COUNTY ENGINEER'S POLICY

Subject:

TOWNSHIP ROAD NAME SIGNS

Policy:

The County Highway Department will no longer be replacing road name signs at intersections under Township maintenance jurisdiction (i.e., Township road to Township road intersection, Township road to Village street intersection, etc.).

The County will continue to maintain and replace Township road name signage located at intersections of County roads with Township roads along with continued maintenance and replacement of stop signs at those intersections.

Should Townships wish to continue the replacement of damaged or stolen road name signs at intersections under Township maintenance jurisdiction, a list of local sign material suppliers is available by contacting the County Highway Department at 330-627-2345.

Effective: 4/1/2020
