ABOUT CARMEL COLLEGE FOR WOMEN

Carmel College of Arts, Science and Commerce for Women is nestled at the foot of the hills in the village of Nuvem, Goa. It has the distinction of being the first and only college for women at undergraduate level in the state of Goa till date.

The College is run by the sisters of the Apostolic Carmel congregation. The pioneers of this prestigious institution were Mother Theodosia A.C. the then Superior General of the congregation, Sr. Amabel A.C., the then superior of Fatima Convent, Margao and Monsignor Ronald Knox, the Internuncio. Sr. Amabel felt the need to start a Women's College in Goa and she expressed her desire to her friend Dona Thelma da Costa Lourenco of Margao, who herself was working extensively in the field of education for several years in Bombay. Dona Thelma donated 35 acres of land at Nuvem for erecting a college for women as it had been her deep longing to see Goan girls pursue higher education.

The college had begun with the faculty of Arts and Science at undergraduate level, but today it can boast of its expansion. The additions are the faculty of Commerce (1987); post-graduate courses in Commerce (M.Com.) (2007) with specialization in Management and Accountancy, M.A. in Psychology with specialization in counseling and clinical psychology (2007). The college has added to its credit a post-graduate course M.Sc –Food Technology in 2017. The College is Re-Accredited by NAAC with 'A' grade (4th Cycle) and score 3.25.

We are proud to announce our collaboration with the HAS University Netherlands and Post Graduate Department of Food Technology, Goa State Biodiversity Board (GSBB) Saligao Goa and Biodiversity Research Cell Department of Zoology (BRC) , Anyay Rahit Zindagi Vasco Goa (ARZ) and Department of Psychology, Nirmala Institute of Education (NIE) and Department of English, St Xaviers College (Autonomous), Palayamkottai, Tamil Nadu and Carmel College, Sophia Girls College (Autonomous) Ajmer Rajasthan and Carmel College, Goa Institute of Public Administration and Rural Development (GIPARD) and Carmel College.

Carmel College has a spacious and modern building with adequate facilities such as well-equipped laboratories and library, Wi-Fi internet, state-of-the-art sports complex, natural history museum, botanical garden for study, games and recreation along with women's hostel and a large area for expansion. The serene environment of Carmel College makes it an excellent place for study and reflection.

Our students are our pride. Their performance at the university is outstanding and they are well placed both nationally and globally.

PRINCIPAL'S MESSAGE

I feel privileged and proud to extend a cordial and loving welcome to you into the portal of Carmel College of Arts, Science and Commerce for Women for the academic year 2024-2025, Goa's first institute of Higher Learning exclusively for Women at Under Graduate level and Co-ed at Post Graduate Level.

Carmel College is nestled at the foothills of Nuvem, which is a serene, untainted and a picturesque village. The college provides a very conducive and safe learning environment in Higher Education especially for young women in the state and beyond. The institution enjoys an unparalleled reputation and our past beneficiaries choose to send their daughters here for balanced education with emphasis on faith and character building. It is conveniently situated along the Margao-Panjim National Highway and is easily accessible being an unmistakable landmark in Salcete taluka of South Goa.

The college established in 1964 is managed by the Sisters of The Apostolic Carmel Congregation founded by Venerable Mother Mary Veronica of the Passion way back in 1868 in Bayonne, France and established in India in 1870. It functions under the divine patronage of Mary, Queen Beauty of Carmel. The College will complete six decades of existence in 2024 and in this span of time over the years has incrementally strived for innovative academic courses balancing knowledge with employability, a modern infrastructure complete with cyber pedagogy, grooming feminist leadership as well as instilling an environmental friendly ethos in the students.

As one enters the gates of Carmel College, one is greeted by a verdant ambience which complements receptivity for learning. The spacious campus instantly makes one feel relaxed and rejuvenated. The college also holds a state-of-the-art sports infrastructure complete with indoor stadium and a Natural History Museum, Wi-fi internet and Women's hostel along with a large area for future expansion.

Our teachers are highly qualified and distinguished in their domain expertise and are our

intellectual assets. They walk the extra miles beyond the four walls of the classroom with student mentoring to meet their academic interest, maintain emotional balance, physical fitness and even extend financial assistance in deserving cases. The management, faculty, students, non- teaching administrative and support staff and even our esteemed parents function as one united Carmel Family with a common mandate of academic excellence along with integrated and inclusive development of the students.

Our Vision is Holistic Development of youth through education amidst challenging, changing and developing society and our Mission is to educate youth for an altruistic leadership by integrating academic excellence and human ethics.

A paradigm shift is taking place in the education sector in Higher Educational Institutions in Goa from the Academic Year 2024-25. We need to restructure and redesign the teaching learning process so that we can integrate academic expertise with skills, creativity, values and leadership qualities.

We look forward to your contribution as students of the college along with continued support and guidance of all our stakeholders to take this institution to heights of relevance and glory in building character and careers. Together we move ahead for the enhancement of the institution and for the greater glory of the Almighty.

Once again a loving welcome and God bless you!

Department of English

The Department of English delivers syllabi in Language, Literature, Communication and Soft Skills, Business Communication, Digital Story-telling, as well as mainstream literary studies, Performance Arts and media studies. Students are encouraged to participate in extra and co-curricular activities and nurtured to hold positions of leadership at the college and community level. They are also trained to participate in state and national level events. Activities like creative and travel writing workshops, guest lectures, meetings with writers and poets, active involvement in the Goa Arts and Literary Festival encourage interactive learning.

Alumni from the department have pursued further studies at prestigious institutions like St. Xavier's Institute of Communication and Sophia Polytechnic Mumbai, besides Postgraduate and B.Ed degrees at Goa University. Many hold successful jobs and pursue careers in teaching, public relations, event management, journalism and the airlines.

Department of Hindi

The Department of Hindi was started in the year 1964, with the establishment of the college itself. Students are offered General and Honors degree in Hindi. Apart from the normal teaching, the department organizes field trips, study tours, guest lectures, workshops, seminars and other activities to enhance teaching-learning. Every year the department celebrates important events like Tulsidaas and Premchand Jayanti. Various competitions like Essay Writing, Slogan Writing, Poetry Writing etc are organized to celebrate Hindi Day. The students are encouraged to participate in the Intercollegiate competition "Srujanotsav" organized by Institute Menezes Braganza, Panaji – Goa to commemorate Hindi day.

Department of Konkani

The Department aims to train students to be proficient in the official language of the state by speaking correctly and writing according to the guidelines given by the Konkani Academy. Students are sensitized to the richness of Konkani which is written in five different scripts: Devanagri, Kannada, Roman, Malayalam and Arabic. Accordingly the Department regularly conducts curricular and co-curricular activities like workshops in Tiatr and Street Play acting and dialogue delivery, guest lectures by authors from Goa and Karwar, Inter Collegiate Poetry Competition, field trips, study tours to Bhatkal and Hasan, Mangalore to interact with people writing in the Kannad and Arabic scripts. Students graduating in Konkani are mostly employed as school teachers, lecturer, translators, comperes and research assistants.

Department of Psychology

The Department of Psychology has evolved as one of the prestigious centres for studying the subject in Goa. It features contemporary and experiential learning environments wherein students and teachers collaborate to instill a scientific temper which includes questioning, observing physical reality, testing, hypothesizing, analyzing and communicating. To this end, the faculty members strive to provide opportunities for students by conducting various workshops, guest lectures, psychology festivals, field trips to NGO's and rehabilitation centres. Equipped with a wide-range of tests, equipment and state-of-the-art learning technologies, students gain high quality learning opportunities and intellectual excellence in understanding human behaviour and mental processes.

The subject offers prospects of benefits towards expertise and prepares the students for careers in both academic and applied settings, such as in education, NGO's, psychotherapy, law, social work, medicine, business, hospitals, and so on.

Department of History

The objective of the department is to encourage the learning of history as it takes us back to our roots, tradition and culture and helps us to avoid the mistakes of our past and plan for the future. The Department of History organizes a number of activities ranging from National- level seminars, workshops, inter-college events, study tours, besides observing days of national importance.

The department in collaboration with MARG has founded a Civic Club, to cultivate in our students a sense of civic consciousness. Yet another highlight is a certificate course 'History through Heritage', annually organized by the department, to instil in our students a love for heritage and its preservation. The Department has seen outstanding results at the Third Year level, with students topping in the subject and being awarded the prestigious Peter Alvares Award.

History offers several career opportunities in the areas of Postgraduate Studies in History, Archaeology, Museology, Latin American Studies, Research leading to Ph.D, Competitive Exams like I.A.S, U.P.S.C, G.P.S.C, Law, Journalism, Teaching, Police Services, Management Studies, Travel and Tourism and Politics.

Department of Economics

The Department is committed to excellence in teaching, research and all-round development of students. We endeavor to provide the students with analytical skills and enthuse them to think critically about the economic issues. We aim to create awareness in our students on the economy-environment inter-linkages and to encourage them to engage in local, national and global economic policy and issues.

To make the teaching learning process effective and interactive the department conducts a number of activities not only relevant to the curriculum but which also help the students to get acquainted and updated with the current issues, develop critical thinking as well as prepare them for career opportunities.

Some of the activities conducted are student seminars, debates, policy analysis, article synopsis and reviews, field trips, study tours and add-on and skill enhancement courses. The department strives to equip our students with skills to be committed and dynamic women leaders, entrepreneurs, innovators, employees and educationists.

Department of Political Science

The main objective of the Department is to train students to become enlightened and empowered citizens by developing analytical and methodological skills. The Department has collaborated with various government agencies like GIPARD, Goa Election Commission and Local government bodies with the aim of giving an exposure to students to develop leadership qualities in them.

The Department has initiated coaching classes for various competitive exams and has also introduced students to research methodology in Political Science. The students of Political Science can pursue careers in Law, Journalism, Administrators, Academicians, Research Assistants and Non Governmental Organizations. The students Political Science have the distinction of being awarded the G.D Parekh Scholarship for securing the highest marks in Political Science and are also perusing M.Phil and Ph. Mathematics

Department of Chemistry

The department has two well equipped laboratories enabling the students to get hands on experience in laboratory techniques. Apart from this the department is instrumental in extracurricular activities which include field trips to multinational industries and institutes of research, the chemistry quiz is an annual event of the department as well as the celebration of science day which gives the students the opportunity to be creative and showcase their talent.

Completing a Bachelor in Chemistry gives the student a wide range of career opportunities from continuing their further studies in academics to working as research assistants in national laboratories, in Research and Development sections of pharma companies, in quality control and quality assurance departments in industries, in teaching positions in schools and colleges.

Department of Physics

At Carmel College, the Department of Physics provides a strong foundation in Physics so as to prepare students for future educational and career challenges.

The student should understand science in its true sense, through models, intense observation and meticulous experimentation and for this the department strives to develop the skills of the students.

The well-equipped laboratory with ample instruments and experienced faculty makes an ideal place to measure and explore physics. Dedicated and experienced faculty members have consistently provided good academic record resulting 75% of our student to go for higher studies.

For enrichment of the subject, the faculty organizes study tours / national/ state level programmes. Students get an exposure to Experimental Demonstrations of Physics Concepts by Nationally reputed Physicists, Night SKY Observations etc. Department has coordinated with Goa University, IAPT (Indian Association of Physics Teachers), Inter-University Accelerator Centre, New Delhi to organize activities like Refresher Courses, Annual Conventions, Workshops and National Seminars. The college is a designated center for the conduct of National Graduate Physics Examination (NGPE). Students are encouraged to answer these exams.

Department of Botany

The Department of Botany offers a degree of Bachelor of Science in Botany taught by highly qualified, experienced and dedicated faculty committed to excellence in teaching, research and

all-round development of students. The faculty regularly attend seminars and conferences and have publications in national and international journals. Well-equipped laboratories, Plant Tissue Culture Laboratory, Shade House, Botanical Garden, Herbarium and Museum of Natural History are distinctive features of the department.

Regular field visits, institutional visits and study tours to places of botanical interest in and outside Goa are an integral part of the teaching of Botany to give a complete understanding of the subject. Guest lectures, workshops and certificate courses are organized on a regular basis. Some of the workshops organized by the department include 'Terrarium' Kokedama', 'Developing Botanical Drawing Skills', 'Home Wet Waste & Garden Waste Composting' and 'Herbal Soap Making' in an attempt to encourage skill development in students. Skill-based courses in 'Nursery and Gardening', 'Post-harvest Technology of Fruits and Vegetables', 'Techniques in Floral Arrangement', 'Herbal Technology', 'Mushroom Cultivation Technology' and 'Ecotourism' courses floated under the NEP syllabus are creating a lot of interest and enthusiasm among students. As part of extension services, the department conducts programmes for students of neighbouring schools and higher secondary schools. The department has received a major research project grant from the Goa State Research Foundation, Government of Goa, for "Study of Angiospermic and Microfungal Diversity associated with Myristica swamps of Goa" for a duration of 3 years starting from March 2024. Career opportunities for students include continuing further studies to obtain M.Sc., M.Phil., and Ph.D. degree; continuing research as a career; employment as teachers/professors in academic institutions; employment in state and national organizations and administrative services; self-employment opportunities as landscape gardeners, florists, horticulturists, progressive farmers, etc.

Department of Zoology

The Department of Zoology has earned for itself intra and inter institutional peer recognition for its teaching programs, research, consultancy and extension activities across the state and country. The department also houses a Animal Tissue Culture Laboratory, Natural History Museum and the Biodiversity Research Cell (BRC), which collaborates with many regional and national research institutions with a mandate of training our students in field biology and also documenting the biodiversity of the state. Alumni of the department have been occupying academic and research positions in institutions across and outside the country. Centre for research in Zoology with facilities for doctoral research is established and affiliated to Goa University. Faculty members have funded research projects in specialized areas of Zoology. Department has procured an advanced Imaging Research Binocular Microscope of Japanese make Meiji Techno with retinoid Screen for real time visualisation and recording. Department

has signed MoUs with eminent State Bodies and are also members of Government Bodies. Faculty of the department is well traveled for academic collaborations and research. College is currently headed by the member of the Department.

Department of Mathematics

Mathematics as a subject was an integral part of the college since its inception. The faculty of mathematics has made a conscious effort to grow in sync with the directions of the Institute and in awareness of the larger needs of the society.

The department provide opportunities to the students to choose their career in education and research in various field of Mathematics. The role and use of mathematics has increased manifold in the last decade with the onset of the information revolution that has impacted several other disciplines as well. Skills in computational mathematics are needed more than ever before. Keeping this in mind, the department runs several foundation courses for all students pursuing Arts, Science and Commerce degrees to lay a strong foundation to the various fields of Mathematics. The department aims to deeply involve in research and share the knowledge to the academic and industrial sectors through publications, lectures, collaborations and consultations.

Department of Information Technology

In the networked world of today computers are an inextricable aspect of all our lives. Whether at work or play, in the home or market place, we rely on computer technology for the smooth functioning of our lives.

Computer science is a constantly evolving field that brings together varied disciplines like include mathematics, programming, engineering, the natural sciences, psychology, and linguistics.

The department teaches the application and allied uses of Computer Science. The networked laboratory has fully equipped systems with internet facility. Internet and Wi-Fi facility is provided to the students to enhance their academic performance by enabling them to find the latest literature on any topic.

The department offers various subjects with an objective to help them become industry ready while they complete their degree. Whatever may be their area of specialization, knowledge in the generic electives offered by the college in computer related subjects will be an added advantage to the students.

NCC, NSS & Sports

NATIONAL CADETS CORPS (NCC)

The main motto of NCC is “Unity in Discipline”. The NCC aims at developing character, comradeship,

discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces. Cadets answering B and C Certificates have an opportunity to join the armed forces and many state and union Government gives concessions and preferences to NCC cadets in government jobs across India.

The cadets have made the college proud by participating in National camps like TSC, RDC, NIC, BLC and have also won laurels for the institution. Cadets have also participated in social service activities like visiting old age homes and orphanages and conducting tree plantation drives.

NATIONAL SERVICE SCHEME (NSS)

The motto or watchword of the National Service Scheme is ‘Not Me But You’. This expresses the essence of democratic living and upholds the need for selfless service, as well as consideration for fellow human beings. It underlines that the welfare of an individual, is ultimately dependent on the welfare of society as a whole.

The aims and objectives of the NSS are as follows:

To work with/among people.

To engage in creative or constructive social action.

To gain skill in the exercise of democratic leadership.

To bridge the gulf between the educated and the uneducated masses.

To promote the will to serve the weaker section of the community.

SPORTS

As the famous saying goes, “All work and no play makes Jill a Dull girl” (adapted) Besides education, Carmel College looks forward to enthusiastic participation of all students in the various activities organized by the sports department including inter collegiate activities.

The college has come up with a modern multipurpose Indoor Sports Complex with the following facilities.

Gymnasium, Badminton Court with vinyl flooring, Table tennis Room, Pool table / caroms, Changing rooms / wash rooms etc.
