponsoring Veterans Day Parades, Memorial Day Ceremonies at the Cemetery with the posting of Flags, blood drives, food drives, youth scouting and sports for both boys and girls, pageant events, Honor Flight raising along with fundraising for some of the disasters in California and Hawaii. Post were supported by the communities and invited to participate in events where entry fees were waived. This includes home town hero events, home and garden shows , job fairs, holiday parades and minor league baseball games.

Some challenging events are in part the continued illnesses of surrounding Covid and RSV which has affect our membership. And honestly as our senior membership is aging they are less active or transferring to Post Everlasting. A few Posts struggle as in there community area the involved members become ill and others do not want to assist in roles requiring responsibility of holding meetings and completing paperwork under deadlines. Assistance from the District and more capable Posts is being offered and provided by some struggling Posts at this time want to work things out on their own.

Educational and rewarding activities have included the starting of “Game Night”, a sponsorship by Posts and District 15 of a Therapeutic Horsemanship program, a sponsorship of a music program for veterans just to highlight a few that are at no cost to veterans. The fees and

material expenses are being covered by the District and Posts.

Recruitment and retention is at times a struggle. And recently I've had the opportunity to read original Post meeting minutes from the 1920s. Anyway even back then the Legion had the same challenges of recruitment, retention and membership involvement. Interestingly they did the same things we talk about today but without all the technology we use now. The District and Posts have conducted recruitment, retention and revitalization events.

The District and Posts support various programs of the American Legion (Boys and Girls state, Scouting, Oratorical and Legion Baseball) This year donations to the Legacy Scholarship by the District and a single Post exceeded \$6,000. The District and Posts supported relief for Hawaii and California with monetary donations in the thousands of dollars. The District and a few Posts sponsored games for American Legion Baseball.

There is so much more I can say about the Veterans of District 15, but to sum it up I'm proud of them for their continued service to our County, Community and future.

DISTRICT 16 COMMANDER END OF YEAR REPORT 2023-2024

Our District 16 meetings are held quarterly throughout the three counties of Ventura, Santa Barbara and San Luis

Obispo. On average, only 8-10 posts participate. That is only half of our current 18 posts. Without representation, posts are not aware of vital information presented or discussed at these meetings. I would like to thank Lompoc, Santa Maria, Arroyo Grande, San Luis Obispo, and Orcutt for hosting our meetings. The Sons of the American Legion and the American Legion Auxiliary provided delicious meals for those who were in attendance.

On a historical note, at district meetings, I asked that a member from each post give a short history of how they got their start, such as how long they have had their charter, and what have they done in their communities since they were established. It has been an eye-opening experience. I felt it was important for all posts in the district to understand each other and be aware of the challenges each post experiences.

In December 2023, we welcomed the National Commander for his southern California visit to the Ventura County area. Camarillo Post 731 hosted a dinner for those who were in the area and were able to attend.

This was a challenging year regarding membership for all three counties. We started out the year with many posts struggling to maintain membership goals. Although many of our posts exceeded 90% or higher, it took considerable effort to get to that point. In

January 2024, along with the Department wide membership drive, all three counties hosted a Phone-A-Thon to contact members who have not renewed in the past two years. District 16 has been conducting this event in January for the past 10 years. This personal contact resulted in over 260 legionnaires renewing their membership for 2024. In February 2024, San Luis Obispo Post 66 hosted the department membership chair during our quarterly district meeting.

Our district did have its challenges. Filling post and district officer positions has become increasingly harder as the years go by. Members do not want the added extra responsibility of holding a position of responsibility. Unfortunately, those who have served in the past have moved away, have debilitating health issues or have transitioned to Post Everlasting.

The district has become more involved with American Legion programs such as Helmets for Heroes, Boys and Girls State and American Legion Baseball. The district has ramped up its efforts to support Helmets for Heroes and has made annual contributions to the program. For the Boys and Girls State program, we have consistently filled all 55 delegates slots and afforded every post the opportunity to send someone from their area. Also, District 16 was able to sponsor a game in the 2023 California American Legion Baseball State Championship and will be doing the same again in 2024. Having this tournament in Area 6 and in our own backyard has made the event a special memory for those who attended.

I would like to thank the District 16 Officers of 2023-2024 for their support and hard work.

DISTRICT 21 COMMANDER END OF YEAR REPORT 2023-2024

GOALS:

Like many in American Legion leadership positions, my goals include mentorship and an increase in membership. Helping post leadership and interested members to accomplish tasks related to each position is vital to everyone's success as they achieve their position related tasks. Another of my main goals this year is to improve the perception of the district within each post.

ACTIONS & ACCOMPLISHMENTS:

Along with general mentorship, here are some of the activities accomplished or in work:

- Over the past couple of years, I have attempted to increase the involvement of the Past Commander Club (PCC). As part of that effort and to increase positive district involvement at posts, we have accomplished numerous officer installation ceremonies. As part of the ceremonies, I, my staff and members of the PCC have been able to network with post leadership. The resulting communications with post leadership have been encouraging.
- Early in the fiscal year, a major effort for the district was the work done with Palm Springs Post 519. With 5th Area Vice Commander Brambila's leadership, the resolution to take Post 519 off of suspension on September 30, 2023 was passed. Included in the effort were new bylaws, nomination campaign and election guidelines, house rules and code of conduct and a house committee operational procedure. As a result of our efforts, the prevailing negative opinion by membership shifted to a more positive attitude. Not 100%, but a noticeable improvement. All members of the Ad Hoc team deserve accolades. Along with the time and leadership of Commander Brambila,
 - Steve Lapham was the boots on the ground spending the most time at the post,
 - John Hudson worked hard to create the framework of bylaws, procedures and guidelines,
 - Jesse Saucedo worked membership,
 - Jennifer Turpin squared away the finances,
 - Bruce Allen ensured protocol was followed during the meetings,
 - and Al Mendoza, an unofficial Ad Hoc member, ensured accurate meeting minutes.
- Post bylaws update has continued to be a focus.
 - One post has had their bylaws accepted by the Department of California.
 - A second post is still in process updating their bylaws.
- On a similar note, the District 21 bylaws have been revised. They were approved on January 7, 2024.
- I continue to visit posts formally, in their meetings, and informally to share and discuss posts concerns. This has allowed issues to be worked on or corrected internally.
- I continue to work with a couple of posts who have had leadership turnovers. As a result, the process taken by each post has been different. I continue to help each work through their issues.
- On February 4, 2024, I had the honor of attending and helping with the Area 5 Oratorical Contest.
- I regularly attended the Riverside County Veterans Advisory Committee (VAC) Legislative Breakfasts. I was honored to be the Master of Ceremonies (MC) for the March 8, 2024, Legislative Breakfast. The topic was "Deported and Repatriated Veterans" and had 2 speakers.

- Along with Area 5 Vice Commander David Brambila and Area 5 Service Officer Al Mendoza, Sr., I attended the Corona Chamber of Commerce meeting on February 22, 2024. Supervisor Karen Spiegel, Riverside County Second Supervisorial District, gave a State of the County talk.
- On March 9, 2024, I attended the Shuttles4Soldiers Ribbon-Cutting. This was the official launch of the Shuttles4Soldiers non-profit. The organization has been created to fill a void by helping many socially and/or economically disadvantaged veterans in need to receive free and reliable transportation to extreme life dependent appointments. Their initial area of coverage is within Riverside County.
- Along with the Area 5 and District 21 Service Officer, Al Mendoza, we have had formal meetings with the following folks of importance throughout the fiscal year:
 - In October 2023, met with the new Riverside County Veteran's Services Director, Greg Coffos and Assistant Director, Adam French.
 - Attended a Veteran roundtable with Assemblymember, 60th District, Dr. Corey Jackson.
 - Met with County Supervisor Yxstian Gutierrez, District 5, to discuss veteran concerns within his county district. Also discussed were the various county grants available.
- Throughout the fiscal year, I attended the following veterans' related events. These events allow opportunities to stay abreast of veteran resources and to network.
 - The 2023 Annual Veterans Expo hosted by Assemblymember, 67th District, Seyarto occurred in November.
 - The Riverside County Veterans Court Graduation ceremony held at the Riverside Historic Courthouse was held on November 3, 2023.
 - Along with Department Judge Advocate Amado Salinas and Area 5 Service Officer Al Mendoza, I attended the renaming of the Palm Desert Community Based Outpatient Clinic (CBOC) on December 8, 2023. The VA Loma Linda's Palm Desert VA Clinic was renamed to the Sy Kaplan VA Clinic in honor of local Veteran Seymour "Sy" Kaplan. Kaplan served in the U.S. Army from 1942 to 1945 as a combat engineer where he earned three Battle Stars and two Purple Hearts. Following his discharge from honorable military service, Kaplan continued to serve by supporting fellow Veterans with advice and assistance to access their earned VA benefits.
 - On January 20, 2023, I attended the Pass Area Veterans Expo in Beaumont. The Legion was well represented by Morrison Memorial Post 574, located in Moreno Valley, and San Georganio Post 428, located in Banning. Both posts interacted with veterans and family members regarding Legion family membership and VA benefits.
 - Also on January 20, 2023, at Owen Coffman Post 519, located in Palm Springs, Area 5 and District 21 leadership attended a ceremony recognizing Major General Austin Renforth (Ret.). I presented him with a Certificate of Commendation for his 42 years of active duty to our country and the United States Marine Corps.
- On December 3, 2023, I had the honor of attending the 105th birthday party for Louise Scherer at Post 200. Her husband, Calvin, was a WWII Army veteran. Louise is a 37 year Member of American Legion Auxiliary Unit 200. Louise is the "oldest" member of the entire American Legion Post 200 Family, maybe in the district.
- I continue to attend the monthly District 21 Service Officer Corps meetings whenever possible. This group continues to provide training and networking opportunities.
- Sadly, I've attended a number of services where Legionnaire's have transferred to Post Everlasting and Auxiliary members have passed.

WRAP UP:

My focus continues to be helping posts get off the Post Probation List, primarily, by encouraging bylaws update and Post Audit completion. Our latest endeavor is to focus on whether posts are up to date with their non-profit status.

Respectfully Submitted,

Richard Chalupnik

END OF YEAR REPORT 2023-2024

District 22 has had a great year.

We have very active posts in this district. We have posts active in parades, having community events or countless breakfasts, dinners and lunches.

Along with our posts activities our American Legion Riders and our Sons of the American Legion are very active supporting our posts and each other. This year in April the American Legion Riders will be holding their convention in our district

We have had a very special "Be the One" weekend. This was a three day event which included buddy checks via phone and home visits. We had numerous veteran partners come in and set up tables for information. We had an art show created from fellow veterans. We had an exhibit for gaming and drones. Oh and we had a visit from the National Commander Daniel J. Seehafer, who came in and gave a very moving speech.

We have worked very hard over the past year on membership. As I write this on March 16th we are 2nd in Department with 94.23%. We have 7 of the 26 post over 100% and no posts under 84.80%. I believe that before this year ends we will double the amount of posts over 100% if not more.

DISTRICT 29 COMMANDER END OF YEAR REPORT 2023-2024

It has been a pleasure and my honor to have served this District and the Department of California for the year 2023 - 2024 as District 29's Commander. It has also been a challenging year as well, but it hasn't been without its rewards. As District Commanders we have our visions of where we want to lead our District and what needs to be done. My hope is that I can accomplish the goals I have set for us and with the current leadership in place, I believe we can do it.

I am a firm believer that many of the problems within our Posts is due to the lack of training and not due to the lack of desire. As District Commander my goal is to provide the Posts with the training and resources that the Posts need to be successful and thrive. The first and most important item in accomplishing this is to provide a means for the Posts to communicate between themselves. Therefore, we rebuilt the district web site (OCLEGION.ORG) and created the OCLEGION Facebook page, I am actively encouraging Posts to put there events up on the Facebook page and share their events, hopefully adding to the attendance and making them more profitable.

Now that the lines of communications have been opened between Posts, the next task is to assist in educating the Post staff. We all know that there are many officers that have been thrown into a position they don't understand, and the struggle begins. This is most common with Adjutants and 1st Vice Commanders (not to exclude Commanders), which creates difficult situations in the post administration abilities. It is vital to have officers that can function efficiently within their roles. Recognizing this problem, we are taking steps to prevent these problems by providing training within the district.

The district has established a committee to teach and assist posts with their fund raising, starting with teaching them how reach out to their local banks and community businesses for assistance. Our VSO officer has taught classes for the post VSO officers to show them how to better assist their Veteran members. Currently I have a leadership class on the second Sunday every month, as the Leadership Chair for the S.A.L... These classes are for officers in training and have been attended by Legionnaires as well, since the information is the same between both the Legion and the Sons. My intentions are to start a second class with a more specific and detailed subject matter. These classes are currently being held via Zoom and usually last an hour unless the Q&A runs over. These are only some of the areas we are attempting to assist our posts, to a large extent it is up to the posts to take advantage of what we have to offer.

The officers of the district are actively involved within their own posts as well as other aspects of the Legion and Sons. There are officers that are working at the Department level as well as the Area and are constantly doing what they can to assist in the betterment of the Legion Organization.

BOYS & GIRLS STATE COMMISSION END OF YEAR REPORT 2023-2024

Our 2024 Boys & Girls State session preparations are well underway. The dates for our program this year are: 15 June - 22 June, 2024.

Our current delegate strength is projected to be 900+.

The delegate fees have increased by \$50.00 to \$450.00 per delegate. New this year, we have added a Parent/Guardian Fee \$50.00 per delegate for a total of \$500.00. This parent/Guardian fee is a “skin in the game” fee.

We are hopeful that assessing this additional \$50.00 fee will cut down on the number of “no shows” to the program. Do not have the Parents/Guardians send this fee to Department. It should go to the sponsoring Post.

If any of you, a delegate, parent or school counselors want more information about our history and how the program is structured, please refer to our website at: www.californiaboyandsirlsstate.org.

All Blue Sponsorship cards are due to your District Chairperson by 22 March. Virtual Orientations will take place on 22 & 24 April and 2 & 4 May.

Delegates are only required to attend one of these orientations. Role will be taken.

Our Boys & Girls State Planning Meeting was conducted Saturday, 9 March at Yolo Post 77 in Woodland. Great progress was made and we are proud to announce that we currently have 114 Counselors lined up, which is the largest group ever. A final call and commitment form went out this past Monday. Twenty five responses were received in the first twenty-four hours. We will have online training for all first and second year counselors prior to the start of the program and in person training for all staff on Friday, the day prior to the start of the program.

There are some changes to The Samsung Scholarship application process for 2024. Please have qualified delegates go online at legion.org to apply. This concludes my report.

CONSTITUTION & BYLAWS COMMISSION END OF YEAR REPORT 2023-2024

“To review and help write the Constitution and Bylaws of the Posts, Districts, and the Department of California through Training and Administrative Support.”

Since the 2023 convention, the Constitution and Bylaws Commission has several times and has accomplished a lot. These were our goals:

- To update all reference material concerning writing and maintaining Bylaws for Posts and Districts.
- To review the Operational Guide for the Commission.
- To help as many Posts as possible become compliant with the Department Bylaws Article V, Section 21.
- To review and make recommendations for updating the Department Bylaws.
- To maintain Post and District Bylaws available online for review, keeping them current.
- To conduct training when and where needed for writing bylaws.

An up-to-date Post Sample Bylaws was posted online about 8 months ago. We’ve continued to make it so that each Post will be aware of some of the choices they can make with setting up their bylaws along with clarifying some of the language. A revision of the District Bylaws Sample were posted, but a better revision is pending.

As of February, 2024, approximately 54.5% of the Posts in the Department are currently compliant within the 7-year limit established in the Department Bylaws. Compliancy is being updated and maintained in the Administrative Compliance Report which is available online on the Department website. Posts that are out of compliancy could be held from seating a delegation on the floor of the Department Convention in June.

At the DEC Training held in January, District Commanders were told that they are the key to helping Posts update their Bylaws. They were told that the Commission will provide whatever support they can in achieving this goal. We have helped many Posts rewrite their Bylaws over the past year and will continue to do so. Bylaws must be submitted by the Post directly to the Department using bylaws@calegion.org. Districts are also not a part of the approval process for bylaws.

The Commission, along with the Department Staff and Web Team, has been diligent in updating the Post and District bylaws online as they are approved by the Commissioners.

Last year, the Commission worked on some proposed revisions to the Department Bylaws. They focus was mainly on Article IX. Most of the recommendations involve a reorganization with some minor bylaw changes. The recommendations were completed and submitted to Department before April 1st and notice was given (with availability) prior to May 1st. They were unable to be presented at the Department Convention in June 2023. The Commission continued to refine them. In January 2024, they were formally submitted to the Department Commander, Adjutant and Judge Advocate for review and distribution for review prior to this year’s Convention.

Part of the revision was to remove unnecessary references to the Department Convention and establish a *“Uniform Code of Procedures for Department Convention”*; a process that was approved at the April DEC. A viable working copy should be available for review by the Fall DEC.

We also wrote a *Department Resolution Process Guide*, which was approved at the April DEC. This document deals with how resolutions are generated, approved, and processed in California from a Post level on up to National. It has been sent to the current Department Resolution Committee.

Training was done at the 2023 Department Convention on writing Post bylaws. This was also part of the curriculum the of California American Legion College at each class. The training was also given at the DEC Training session in January, 2024.

GAMING COMMITTEE END OF YEAR REPORT 2023-2024

NATIONAL:

Our National approach to gaming is getting other Departments to connect with California on gaming nights. This committee is all about building a community and with National Conventions every year we are prime to come together to learn about what we are doing across the nation. This way we can cross information and see what works and doesn't work for gaming.

We would love to establish a national e-sports program so we can establish teams for national competitions that departments can send teams so they can potentially raise money and recruitment for the American Legion.

With our e-sports program departments can come together for internal competitions at the convention every year at national conventions.

We have established a national discord channel that all of the departments are starting to coordinate on for gaming nights.

DEPARTMENT:

Here in the department of California, the gaming committee is actively working on getting other post around the state activated. We are currently helping them with promotions and bringing a physical kit to their posts

Ronald Reagan Post 283 has purchased the Department Gaming Committee a gaming kit to take across the state in hopes to boost up awareness and membership at local posts. A local Post in Visalia, CA did their first gaming night which was successful and they even gained a fresh new member to their post.

The Gaming committee is also here to help with mental health and see if our efforts can prevent suicide in the veteran Community.

When we transition out of the military you lose that sense of community. The Gaming committee is here to close that community gap.

The Gaming committee can also help Areas, Districts raise money for gaming through gaming events and streaming. Streaming is the future of fundraising in the gaming space and is prime to help post in small markets raise money for their local programs.

POST:

At Post 283 we are combining our efforts in gaming with our local post. We have joint gaming nights with other local posts in our area.

Post 283 hosts game nights where we invite the community out to the post for board games and video games alike. This mixture brings out both the older veterans and the younger ones.

We have established a Post gaming committee where we talk about ideas and future plans of the committee.

The goal is to do one local lan night a month to bring out the gaming community for free food and drinks while they game.

We also did a gaming night for Post 718 in Visalia.

We went to area 1 meeting for a presentation.

Gaming Committee Chair

INTERNAL AFFAIRS COMMISSION
END OF YEAR REPORT 2023-2024

Internal Affairs: As per our Department Constitution & Bi-Laws - To Establish, Oversee, modify and coordinate efficient and ethical internal operations of the Department of California and such Activities as are usually incident to the commission as directed by the DEC.

We thank the members of the Commission: Courtland Bradbury, Michael Bloom, Roy Santiago, Patrick Gadut, and Diane Torrianni, Dennis Fercho as well as our Technical Advisor Steve Mainville for their dedication to the Department.

We are fortunate that The DEC has not directed any issues to act on as of this Report. This is key as this Commission is focused on the Department as whole and not to be used as a clearing house for Post issues. I appreciate the Impromptu Conversations with Our Ex officio members Department Commander John Aldridge and Department Adjutant Sam Flores. My Thanks go out to Past Department Commanders: Larry Leonardo and Ken Kramlich for their mentorship over the year.

Roy Santiago

Internal Affairs Commission, Area 3

LEGISLATIVE COMMISSION END OF YEAR REPORT 2023-2024

MISSION STATEMENT: To consider legislative matters, making recommendations to the Department Convention and the Executive Committee. Also generally supervise the legislative program of the Department during the state legislation session. Our Department Commander and the Department Executive Committee (DEC) are briefed on the bills we review. When possible, we present them at the DEC for a formal vote. Otherwise, due to the fast paced nature of the legislative session, the Legislative Commission reviews the bills sent out by our paid Legislative Advocates, where upon we review their analysis and develop an official position on the bill.

Our Commission works closely with Reeb Government Relations, the Department's legislative advocates at the State Capitol. They do an excellent job representing us and tracking the veteran bills that request the Legion's support. It is a team effort for sure between our Legion Department and Reeb Governmental Relations.

The State Capitol is undergoing a multi-year physical renovation at this time and our elected official's offices have been moved to another near building to conduct their necessary hearings and staff their offices.

This year legislative cycle is in its second-year session. There are about sixty proposed bills identified which impacts veterans in California. The Specific bills will be outlined in the Book of Report submitted by Reeb Government Relations.

I am proud to report that we will have our annual 2024 Spring Legislative Lobby day soon on April 17, 2024 the State Capitol. It is always a very productive and fun event that brings close to eighty legionnaires throughout California to attend and hear from our elected officials on veteran bills they propose.

In the afternoon, the legionnaires get a chance to visit with their local officials in their offices. These face to face meetings with our legion caps on make a great impression that the Legion is important and that we will continue to fight for good bills for our legionnaires and all veterans in California.

The Spring Legion lobby day is organized by Reeb Government relations with consultation with the Department Commander and the Commission. They do an excellent job.

I would like to thank our Department Commander John Aldridge and Sam Flores our Department Adjutant for their support of this Commission. The leadership and advice they provide is always appreciated.

I would also like to thank my fellow Legislative Commissioners for outstanding and diligent work on this Commission. They read, review, study and vote on bills veteran that come up for a Commission recommendation to the Department. They need to understand the impact of each bill and how it will impact our legionnaires.

They also have passion for legislation and realized how important it is to our members and the department. It has been my honor and privilege to chair this Commission over the years. They make my job easy and we have formed a very effective Commission for the Department. I thank them all!!

The members of this Legislative Commission are:

Don Harper, Chair, Area 1

Eric Measles Vice Chair, Area 6

Patricia Jackson Kelley, Area 4

Bob Brower, Area 5

Alfred Gordillo, Area 2

Dave Smith, Area 3

I would also like to thank our dedicated Technical Advisors, Seth Reeb, from Reeb Government Relations and Mike Brimer from the Legion National Legislative Commission

Our Legion voice is respected at the State Capitol because of our history and strong advocacy when it comes to fighting for good bills for our Legion Family and veterans. It is known that the Legion is also the largest veteran's organization in California and in the Nation.

The mission continues...

Don Harper

Legislative Commission Chair

MEDIA & COMMUNICATIONS COMMISSION END OF YEAR REPORT 2023-2024

My responsibilities in media and communications for the Department of California are two-fold: 1.) As chair of the Department Media & Communications Commission (and commissioner from Area 6), I can report that our media and communications efforts in the state are lacking. 2.) As a consultant for Department headquarters, I'm happy to report that we are making progress.

Regarding the Commission, we have one area vacancy, another two area reps who are still on the roster but resigned last year and two years ago, respectively. We need more people with a skill set or at the least an interest that aligns with our commission charge to carry out training and policy direction for media and communications in the Department of California. Not only are we missing half of our required six commissioners, we also don't have technical advisors to help fill in the gaps.

In terms of media and communications in Area 6, I would like to see a concerted effort be made by districts and posts to identify and recruit members to help with these efforts. It was suggested to me by the Department Adjutant that I look to fill some of my vacancies with members from the Gaming Committee, since there seems to be more interest for our members to serve in that capacity and the two bodies seem to have similar goals in mind. The Media & Communications Commission and the Gaming Committee can work together to support the Membership Director, who should be an ex-officio member of both bodies.

What we've built at the Department HQ has become a well-oiled media machine. Makenna Uriarte, our Information Coordinator working in the headquarters building in Sanger, took on several media duties, including production of the Wednesday news email (which gets sent out to almost 70,000 members across the state and elsewhere) and the design of our printed newsletter (which gets mailed to about 600 of our members and each of the 400+ posts in California). Our freelance writer, Rikki Almanza, a military wife, has been keeping our website (caLegion.org) and our printed newsletter fresh with stories about the military, veterans and the Legion. The work done by the two is checked by our associate editor, Chris Southards, who also writes the intros to the Wednesday email newsletter.

On top of that, the three of them post links to Facebook, which helps to drive traffic to the website and spread awareness about our organization. Our Facebook manager, Lillian Moss, also keeps our Facebook page fresh with content from Legion Posts across the state.

I've been proud to manage this team of dedicated professionals and am honored to have served The American Legion for 10 years, using my skills in media to help further this organization at the local, state and national levels.

Media & Communications Commission Chair

MEMBERSHIP COMMITTEE END OF YEAR REPORT 2023-2024

The Department membership is strong this year. Until this month, we had made every membership goal put out from the national organization, a feat not achieved in 6 years, and that is thanks to all the districts and Posts throughout the state. Please give yourselves a round of applause for those efforts.

We currently sit at 93.24% of goal with 65,141 members paid for 2024 so far this year and are the 45th Department in the country (as of May 31). I promised the Commander at least 100% this year, and we will achieve that marker by convention.

The past few years of losing thousands of members are over, and we need to start using all the tools at our disposal. We have designed the new Department membership EZ-Up kits, as they are on display in the courtyard. The new tablet allows not only new membership but now renew members at revitalizations. We have new committees (like Gaming, Drone and Mental Health) that younger veterans seem to like.

We conducted two National revitalizations, one in District 22 that used Be the One weekend with the National Commander's visit that Post 731 hosted. National said it was the largest and most thought-out event in the country that they have seen in years. Thank you to Vic Martin and District 22 for all their hard work. District 6 event worked on conducting phone calls and door knocking, and their efforts catapulted them from 12 to 1st in the Department list in membership in two days, achieving 94.2% membership in early February. Thank You Commander Rice.

I promise you this if we all finish strong on membership, we will never be sitting in the back near the restroom ever again at convention. Help me and my team and let us finish this year strong with 103% of our goal and let us sit in front at convention this year.

Respectfully Submitted,

Jeff Freeman
Membership Director

ORATORICAL COMMISSION
END OF YEAR REPORT 2023-2024

Greetings Legionnaires,

This year for the Oratorical Commission has been a whirlwind. Thanks to Area 1 Commissioner, Arlene Salvador; Area 2 Commissioner, Larry Maggio; Area 4 Commissioner, Gil Soto; Area 5 Commissioner, Josephine Thomas; Area 6 Commissioner Danielle Baker, and gratefully, to our Technical Advisor, B. David Gibson. Without this group of dedicated individuals, things would not have run as smoothly as they did.

Altogether we received names of approximately 25 students in California from our National Americanism Program. The students were helped by our Area Commissioners to participate in Post contests. If they were too late for contests this year, they are given information about how to participate next year.

What does this mean for the student? That depends upon our Posts. Some Posts are missing out by not participating in the Program. Why? Sometimes Posts cannot help due to financial concerns. That is understandable. Remember, the speeches these students prepare and orate are astounding. If you have heard Department winners from prior years speak at our convention you understand the quality of students who participate.

In order to support these students, we need to maintain our/increase our scholarship money to keep the interest of potential students now and into the future. Because of reduced income/donations of money into the Department, money for this program has been decreased. The budget we submit is drastically cut. Also complicit in the reduced program participation is the visibility of the program. Getting the word out to our schools is essential to help with the continued success of the program. This program also needs your help - each Post that is able to hold a contest.

To meet the program's needs, the Commission is seeking outside donations to help sustain/

exceed the financial needs to keep the program viable. We have run up against problems along the way but are seeking ways to overcome the obstacles. There are some Posts that are willing to assist, and we thank them. They remember it is all for the youth of the country. One day, these students may be our political leadership.

The Department competition will be held in Pacific-Palisades, on 25 February, 2024, at Ronald Regan, Post 283. Depending, if there are six student competitors, they will receive \$1,200; \$1,000, \$700 (x4). We hope our Department winner is the winner at National. As usual, our Department winner will address the convention in June. The National competition will be 17-19 May 2024, Hillsdale College, 33 E. College St., Hillsdale, MI 49242.

The Commissioners would like to thank all participating Posts that held Oratorical Contests and/or assisted with the program. It would also like to thank Ronald Regan Post 283 for its generous grant money that supplemented the Department money at the Area and Department level. Without Post 283's support, our scholarship money would have been reduced by approximately 30%.

At this time, I want to thank all of you on behalf of all the Oratorical Commissioners, to thank all of you for allowing us to work in the interests of the Oratorical Program for the Department of California as its dedicated leadership for student success. We are looking forward to assisting students with this Program in the future.

God Bless America

Mildred S. Wright Pearson

SCOUTING COMMISSION END OF YEAR REPORT 2023-2024

MISSION: To foster and promote the scouting program throughout the State among the Posts of the American Legion of this department, including such activities as the Cub Packs, Scouts BSA, Sea Scouts, Venture Crews, Air Scouts, and Explorer Scouts.

There are four goals of your Scouting Commission:

To provide a program that promotes the values of the American Legion.
To Engage Legionnaires in being a role model and mentor to Scouts.
To Communicate BSA program details to the membership.
To Recognize exceptional service to Scouting and American Legion Scouting program.

For over 100 years the Boy Scouts of America and the American Legion have been helping America prepare its next generation of leaders by creating the nation's foremost youth program for character development.

In the future, Scouting will continue to:

- Offer all young people safe and responsible, fun and adventure
- Instill in young people lifetime values, and develop in them ethical character as expressed by the Scout Oath and Law
- Train young people in citizenship, service, and leadership
- Serve America's communities and families with its quality, values-based program.

We encourage all Legionnaires to participate in Scouting as advisors, trainers, mentors, and counselors. You have unique skills that could change the lives of our youth.

This is a good time for the Post Commander or Charter Organizational Representative (Post Scouting Chairman) to present the "Scout Leader" (Cubmaster, Scoutmaster, Venturing Adviser) and "Scouting Unit Chairman" with a Certificate of Appreciation for their contributions to the success of Scouting as Partners with the American Legion.

Scouting Commission Motto: "A PACK IN EVERY POST"

Scouting consists of Packs, Troops, Crews, and Ships containing many youth.

Encourage all Legionnaires to participate in Scouting:

- In Post chartered Units
- In BSA Council and District events, or committees
- As a Merit Badge Counselor
- Friends of Scouting Donor

END OF YEAR REPORT

SONS OF THE AMERICAN LEGION COMMANDER END OF YEAR REPORT 2023-2024

To Our Legion Family,

Welcome to Visalia! Here's to a convention full of camaraderie.

Here we are at the end of another Legion year. But this has not been just any year for me. It has been both my honor and privilege to represent you as Detachment Commander. As we gather for our SONS 85th Annual Convention alongside Legion and Auxiliary family members, we are mindful of our accomplishments and our responsibilities.

Meeting of membership (11,362 for 2023!) and CWF and VCF donation goals, increased cooperation between TAL and SAL officers and committees and commissions, developing and working on common goals and strategies with Department Commander John Aldridge, capped off by the honor of having our SAL National Commander JR Hall as our guest at this convention, are just some of the highlights of a great year.

One of the goals going forward for me will be to continue in my own way to try to be value-adding to our Detachment and help to identify and encourage members with leadership potential (younger and otherwise) to progress through appointed and elected offices – thus promoting the practice of going through the chairs and having trained, experienced and qualified candidates at each of the higher positions in our Detachment. I hope this year was a memorable one for you also, and that all members feel as though we made notable strides toward the common goal of proving that...

“Joint Efforts Triumph”

AMERICAN LEGION AUXILIARY PRESIDENT END OF YEAR REPORT 2023-2024

American Legion Auxiliary
Department of California President 2023-2024

 **Glenda Schultz**

It has been an honor and privilege to serve as Department of California American Legion Auxiliary President this year.

I look back on this phenomenal year with a sense of pride: pride in the unique projects that were completed, pride in the dedication and diligence of our members responding to the needs of military families, and pride in the fresh and innovative ideas put in place for the future.

Two of the keywords I stressed this year were “communicate” and “unite”. The Department established weekly, monthly and bi-monthly Zoom meetings designed to keep the flow of information open and to keep rumors to a minimum. Members were encouraged to anticipate changes and make certain everyone was on the same page. Discussions were lively and (sometimes) heated but always productive! The Unit Development and Revitalization Committee was reinstated and tasked with solving minor and not-so-minor conflicts between members with the emphasis placed on what unites us - rather than on what divides us - when problems arise.

And a special note of appreciation to California American Legion Commander John Aldridge and his exceptional staff. What a blessing it has been to work with this talented group! The Be the One campaign is just one of the many examples of what we can accomplish when we work together. I can truly say that the Auxiliary has achieved a new level of cooperation and understanding with the Legion.

May the Legion family continue to thrive in the coming years.

THE LAST BUGLE CALL

O Lord, You have showed us that death is but the gateway to a more glorious life and that we must not fear its coming, and we know, also, that neither life nor death can separate us from your love.

Assure us, yet again, that our departed comrades are not lost to us, but sharing new life with you in the Kingdom of our Father, where we shall in your good time be reunited.

We know them to be with you forever...

AMEN
