HVAC

- Chilled water system
- Smoke Management System
- Package AC Units
- Kitchen Ventilation System
- Plumbing System
- VRF & DX AC system
- Computer Room AC Units
- Marine HVAC System
- BMS System
- Annual Maintenance Services

We provide complete HVAC Design solution for Residential, Commercial buildings, warehouses etc. including Heat Load Calculation using HAP, Hevacomp, etc. Equipment Selection, duct and pipe design, stress analysis, ESP and Pump Head loss calculations, HVAC Control and Automation, Supply, installation, Testing & Commissioning.

FIRE & SAFETY

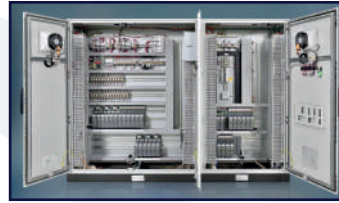

- Annual Maintenance S/M
- Fire Alarm System
- Monitoring Projects
- Fit Outs
- Fire Fighting System
- Emergency and Exit Lights
- Industrial Projects
- Civil Defence Approvals & Engineering Designs

We provide complete Fire and Safety Design solution for Residential, Commercial buildings, warehouses etc. including fire alarm, fire detection, Voice evacuation & PAVA Systems etc. Our highly trained team is capable of first class installation of Fire hose reel, sprinkler system, fire pump, fire hydrant, deluge fire systems. We do supply fire extinguishers, emergency exit lights systems etc. as well. Our experts provide regular maintenance checks, ensuring the systems are working correctly and any faults can be swiftly and successfully repaired.

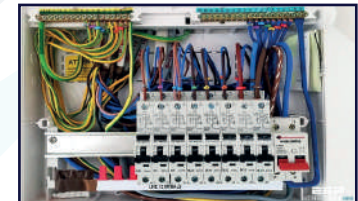

INSTRUMENTATION & CONTROL SYSTEMS

- Fire & Gas System, Field Instruments & Drives
- ESD, DCS & PLC System
- Control Valves, on /off Valves
- Breather Valves, Safety Valves
- Transmitters, Switches & Gauges
- SCADA/HMI, PLC/RTU System
- Preventive & Corrective Maintenance
- Tubes & Fittings for Pressure Flow Line Transmitters

ELECTRICAL & POWER SYSTEMS

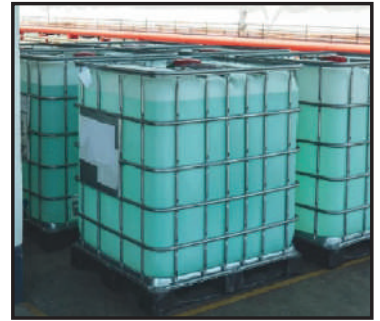

- Power Distribution & Transmissions
- Earthing & Lightning Protection
- Power & Lighting System Installation
- Preventive & Corrective Maintenance
- Explosion Proof Electrical Equipment's & Products
- Testing & Commissioning
- Cable Works (LV, MV, HV) & Cable Management
- Solar Street Lighting

We provide Instrumentation & Control and Electrical & Power system contracting services to different types of industries such as Oil & Gas, Petro chemical, Power & Energy Sector, Water & Water waste water treatment Plant, Refineries, Fertilizer, Wells and Well Head Area, Chemical, Cement LNG and steel, including complete solution of EPC Works.

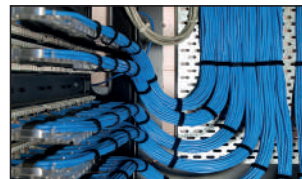

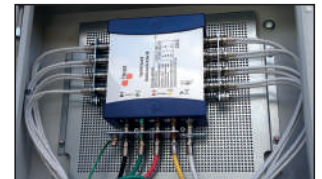

MARINE ONSHORE & OFFSHORE SERVICES

- Onshore & Offshore Oil & Gas Fields and Facilities Services
- Oil and Gas Production Facilities Operation and Maintenance Services
- Design and Supply of IBC Totes, Offshore Container & Baskets.
- Wholesale of Oil and Natural Gas Well Equipment, Devices and Spare Parts Trading
- Sale and service of specialty pumps and dewatering solutions
- Supply of Hydraulic Oil, Lube oil & other Lubricants for Marine industries.
- Supply of Chocking compounds and grouts
- Offshore Accommodation Modules

ELV SYSTEMS

- Network System
- Structured Cabling
- CCTV
- Office Automation
- SMATV
- PA System
- FO Cabling & OTDR
- Lighting Control System
