Information & Guidance

First Aid Coronavirus

Raise awareness and provide simple measures to reduce the spread of the Coronavirus

With news of the Coronavirus (COVID-19) continuing to make headlines around the world, the need to tackle the spread of this deadly virus is greater than ever. Some groups of people are more susceptible to the complications of Coronavirus than others, especially older people (70+), people with certain medical conditions (asthma, diabetes, underlying poor health or weakened immune system) and pregnant women.

Signs / Symptoms

Common symptoms: Fever/high temperature, aches and pains, loss of taste or smell, cough, shortness of breath, fatigue, sore throat, runny nose, diarrhoea, vomiting, loss of consciousness.

Other symptoms include: Headaches, Tiredness, Slight joint and muscle aches, Loss of appetite, Nausea, Diarrhoea, Vomiting, Loss of consciousness.

How it Spreads

The virus is likely to be found on hand surfaces, clothing, tissues, objects, kitchen worktops, for up to 3 days and could transfer to another person through direct contact with contaminated surfaces.

Prevention

Wash your hands regularly with soap and water for at least 20 seconds. Avoid touching your face. Avoid contact with people who have symptoms. Avoid contact with surfaces that may have been touched by someone with symptoms.

Taking Action

A business should attempt to minimise the risk of Coronavirus within their workplace by taking necessary measures.

Individual

Do not touch your face. Wash your hands regularly. Use tissues to cover your nose and mouth and dispose of them immediately.

Environmental

Disinfect surfaces in common areas. Consider practical measures to reduce the risk of contact with contaminated surfaces.

Organisational

Basic awareness among staff of the signs and symptoms of the virus. Encourage staff to stay at home if they develop symptoms. Encourage staff to wear a face mask if they have symptoms.

Coronavirus Help stop the Spread

Follow these six simple steps to protect yourself and those around you from the Coronavirus

What YOU need to do

- Wash your hands regularly**
Wash hands for at least 20 seconds with soap and hot water or use a sanitising gel. Do this after using the toilet, touching communal items such as the kettle and towels and after eating.
- Don't touch your face**
Avoid touching your eyes, nose or mouth with your hands. If you need to touch your face use a tissue. Bin the tissue after contact with your eyes, nose or mouth. Wash your hands after contact with your face.
- Use a tissue**
Always try to cough or sneeze into a clean tissue then bin it immediately.
- Don't spray**
If you feel the need to cough or sneeze and have no tissue to hand, use the crook of your elbow to stop bacteria spreading through the air.
- Regularly refresh**
Do not rely solely on soap and water or hand sanitiser. Use antibacterial surface wipes to clean high traffic areas such as kitchen counters and door handles.
- Isolate**
Do not put you or others around you at risk. If you are experiencing symptoms of Coronavirus, do not go to work, do not go out, remain indoors and contact NHS 24 by calling 111 or online at 111.nhs.uk.

Signs and symptoms of Coronavirus
Headache, dry cough, fever / muscle pain and difficulty breathing.

STOP CORONAVIRUS INFORMATION

In response to the recent outbreak of the Coronavirus (COVID - 19) we ask all visitors to self-screen before entering the building, to help lessen the spread of the virus.

Do not enter if:

- You have signs of a fever or a high temperature (above 38°C)
- You have a persistent cough or respiratory problems
- You have had contact with any possible source of the virus

If you have met any of the above criteria please return home and contact NHS 111 for advice

If you are safe to enter please do so and follow the guidance below:

- Wash your hands regularly and thoroughly with soap and water or alcohol based hand sanitiser
- Avoid touching your face with your hands
- If you need to cough or sneeze, use a tissue and bin after use
- Where possible avoid contact with vulnerable individuals such as the elderly and those with underlying health conditions

Synthetic Paper
420 x 594mm
5 5021

First Aid Wash your Hands

When to wash your hands:

- Before work or school
- After using the toilet
- Before eating or drinking
- Before and after handling money
- After contact with bodily fluids, blood, urine, vomit and/or faeces or animal droppings
- After coughing, sneezing, nose or mouth
- After touching any type of gloves
- Before greater contact with your body
- After touching a contaminated body site to a clean body site.

Wet your hands with warm water and apply anti-bacterial hand cleaning gel or disinfectant hand wash then follow the instructions below (Standard rub method according to EN 1500)

Remember: If using soap and water rinse hands under running water and dry thoroughly.

Social Distancing

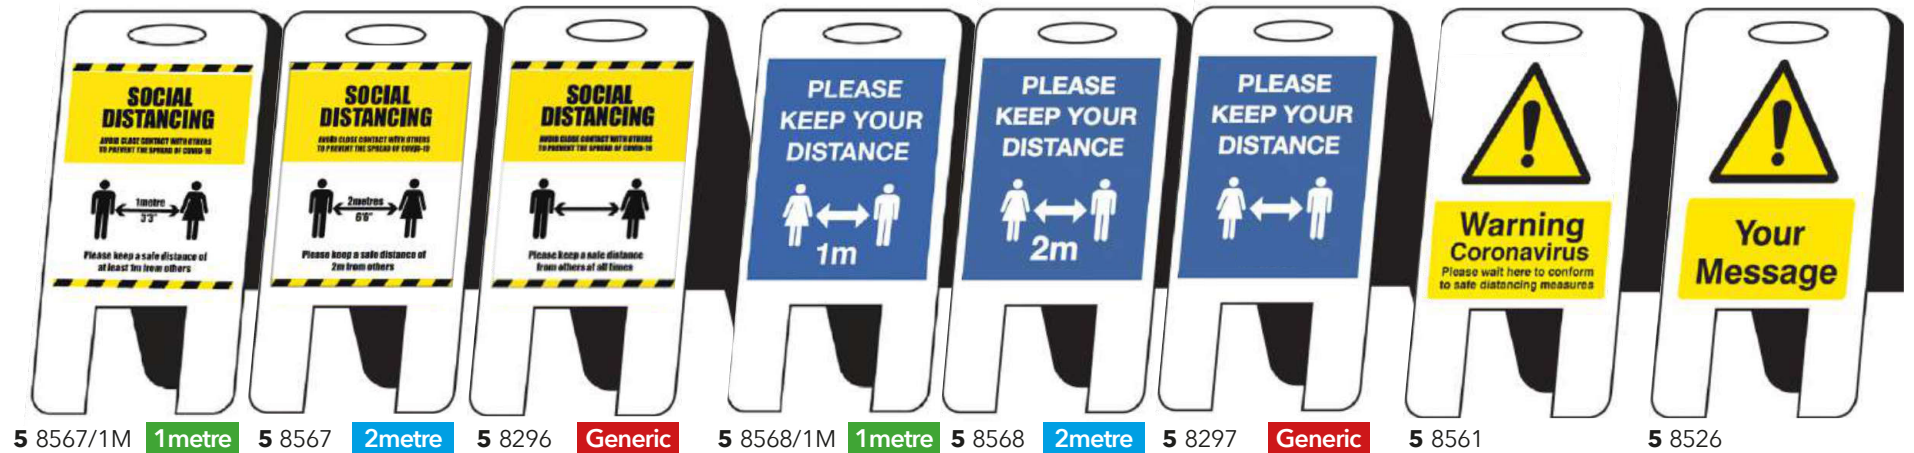

Guidance, education and information are key to ensuring the safety of all. The next two pages contain a range of informative posters and signs.

Self Standing Signs

These double sided, free standing signs are ideal to attract staff and customers' attention. Yellow warning signs are recognised throughout the UK to highlight potential danger. They are much more likely to be adhered to by customers and staff. Self printed safety messages which are stuck to doors, windows etc are unprofessional, messy and unlikely to be taken seriously. These self standing signs help remind the public of their personal responsibilities in terms of social distancing, considered vital to ensuring the safety of others.

SOCIAL DISTANCING
 MAINTAIN A SAFE DISTANCE AT ALL TIMES

We have a very comprehensive safety sign range, but we do appreciate that every workplace has different needs. That's why we offer "Standard" and "Custom" specials.

Standard Specials enables you to choose either a prohibition, warning or mandatory safety sign. All you have to do is send us the code you require, the symbol and text you wish to be used and we'll create your required safety sign.

Custom Specials enables you to create something completely unique in full colour. This option enables you to select the appropriate code and we'll print what you require on our standard range of materials.

If the material / size you require is something out of the ordinary, don't worry send us the details and we'll send you a quote.

Self Standing Signs

These double sided, free standing safety signs are ideal to attract staff and customers' attention. Yellow warning signs are recognised throughout the United Kingdom to highlight potential danger. They are much more likely to be adhered to by customers and staff.

Self printed messages which are stuck to doors, windows etc are unprofessional, messy and unlikely to be taken seriously.
